Pierce's Pleasant Purgative Pellets

SIZE OF PELLETS

Or Sugar-Coated, Concentrated, Root and Herbal Juice, Anti-Bilious Granules. THE "LITTLE GIANT" CATHARTIC, or Multum in Parvo Physic.

The novelty of modern Medical, Chemical and Pharmaceutical Science, No use of any longer taking 50 to 100 Pills, and Nauseous, Sickly, composed of cheap, crude, and bulky ingredients, when we can by a careful application of chemical science, extract all the cathartic and other medicinal properties from the most valuable roots and herbs, and concentrate them into a minute Granule, **scarcely larger than a mustard seed**, that can be readily swallowed by those of the most sensitive stomachs and fastidious taste. Each little **Purgative Pellet** represents, in a most concentrated form, as much cathartic power as is embodied in any of the large pills found for sale in the drug shops. From their wonderful cathartic power, in proportion to their size, people who have not tried them are apt to suppose that they are harsh or drastic in effect, but such is not at all the case, the different active medicinal principles of which they are composed being so harmonized and modified, one by the others, as to produce **a most searching and thorough, yet gently and kindly operating cathartic.**

$500 Reward is hereby offered by the proprietor of these Pellets, to any chemist who, upon analysis, will find in them any Calomel or other forms of mercury or any other mineral poison.

Being entirely vegetable, no particular care is required while using them. They operate without disturbance to the constitution, diet, or occupation. For **Jaundice, Headache, Constipation, Impure Blood, Pain in the Shoulders, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in mouth, Bilious attacks, Pain in region of Kidneys, Internal Fever, Bilious feeling about Stomach, Rush of Blood to Head, High Colored Urine, Costiveness, Inactivity and Gloomy Forebodings,** take **Dr. Pierce's Pleasant Purgative Pellets.** In explanation of the remedial power of my Purgative Pellets over so great a variety of diseases, I wish to say that **their action upon the animal economy is universal, not a gland or tissue escaping their sanative impress.** Age does not impair them; their sugar-coating and being enclosed in glass bottles preserves their virtues unimpaired for any length of time, in any climate, so that they are always fresh and reliable, which is not the case with the pills found in the drug stores, put up in cheap wood or paste-board boxes. Recollect that for all diseases where **a Laxative, Alterative or Purgative** is indicated, these little Pellets will give the most perfect satisfaction to all who use them.

They are sold by all enterprising Druggists at 25 cents a bottle.

Do not allow any druggist to induce you to take anything else that he may say is just as good as my Pellets because he makes a larger profit on that which he recommends. If your druggist cannot supply them, enclose 25 cents and receive them by return mail from

Ayer's Cathartic Pills.

For the relief and cure of all derangements of the stomach, liver, and bowels. They are a mild aperient, and an excellent purgative. Being purely vegetable, they contain no mercury or mineral whatever. Most serious sickness and suffering is prevented by their timely use; and every family should have them on hand for their protection and relief, when required. Long experience has proved them to be the safest, surest, and best of all the *Pills* with which the world abounds. By their occasional use, the blood is purified, the operations of the system regulated, obstructions removed, and the whole machinery of life restored to its healthy activity. Internal organs which become clogged and sluggish are cleansed by *Ayer's Pills*, and stimulated into action. Thus indolent disease is changed into health, the value of which change, when reckoned on the vast multitudes who enjoy it, can hardly be computed. Their sugar-coating makes them pleasant to take, and preserves their virtues unimpaired for any length of time, so that they are ever fresh and perfectly reliable. Although searching, they are mild, and operate without disturbance to the constitution or diet or occupation.

Full directions are given on the wrapper to each box, how to use them as a Family Physic, and for the following complaints, which these *Pills* rapidly cure:—

For **Dyspepsia** or **Indigestion, Listlessness, Languor,** and **Loss of Appetite,** they should be taken moderately to stimulate the stomach, and restore its healthy tone and action.

For **Liver Complaint** and its various symptoms, **Bilious Headache, Sick Headache, Jaundice** or **Green Sickness, Bilious Colic** and **Bilious Fevers,** they should be judiciously taken for each case, to correct the diseased action, or remove the obstructions which cause it.

For **Dysentery** or **Diarrhœa,** but one mild dose is generally required.

For **Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back, and Loins,** they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For **Dropsy** and **Dropsical Swellings,** they should be taken in large and frequent doses to produce the effect of a drastic purge.

For **Suppression,** a large dose should be taken, as it produces the desired effect by sympathy.

As an *Dinner Pill,* take one or two *Pills* to promote digestion, and relieve the stomach.

An occasional dose stimulates the stomach and bowels, restores the appetite, and invigorates the system. Hence it is often advantageous when no serious derangement exists. One who feels tolerably well, often finds that a dose of these *Pills* makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

VINEGAR BITTERS

TRUE TONIC. FREE FROM ALCOHOL. PERFECT. DRUNKARD'S DRINK. DR. WALKER'S CALIFORNIA VINEGAR BITTERS

Vinegar Bitters are not a vile Fancy Drink, made of Spurious Whiskey, Proof Spirits and Rotten Liquors, doctored, spiced, and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the native roots and herbs of California, free from all Alcoholic Stimulants. They are the Great Blood Purifier and a Life-giving Principle, a Perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition, enriching it, refreshing and invigorating both mind and body. They are easy of administration, prompt in their action, certain in their results, safe and reliable in all forms of disease.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not shattered by mineral poison or other means, and the vital organs wasted beyond the reach of repair.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. In these complaints it has no equal, and one bottle will prove a better guarantee of its merits than a lengthy advertisement.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that a marked improvement is seen perceptible.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

They are a Gentle Purgative as well as a Tonic, possessing also the peculiar merit of acting as a powerful agent in removing Congestion or Inflammation of the Liver and Visceral Organs, and in Bilious Processes.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ringworms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cause the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

Thousands upon thousands proclaim VINEGAR BITTERS the most wonderful invigorant that ever sustained the sinking system.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. Says a distinguished physiologist: There is scarcely an individual upon the face of the earth whose body is entirely free from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon the diseased humors and slimy deposits that breed these living monsters of disease. No system of Medicine, no vermifuge, no anthelmintic, will free the system from worms like these Bitters.

Mechanical Diseases. Persons engaged in Paints and Minerals, such as Plumbers, Painters, Gold-beaters, and Miners, as they advance in life, will be subject to paralysis of the Bowels. To guard against this take a dose of WALKER'S VINEGAR BITTERS occasionally for a week, as a Preventive.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their tributaries, throughout our entire country during the Summer and Autumn, and for many miles inland, are a fruitful source of disease and death. Thousands and tens of thousands have been hung head by the remedial agency of other countries with wonderful medical results.

Dr. Wolfe' Extract of Jurubeba

Includes all the medical virtues peculiar to the plant and must be taken as a certain, curative agent.

Is there want of action in your liver? Is your digestion deranged? Unless the liver is healthy and active the blood becomes poisoned, and the whole system suffers from the effects. Dyspepsia, Constipation, Costiveness, Piles, &c., &c.
