SUPERVISORS ADJOURN

Good Roads Laid Over Another Year. Banquet Held Thursday Evening

The 1907 Board of Supervisors adjourned Friday after a very satisfactory and harmonious session. The most important proposition considered at this session was that of the strip of State road proposed to be built in the town of Rushford some four and a half miles in length. After an exhaustive discussion among the members of the board it was thought wise to postpone bringing it to a vote of the supervisors till next year.

Thursday evening the annual supervisors banquet was held, and a very pleasant occasion it was, A. Miner Wellman, of Friendship, acted as toastmaster. H. E. Huntington, General Agent of the Passenger Department of the Erie, was present and contributed much to the occasion by his "hit" in response to the toast, "What do you know about the Erie Joke Book"? Music by an orchestra and quartet was enjoyed by all.

At the meeting of the Allegany County Press Association held at Belmont, December 12th, the following resolution was enacted:

WHEREAS—Hon. J. S. Phillips, Allegany County's representative in the New York State Assembly is eminently well fitted by ability and trained experience to assume the duties of Chairman of the Ways and Means committee and leader of the majority in the lower house of the Legislature; and on account of his length of service in the Ways and Means committee, his long experience on the floor of the Assembly, and being the ranking member of the Ways and Means committee, and justly deserving of this appointment in accordance with custom and precedent, therefore, be it

Resolved: That the newspapers of Allegany County, represented in the regular annual meeting of the Press Association express their appreciation of Mr. Phillips' clean and efficient career in the Legislature, attested by his heretofore unprecedented successive re-elections and his increasing popularity with Allegany voters; and the Allegany County Press Association herewith respectfully prays and petitions the Honorable Speaker of the Assembly to recognize the just claims of Mr. Phillips and appoint him chairman of the Ways and Means committee and thus make him leader of the majority in the Assembly.

The Immaculate Conception Lyceum gave a reception in Lyceum Hall last evening in honor of Mr. and Mrs. Frank B. Dean, of Andover, who recently returned from their wedding trip.
