TWICE PROVEN

If you suffer backaches, sleepless nights, tired, dull days and distressing urinary disorders, don't experiment. Read this twice-told testimony. It's Andover evidence — doubly proven.

Ed. Swain, Maple St., Andover, says: "I think hard work is what weakened my kidneys and brings on attacks of kidney trouble that I have. When I stoop to put on my shoes a sharp pain catches me in the small of my back and I can hardly raise up. I have a frequent desire to pass the kidney secretions and have to get up several times at night. For the past eight years, at these times, I have used Doan's Kidney Pills, procured from the Brundage Drug Co., and they fix me up in a hurry and put me on my feet."

Mr. Swain gave the above statement October 5, 1915, and on August 13, 1918, said: "I am always ready to testify to the merits of Doan's Kidney Pills for they surely are a fine kidney and bladder medicine. I still use Doan's occasionally as a kidney tonic and they keep my back and kidneys strong and in good condition. I gladly confirm every word of my recommendation of 1916."

PRESBYTERIAN

Rev. H. B. Williams, Minister

On last Sunday morning a sermon on Happiness engaged the attention of the people. Sunday evening the Internationale of Brothers made the theme in which it was shown that they who dream of a world made right are of the fellowship of the Nazarene.

Every Sunday the minister brings matters for modern servants to think about which give courage to the task.

Last Wednesday Mrs. Barney and Mrs. Frisbey entertained the Ladies Aid Society at Mrs. Barney's home. A delightful afternoon was enjoyed.

On Thursday evening the King's daughters gave one of their popular suppers. A large attendance enjoyed the fine refreshments.

Mrs. Bundy will conduct the Young Folks' meeting on Sunday evening.

It is important to know that every meeting of the church people is designed to add to the content of enjoyment. Every public worship offers clear and logical thinking upon the work of building up the "Beloved Community" here, everywhere according to the will of God.

Winter Brings Many Ills to Pale, Overworked People

TAKE PEPTO-MANGAN

Fortify Your System—Good Blood Will Give You New Strength to Keep Well

If you feel the least bit run down, not necessarily sick, but tired and blue and sort of down and out, it shows plainly that your power of resistance is low.

It is dangerous to go around that way. You don't want to do it.

Make no mistake about it, when you feel yourself slipping into lazy habits, getting indifferent to the things you naturally like — no energy, no vigor, always tired — it is time to look out. It may not mean that you are sick or that you will be. But there are diseases that would have an easy time of it with your system when your blood has no fighting qualities.

You want to be well and keep well and feel strong. If you build up the quality of your blood by taking Pepto-Mangan you will be in trim to fight off winter ills. It has just the right ingredients to build your blood up with rich, red corpuscles.

Pepto-Mangan gives your blood the qualities it needs to pick you up and start you off on a healthy basis. You will notice the difference soon after you start taking it. You will have better color, better feeling, and more energy.

You can take it in liquid or tablet form as you prefer. Both have the same ingredients. But be sure you get the genuine Gude's Pepto-Mangan. Ask for it by that name—"Gude's Pepto-Mangan," and be sure the full name is on the package.

Uncle Ab says: "It is better to be a healthy hobo than a prosperous man with a misery."

The extra growth pruned out of the orchard this winter won't be in the way of effective spraying later.

Home mixing of fertilizers gives more value for less outlay; and that's a good way to cope with old H. C. L.

"The world stands aside for the man who knows whither he is going." And how can anyone know where he is going unless he has a record. Make a budget and keep accounts.

Agriculture is the greatest among arts, for it is first in supplying our necessities, it is the mother and nurse of all other arts; it favors and strengthens population; it creates and maintains manufactures; gives employment to navigation and materials to commerce; it animates every species of industry, and opens to nations the surest channels of opulence. — MacNeven.

Echoing Our Neighbors

South Hill

Feb. 2. — The provincial ground hog is out in spite of his shadow.

Friends and former South Hill neighbors of Miss Dougherty are pleased to learn of her improvement in his condition at St. James Mercy Hospital, Hornell.

Mrs. John Keough, of Wellsville, was the guest of her sister, Mrs. Appier and family, Wednesday and Thursday of last week.

Mr. and Mrs. Frank Holmes, of Andover, were Sunday guests at the home of Jim Dean.

Louis Dean was a Wellsville visitor Saturday.

Mrs. Dan Appier and son, Richard, are spending a few days with Wellsville relatives.

Henry Horan was busy on the farm with Leo, a couple of days last week.

Mrs. Ella Casey returned last Thursday from Oil City, Pa.

Our roads are again passable for autos.

Advice is still on the free list and "you can take it or leave it" our farmers think, when they read such items as the following in their local papers. "A good time now to get ready spray outfits, and materials you are going to use." Mr. Farmerman is "just now" too sore on the present price of the crop he sprayed last year, to work up any enthusiasm over sprayers, or sprays with top notch price attached.

Alfred

Alfred, Feb. 2.—Alfred's purple quint went down to defeat at the hands of the St. Lawrence in the St. Lawrence University gymnasium last Wednesday night, by a score of 34-15. The game was hard fought thru out and at the middle of the opening half Alfred led by a score of 5-4. The narrow court proved the undoing of the purple players, however, and in the final five minutes of the first period St. Lawrence tallied freely. The score at half time was 18-5.

Entering the final period, Alfred put forth every endeavor to cut down the scarlet lead but managed to score ten points to 10 by their opponents. Both teams passed and guarded well but the St. Lawrence managed to find the net more easily. The purple men missed many comparatively easy shots for the basket while the home team made good on practically all their close-up tosses. The final score was 34-15.

St. Lawrence has thus far gone thru the season undefeated and they presented a strong line-up. Inability of Alfred's men to locate the basket at opportune times was the real cause of their defeat.

The line-up:

Alfred		St. Lawrence
Campbell	R. F.	Barker
Bob Witter	L. F.	Weller
Boyd	C.	Shaard
Ray Witter	R. G.	Bird
Holley	L. G.	Atwood

Referee: Sisson, Dartmouth

Scorer, Wesbecher

Score, 34-15.
