New Showing of Knox Hats

The style of American gentlemen combines fashion with simplicity. The Knox trade mark in Derbies or Soft Hats is a guarantee of correct style. There's a Knox for every occasion. Dictating the style in each is a Knox prerogative. We have a new line of Knox Spring Hats just in from New York.

CHARMING SWEET PEAS GEORGEOUS GLADIOLI

Attractive Offers of Seeds and Bulbs of These Popular Garden Favorites

In the entire realm of the floral world there are no more beautiful and satisfactory flowers, especially for amateur growers, than Sweet Peas and Gladioli. Blooms of the former make the loveliest bouquets to adorn a dining table or any place where dainty colors and delicious fragrance are desired; the latter for masses of gorgeous flowers on tables, stands or elsewhere when brilliant and striking floral effects are needed.

But the prime requisites for satisfactory results are seeds and bulbs of the most beautiful varieties, which are precisely such as are here offered.

SWEET PEAS: For 25 cents I will send 8 liberal packets of the lovliest named kinds and colors, including two or three of the most beautiful "spencers" or orchid-flowered varieties, and to each order I will add a packet of early asters and one of double poppies. For 50 cents I will send at least 10 of the most popular "Spencers," each a separate kind and color, with the asters and poppies added.

GLADIOLI: For 50 cents I will send at least 20 blooming size bulbs, among which there will be six or more of the choicest named kinds and colors. For $1.00 I will send 45 or more bulbs in which will be a dozen or more of the best named varieties. A full ounce of California mixed Nasturtiums will be added to any order for 10 cents.
