Birthday Surprise

Charles Robinson was surprised when 20 of his friends, among them his sons, George and Lloyd and families walked in on him on Monday evening, Nov. 5th, bringing good cheer and a happy spirit, reminding him of another milestone met and passed, in the liveliest and happiest manner, but what's a milestone more or less along the road to happiness.

Charles is still rugged and in the best of health, notwithstanding the rigors and buffeting of many a blast, like we all have to meet which have only seemed to root him more firmly in his faith in God and his brotherly love for his fellow wayfarers.

A very pleasant evening was passed. An oyster stew, accompanied by many good things to eat, which the guests brought with them was fully enjoyed and appreciated.

Before leaving they still further surprised Mr. Robinson by presenting him with several lovely tokens of remembrance of his loyalty to the church and wishing him many more returns of the day.

Presented Jewel

Andover Rebekah Lodge, No. 303 met for their regular session Wednesday evening of this week. At this time Mrs. Marie Hammond was presented a beautiful Past Grands jewel in appreciation of her splendid work while Noble Grand. The presentation was made by Mrs. Bessie Mulconery on behalf of the lodge.

DO YOU KNOW—

all you would like to know about what's going on here at home, at Washington, D. C., and all over the country? The Andover News and the Pathfinder will keep you posted as nothing else will and for much less. The bargain price for the two —every week for a whole year—is only $2.35. Leave your order at the News office.

A German inventor has developed an air-cooled gasoline motor that weighs only eleven pounds.

Attend Genesee Fair

Mr. and Mrs. Irving Gilfillan of Greenwood street returned Saturday from attendance at the Genesee, Pa., fair, where Mr. Gilfillan demonstrated his maple sugar equipment.

They report a very interesting fair with an exceptionally fine display of canned fruits, baked goods, garden vegetables, needle work, antiques, poultry and registered stock. Six hundred dollars was paid out in prizes. Mrs. Gilfillan was awarded five prize on whole wheat muffins in the baking display.

No entrance fee is charged at the fair which drew a heavy attendance. All stock drawing premiums are eligible to compete at the Harrisburg State Fair.

Bolivar Man Shoots Self

Lester L. Rogers took his life by shooting himself thru the head at his home in Bolivar township, Monday morning. Mr. Rogers, who was 53 years of age, had been in ill health, under the care of a physician for a long time and had been very despondent. He leaves his wife, Cora Rogers.

Tenant vs. Landlord

A rather old-fashioned lawsuit came to trial before Ames L. Rogers, Justice of the Peace, Monday. It seems that Harry Ray agreed to work on the farm of G. W. Vossler, Niles Hill, last April and moved his family to the Vossler farm and worked there until recently when trouble arose over wages and conditions.

Mr. Ray claimed that there was an amount his due which was denied by Mr. Vossler. After hearing the evidence, the justice rendered judgment against Mr. Vossler in favor of Mr. Ray for $52.95.

Mr. Ray was represented by Attorney C. L. Earley and Mr. Vossler by Attorney Wm. Duke, Jr., of Wellsville.

"Thanks to the National Housing Act we can now own a modern ROPER Gas Range"
★ F.H.A. APPLIES TO ROPER GAS RANGES
Under original provisions of the F.H.A., gas ranges were considered as movable property and could not be financed with other home improvements. Realizing that a gas range is the first step in any kitchen modernization program, the government has removed its restrictions and NOW YOU CAN FINANCE A ROPER GAS RANGE under the liberal F.H.A. terms.

Several makes of Modern Gas Ranges are sold by YOUR GAS COMPANY from $49.50 up
Think of your kitchen FIRST in your modernizing plan. It is your work shop—where you spend much of your time—make it a convenient, cheery room. And, of course, a new Roper Gas Range is the first step toward new beauty and savings in time, food, fuel and money. Build your modern kitchen around it. See latest models NOW—in our display room—come in and get full details.

BAKERS' STORE NEWS
Published by Baker Bros. Hardware, Andover, N. Y.

It Did—He Didn't
Gloomy Youth (to jeweler): "Will you take back this engagement ring?"
Jeweler: "What's the matter, didn't it suit?"
Youth: "Yeah, it suited all right, but I didn't."

Window Glass
Now is the season to shut out the wind and storms. Have you a few lights of glass that need replacing before winter?
Remember, it is almost impossible to heat that room that has a light missing. An 8x10 glass for ten cents, put into the barn window will save many times its cost on that short hay crop before spring.
We have putty and quarter round for putting them in or we will put them in for you at a nominal charge.
We can also furnish black putty to match your black sash if you wish.
We make no charge for cutting glass, so if you have some broken pieces that can be cut down to fit smaller places, bring them in and get them cut to fit.

Broadcasting
Betty Moore is on the air every Wednesday morning at 11 o'clock over stations WLW, WHAM, WGY and many others. Next Wednesday she talks on "Smiling Kitchens."
If there are any questions you want to ask about home decorating, ask us or write to Betty Moore, 511 Canal street, New York City, who will advise you.

Daily Household Helps
1—If you are trying to patch up the old wall paper with pieces from the attic, first put the patches out in the strong sunshine for a day or so and fade them to the color of the old paper. The patch will not be nearly so obvious.
2—If you find the dog's kennel has a leak in its roof, mend it in this cheap and satisfactory way: Tack over the roof a large piece of strong brown paper. Then give it two coats of roofing paint. This will last for several years.

Girls Shoe Studs
For all heels and toes to make your shoes last longer—10c per pkg.

Chair Seats
We have Chair Seats in both fibre and wood—Priced from 10 to 30c.

Weather Stripping
Do any of your doors and windows need to be weather stripped before the extreme cold weather? If so, we can supply your needs and help to make your fuel bills less this winter.

Recipe for the Week
FRUIT CAKE
1 lb. citron — 1 dozen eggs
2 lbs. raisins — 2 tsp. salt
2 lbs. currants
½ cup liquid (fruit juices or ginger ale)
1 lb. almonds — 2 tsp. cinnomon
1 lb. butter — 2 tsp. mace
1 lb. brown sugar — 1 tsp. nutmeg
1 lb. flour — ½ tsp. cloves
Shave and chop heated citron, chop raisins. Blanch and cut almonds. Use regular cake method for mixing remainder of ingredients. Fold in the beaten whites. Line cake pans with three layers of oiled paper. Spread cake batter three inches thick. Decorate the surface with cherries, almonds, etc., if desired. Bake in moderate oven for two hours. The recipe makes nine pounds of cake and will keep indefinitely.

Dic-A-Doo Paint Brush Bath
Dic-A-Doo Paint Brush Bath cleans and restores paint brushes. It also keeps brushes soft and clean like new. It is economical to buy good brushes and keep them indefinitely by proper and timely use of Dic-A-Doo Paint Brush Bath. Contents of a 5c package is sufficient for several small brushes or one large brush.
The time to clean brushes is immediately after using, before the paint has set. But Dic-A-Doo Paint Brush Bath will clean old hard brushes perfectly by simply letting the brushes soak in the solution overnight or even several days if necessary.
Good brushes do better painting. Preserve their life by using Dic-A-Doo Paint Brush Bath, which has the clean napthalene smell and incidently repels moths.

Extraction
A teacher was explaining that you can only subtract objects of the same denomination or kind. A hand went up in the back of the room.
Teacher: "What is it, Tommy?"
Tommy: "Please—can't you subtract twelve quarts of milk from two cows?"
