On the first Sunday that the amended Raines law was in force in New York city five snakes were reported as having fallen in the street during a shower of rain.

Senator Chandler's three maxims are: "Fulfill existing promises before making new promises;" "Pay your own debts;" and "Bear your own burdens first; after that, try to help carry the burdens of other people."

There is a French tramp, Jacob Loesing by name, wandering around this country somewhere, if he isn't dead, who is heir to $38,000, left him by an uncle. If this meets Jacob's eye, we shall expect him to become a lifetime subscriber to the News.

PENALTIES FOR SELLING LIQUOR TO "POSTED" MEN.

There are extreme penalties for violating the Raines law in respect to selling to a "posted" man and a liquor dealer who does so forfeits his certificate and may be heavily fined and imprisoned. The law reads as follows:

SEC. 30.—Persons to whom liquor shall not be sold or given away: No corporation, association, co partnership, or person, whether taxed under this act or not, shall sell, deliver or give away or cause or permit or procure to be sold, deliver or given away any liquor to:

1. Any minor under the age of eighteen years; nor to such minor for any other person;
2. To any intoxicated person.
3. To any habitual drunkard.
4. To any Indian.
5. To any person to whom such corporation, association, co-partnership or person may be forbidden to sell, by notice in writing from the parent, guardian, husband, wife or child of such person over sixteen years of age, or by a magistrate or overseer of the poor of the town; provided, however, that such notice in writing by a magistrate or overseer of the poor of the town shall apply only in the case of a person who is wholly or partly a charge upon the town, which fact shall be stated in such notice.

SEC. 34, SUB. 2.—Any corporation, association, co-partnership or person, who shall make any false statement in the application required to be presented to the county treasurer or other officer to obtain a liquor tax certificate, or to obtain a transfer thereof, or who shall violate the provisions of this act by trafficking in liquors contrary to the provisions of sections eleven, twenty-two, twenty three, twenty-four, thirty or thirty-one, shall be guilty of a misdemeanor, and upon conviction therefor shall be punished by a fine of not more than five hundred dollars or by imprisonment in a county jail or penitentiary for a term of not more than one year, or by both such fine and imprisonment, and shall forfeit the liquor tax certificate, and be deprived of all rights and privileges thereunder, and of any right to a rebate of any portion of the tax paid thereon, and such certificate shall be surrendered to the officer who issued it, or to his successor in office, who shall immediately forward the same to the state commissioner of excise for cancellation. . . .

The Westfield (Ind.) *News* prints the following in regard to an old resident of that place: "Frank McAvoy, for many years in the employ of the L., N. A. & C. Ry. here, says: 'I have used Chamberlain's Colic, Cholera and Diarrhœa Remedy for ten years or longer—am never without it in my family. I consider it the best remedy of the kind ever produced. I take pleasure in recommending it.'" It is a specific for all bowel disorders. For sale by L. A. Burrows, Andover, N. Y.

BEARING-DOWN PAINS.

Doctor's Doses Made Her Worse—Dodd's Pills Cured Her.

Had Female Weakness and Kidney Trouble.

Like Hundreds of Others She Can Testify to the Blessed Relief Contained in this Simple Remedy which Sells for Fifty Cents a Box.

Ogdensburg, N. Y., March 6.—Women rise up by the score and call Dodd blessed because of his wonderful discovery that has made weak backs and backaches unknown where DODD'S KIDNEY PILLS have been tried. Dr. Dodd made a wonderful discovery of a medicine that could be administered in pill form for the cure of kidney disease. It is manufactured and sold in the United States by the DODD'S MEDICINE CO., of Buffalo.

Do not mistake Dodd's pills for any other. They are of an orange color, about the size of a bean, and are put up and sold in blue boxes with a red label.

For women especially, who are troubled with weak back, with dragging sensations, with bearing down pains, with female weakness, allied with kidney trouble in any of its forms, these pills are a sure, safe and simple remedy.

Hundreds of women have been cured of their ailments by DODD'S KIDNEY PILLS. Thousands more may be cured if they will but try one box. Mrs. George Barns of this city writes the story of her cure as follows:

DODD'S MEDICINE CO.

Gentlemen: I have been troubled for over one year with female weakness and urinal trouble. I consulted a doctor, who gave me medicine that seemed to make me worse at times I would be deaf and short-sighted. I was told of DODD'S KIDNEY PILLS. I got one box, and I have used part of the box and am completely cured. My urine is natural now. You may publish this if you like, if it will help others.

MRS. GEORGE BARNES.

Ogdensburg, N. Y.

If your druggist does not keep DODD'S KIDNEY PILLS, send 50 cents in stamps or money to DODD'S MEDICINE CO., Buffalo, N. Y., and a box will be sent to you by mail.

HOW TO FIND OUT.

Fill a bottle or common water glass with urine and let it stand twenty-four hours; a sediment or settling indicates a diseased condition of the kidneys. When urine stains linen it is positive evidence of kidney trouble. Too frequent desire to urinate or pain in the back is also convincing proof that the kidneys and bladder are out of order.

WHAT TO DO.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in relieving pain in the back, kidneys, liver, bladder and every part of the urinary passages. It corrects inability to hold urine and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists; price, fifty cents and one dollar. For a sample bottle and pamphlet, both sent free by mail, mention the ANDOVER NEWS, and send your full post-office address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietors of this paper guarantee the genuineness of this offer.

According to the newspapers, an Ohio husband became the happy father of seven children not long ago. Of the seven all lived but one. It is to be hoped he laid in a supply of Chamberlain's Cough Remedy, the only sure cure for croup, whooping cough, colds and coughs, and so insured his children against these diseases. For sale by L. A. Burrows, Andover, N. Y.

Just In Time.

A well known lady in a town exclaimed the other day: I have been wearing my life out from the effects of Nervous Exhaustion, Neuralgia and Headaches. My attention was at last directed to Barr's Celery Sarsaparilla for the Nerves, and after using two packages I am entirely well. Keep your nerves well and strong by the use of this great Vegetable Compound. Samples free. Large packages 25 cents. Sold only by L. A. Burrows.

$100 REWARD

is offered for a case of Blood, Nerve Liver, Skin and Kidney disease that can not be cured by the proper use of Dr. Custer's Extract of Sarsaparilla, Celery, Stillingia, Dandelion, Mandrake, etc. This great medicine cures and prevents disease by removing the cause, and by strengthening the health failure of the Liver and Kidneys to do their duty. This medicine has greater merit than any other preparation and is endorsed by prominent physicians, and thousands of people who have testified to miraculous cures of the most troublesome and obstinate nature that owe their origin to impure blood. The above offer is made in good faith, and the excellence of the medicine justifies manufacturers in making it and the people in giving it a proper trial. 125 doses per bottle. Regular dollar size bottles for 65c, or 5 for $3 for a limited time only, to quickly introduce it. For sale by L. A. Burrows, Druggist.

On Monday, C. C. Burdick's horse assumed self-government and made things jingle in a lively runaway from a point just below the NEWS office to the Clark Cartwright place. Mr. Burdick and his companion, Thos. Clark, alighted, not gracefully perhaps, but safely. Except slight injury to the bridle no damage was incurred.

The annual convention of the Allegany County Bible-school Association is in session at Whitesville. The several schools of this town are thus represented: Baptist—Rev. V. L. Eggleston, A. B. Fred W. Corran and family have moved to Andover, where he will conduct the Globe hotel. For several years Mr. Corran was the proprietor of the Central House in this village, and for the past year has been steward of the Canisteo Club. Died, at Shiloh, N. J., May 3, 1897, with pneumonia, after only five days illness, Mrs. Angelia Cottrell, wife of Rev. Ira Lee Cottrell, aged 49 years. Her remains were brought to Alfred and funeral services held in the church at that place. Mrs. Cottrell was the daughter of Mr. and Mrs. John P. Dye, and was born at Richburg. She was well known in this section of country, Mr. Cottrell being pastor of the church at Independence about four years before going east.

Mr. F. G. Helme, of Friendship, has made such a success out of soliciting orders for a Syracuse paper supply house that it is reported she has driven a number of rival drummers from the field in Allegany, Cattaraugus and Chautauqua counties. Her husband had the position she now holds and when he died left little or nothing to his family. His widow asked for the place and got it, although she knew nothing about the business. Helme had been a newspaper publisher and was well known to the craft. The members applauded the pluck shown by Mrs. Helme and reserved all their orders for her. It was not long before competitors were compelled to retire from the field. She has increased the firm's business over 100 per cent. in the western end of the state.—*Buffalo Times.* Mrs. Helme is a modest, unassuming lady, and has won the confidence and esteem of the craft. She makes her circuit and strikes Andover monthly, and her sales are not confined to the NEWS office entirely, but the stores in the village patronize her extensively in the line of stationery. We can heartily recommend Mrs. Helme and the house she represents to public favor.

The total population of the United States numbers 249,273. Poor Lo is passing away, but "Heart's Delight" has come to stay.

USE your money where it goes farthest! It is a false idea that you are under any obligations to spend your cash with, or take your produce to the firms to whom you give your credit trade. Don't worry about them; they get their pay for carrying you (and the risk they run in carrying lots of others) in every dollar's worth they sell you. We've been there, and we know that the good credit customers and the cash paying customers of a credit concern pay its bad debts in the form of high prices.
