PATD. JULY 25, 1871.

Is the result of the constant efforts and practical experience of Mr. J. H. Whitney for the past twenty years.

The old original Weed Machine which was formerly so popular, and which received the highest premium at the Paris Exposition in 1867, was the joint invention of Mr. J. H. Whitney and Mr. T. E. Weed, in 1853. They were partners in business until 1855, when Mr. Weed died; since then, Mr. Whitney has made

VALUABLE IMPROVEMENTS,

and has recently patented and brought out a Machine of such

UNEQUALED SIMPLICITY,

Durability and perfect Sewing Qualities, that it has superseded the old Weed Machine, and is a

COMPLETE TRIUMPH

over all other.

It makes the Elastic Lock Stitch, alike on both sides. It uses a straight needle, which seems less precisely the same distance from the shuttle without adjusting, whether coarse or fine, and is so protected that the shuttle cannot strike it. It has a positive four motion feed in one place, without the use of springs. It runs so easy that a single thread of No. 8 cotton can be used for a belt.

MILK OF MAGNESIA

The great discovery of the age. It will immediately and certainly relieve HEARTBURN, SOUR STOMACH, DYSPEPSIA and HEADACHES caused by sourness or acidity of the stomach or bowels. Its action as a laxative for children and females is superior to any preparation of its kind, requiring no persuasion to induce them to take it, and if thought desirable it may be mixed in the food or drink. This is the best, safest and most agreeable of the preparations of magnesia. Highly recommended by physicians. To be obtained of all druggists. Prepared by C. H. PHILLIPS, Manu'g Chemist, New York.

THE GREAT SOUTH AMERICAN JURUBEBA BLOOD PURIFIER

Is the most powerful cleanser, strengthener and remover of Glandular Obstructions known to materia medica.

It is specially adapted to constitutions "worn down" and debilitated by the warm weather of Spring and Summer, when the blood is not in active circulation, consequently gathering impurities from sluggishness and imperfect action of the secretive organs, and is manifested by Tumors, Eruptions, blotches, Boils, Pustules, Scrofula, &c., &c.

When weary and languid from over work, and dullness, drowsiness and inertia take the place of energy and vigor, the system needs a Tonic to build it up and help the Vital Forces to regain their recuperative power.

In the heat of Summer, frequently the Liver and Spleen do not properly perform their functions; the Uterine and Urinary Organs are inactive, producing weakness of the stomach and intestines and a predisposition to billious derangement.

DR. WELLS

EXTRACT OF JURUBEBA.

is prepared directly from the South American Plant, and is peculiarly suited to all these difficulties; it will cleanse the Vitiated Blood, strengthen the Life Giving Powers, and remove all obstructions from Impaired and Enfeebled Organs.

It should be freely taken, as Jurubeba is pronounced by medical writers the most efficient Purifier, Tonic, and Deobstruent known in the whole range of medicinal plants.

Dr. Pierce's Pleasant Purgative Pellets

SIZE OF PELLETS.

Or Sugar-Coated, Concentrated, Root and Herbal Juice, Anti-Billious Granules. THE "LITTLE GIANT" CATHARTIC, or Multum in Parvo Physic.

The novelty of modern Medical, Chemical and Pharmaceutical Science. No use of any longer taking the large, repulsive and nauseous pills, composed of cheap, crude, and bulky ingredients, when we can by a careful application of chemical science, extract all the cathartic and other medicinal properties from the most valuable roots and herbs, and concentrate them into a minute Granule, **scarcely larger than a mustard seed,** that can be readily swallowed by those of the most sensitive stomachs and fastidious tastes. Each little **Purgative Pellet** represents, in a most concentrated form, as much cathartic power as is embodied in any of the large pills found for sale in the drug shops. From their wonderful cathartic power, in proportion to their size, people who have not tried them are apt to suppose that they are harsh or drastic in effect, but such is not at all the case, the different active medicinal principles of which they are composed being so harmonized and modified, one by the others, as to produce **a most searching and thorough, yet gently and kindly operating cathartic.**

$500 Reward is hereby offered by the proprietor of these Pellets, to any chemist who, upon analysis, will find in them any Calomel or other forms of mercury or any other mineral poison.

Being entirely vegetable, no particular care is required while using them. They operate without disturbance to the constitution, diet, or occupation. For **Jaundice, Headache, Constipation, Impure Blood, Pain in the Shoulders, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in mouth, Billious attacks, Pain in region of Kidneys, Internal Fever, Bloated feeling about Stomach, Rush of Blood to Head, High Colored Urine, Unsociability and Gloomy Forebodings,** take **Dr. Pierce's Pleasant Purgative Pellets.** In explanation of the remedial power of my Purgative Pellets over so great a variety of diseases, I wish to say that **their action upon the animal economy is universal, not a gland or tissue escaping their sanative impress.** Age does not impair them; their sugar-coating and being enclosed in glass bottles preserve their virtues unimpaired for any length of time, in any climate, so that they are always fresh and reliable, which is not the case with the pills found in the drug stores, put up in cheap wood or paste-board boxes. Recollect that for all diseases where a **Laxative, Alterative or Purgative** is indicated, these little Pellets will give the most perfect satisfaction to all who use them.

They are sold by all enterprising Druggists at 25 cents a bottle.

Do not allow any druggist to induce you to take anything else that he may say is just as good, as my Pellets because he makes a larger profit on that which he recommends. If your druggist cannot supply them, enclose 25 cents and receive them by return mail from
