[illegible] OF THE LIBERTY LOAN

The act authorizing the Liberty Loan Bonds of 1917 was passed April 24, 1917. It provides for the issuance of $5,000,000,000 of 3½ per cent. bonds, the interest payable semiannually on December 15 and June 15 of each year. The principal is repayable on or after the 15th day of June 1932, at the option of the Government and if this option is not exercised the bonds will run full 30 years and become due June 15, 1947.

The bonds are exempt both as to principal and interest from all taxation, national, state, county or municipal, eexcept the inheritance tax, which is really not a tax on the property, but on the transfer of property by will or inheritance.

The bonds are to be sold at par, that is, dollar for dollar, no premium and no discount. They are to be sold by the Treasurer of the United States and by all Federal Reserve Banks. But all banks, National and State, post offices, and express companies have been designated as agents of the Government to receive applications for these bonds. It is almost as easy to purchase one of these bonds as it is to get a post-office money order.

It is not necessary to pay cash in full for a bond. One can pay down 2 per cent. of the purchase price on application—that is, $1 for a $50 bond, $2 for a $100 bond, eac.—18 per cent. on July 25, 1917; 20 per cent. July 300, 1917; 30 per cent. August 15, 1917; and the balance, 30 per cent., August 30, 1917.
