Andover Grange Notes

Conducted by C. A. Robinson.

At the regular session of Andover Grange, Wednesday evening, April 26th., 54 members were present, and one of the most pleasant and instructive sessions was held. One candidate was instructed in the first and second degrees.

The "Lecture's hour" was declared "open session" and a number of "outsiders" enjoyed the program, which consisted of a song by the men, selected reading by Harry Smith, Conundrums, by Miss Blanche Chaffee, a question box, which was enjoyed by all as the questions were practical, every day lines of business, and resulted in a discussion, which was very pleasant and instructive. The subject of sowing lime in different forms for benefit of the soil, The feeding of balanced rations, and what constituted a balanced ration, were among other ideas considered. A fine supper was served at the close.

Two visiting brothers from Alfred Grange were present.

THE ERIE TRAIN SERVICE IMPROVED

Average Percent. of Trains on Time Equal to any Road Going as Far. No Fatal Accidents.

The punctuality of passenger trains on the Erie Railroad for the month of March indicated that the service is not only greatly improved over the past few years but is now being maintained better than the average standard of railroads of similar size.

The company has within the last 18 months or 2 years purchased over 60 Prairie type of passenger locomotives, which are among the largest and fastest in the country. The use of this class of power has enabled the company to keep its long and heavy trains on time better than ever before.

Another feature of the passenger service of the line which is very gratifying to the management and patrons is the fact that there has not been a single fatal accident to a passenger on the Erie Railroad for several years and statistics show that more than 70,000,000 people have been carried without one of them being killed.

The passenger train record for the month of March is as follows:

Division	Trains run	Made schedule time	percent
New York Division	3,311	2,780	83.9

DIES AT DINNER TABLE

Eldon H. Chase died Suddenly of Heart Trouble, Saturday

The sudden death of Eldon H. Chase, a much respected citizen of Andover and prominent G. A. R. man occured Saturday at about noon, aged nearly 70 years, of heart trouble

Mr. Chase had lived in Andover 54 years, and was much respected by all who knew him. He had been a sufferer from heart trouble for a number of years, but had been a great deal better this spring. Saturday he passed away very suddenly while setting at the dinner table with his family.

Funeral services were held at the home on Grove street, Monday afternoon, Rev. Chas. H. Harrington of Cortland, N. Y., officiating.

Interment was in Valley Brook Cemetery.

AT THE AUDITORIUM

Roy Engle's Company, The Majestic Stock, Appear in Repertoire, Monday, Tuesday and Wednesday Evenings.

The Majestic Stock Company, of which one of our townsmen, Roy Engle, is part owner, will appear in repertoire at the Auditorium three nights, beginning Monday, May 3d.

At great expense and painstaking care, Mr. Engle, and his partner, Mr. Whaples, have selected a staff of actors in whom they have confidence in their ability and united them under the title of The Majestic Stock Company. The organization opened at Alfred, Saturday night and played there Monday and Tuesday nights They also played Greenwood Wednesday, Thursday and Friday nights, and will perform in Whitesville Saturday night. In the towns where they have played comes good reports of their work, and they will undoubtedly please large audiences in Andover Monday, Tuesday and Wednesday, evenings of next week.

The company will introduce for the first time Monday evening one of the greatest specialties ever given before an audience. It is a crematory scene, one of those delusive stunts where it appears to the audience that the person is actually cremated on the stage in front of the eyes of the audience. In fact they can see the body begin to shrivel from the heat, until it is entirely consumed.

Messrs. Whaples and Engle are themselves both good actors as they have previously demonstrated to Andover audiences. This season they appeared at the Auditorium in the Oak Hill farm and all who saw them at that time will endeavor to be present next Monday evening.

Tickets go on sale at Calhoun's Saturday noon, Prices15, 25, and 35.

Besides those from Andover, guests were present from Wellsville, Alfred and Whitesville.

FOR STATE PENSION

The Legislature to Consider Giving State Veterans $50 a Month

It looks as though the civil War veterans in this state will get legislation this year giving them a state pension.

The question has been before the Legislature for some years, but not until this session has had the backin from the state deparment of the G. A. R. Yesterday the Senate Finance committee reported favorably and it was ordered to a third reading in the Senate. The bill of Senator Allen, giving Civil War veterans over 62 years of age a pension of $60 a month where the pensioners have been residents of the state three years prior to applying for the pension and who were enlisted from the state.

It would cost about $2,000,000. a year to pay these pensions and the people at next fall's election must vote on a proposition to issue $2,000,000 in state bonds to pay for the first year.

After that the money will be raised by a direct state tax. A state commissioner of pensions at a salary of $2,000 would be appointed by the Governor.
