Ayer's Sarsaparilla,

FOR PURIFYING THE BLOOD.

This preparation is an excellent medicine to expel the humors from the blood, many of which are only manifested when they have settled in some place, where the system seemed entirely free from scrofulous affections and disorders, which have been purified and cured by it. Scrofulous affections and disorders, whether inherited or aggravated by the scrofulous contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need to be informed of its virtues or uses.

Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt enemy of the organism undermines the constitution, and before the attack of enfeeling disease or fatal disease, without giving a suspicion of its presence. Again, when, on some favorable occasion, rapidly develops into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this *Sarsaparilla* is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, a lasting cure, by the use of the *SARSAPARILLA*. *J. C. Ayer's Pills, Rose or Erysipelas, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears*, and other eruptions or visible forms of *Scrofulous* disease. Also in the more concealed forms, as *Dyspepsia, Dropsy, Heart Disease, Fits, Epilepsy, Neuralgia*, and the various *Uterine* affections of the muscular and nervous systems.

Syphilis or *Venereal* and *Mercurial Diseases* are cured by it, though a long time is required for exhausting these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. *Leucorrhœa* or *Whites, Uterine Ulcerations*, and *Female Diseases*, are completely soon relieved and ultimately cured by its purifying and invigorating effect. Minute directions for such cases are found in our Almanac, supplied gratis. *Rheumatism* and *Gout*, which are caused by accumulations of extraneous matters in the blood, yield quickly to it, as also *Liver Complaint, Torpidity, Congestion* or *Inflammation of the Liver*, and *Jaundice*, which are attendants on it. Many often do, from the rankling poison in the blood. This *SARSAPARILLA* is a great protector for the strength and vigor of the system, enabling those who are *Languid* and *Listless, Dispirited, Sleepless*, and troubled with *Nervous Apprehensions or Fears*, or any of the wretchedness or *Weakness*, will find immediate relief and convincing evidence of its restorative power upon trial.
