A PROGRESSIVE FAMILY NEWSPAPER, FOR ALLEGANY COUNTY PEOPLE. IN POLITICS INDEPENDENT, BUT NEVER NEUTRAL.

VOL. XXXII. NO. 18. FOR WEEK ENDING MAY 3, 1918. TERMS $1.50 PER YEAR Five Cents per copy

THE SITUATION HAS BEEN SETTLED

Farmers Accept May and June Prices. League Has Option on Borden Farm Products Plants. Future Outlook Now Good.

Again trouble between dealers and the Dairymen's League threatened by the serious market situation has been averted without a strike. Not only is the trouble settled, but it looks now as if it would stay settled for a time to come.

The price of $2.46 for May milk the producers and the reduction one cent a quart to the consumer have been accepted by all large dealers and nearly all the smaller ones. This agreement was reached on a condition that the Federal Milk Commission would immediately meet and fix the June price so that dealers could know what to expect and plan accordingly. The Commission probably will meet and fix the June price at $1.80 for milk at 150 miles.

A few small manufacturing dealers have not yet agreed to pay the May price claiming that there is no market for their product and payment of the price means financial ruin.

As a part of the settlement of the present trouble an agreement was made with the Bordens Farm Products Company whereby a 60 days' option was secured by the League to purchase all of the company's plants. If this option is finally made it will mean the most important far-reaching step of co-operative action ever attempted by farmers. The Borden Farm Products Company is the largest distributor of fluid milk in New York, which probably means if the deal is finally consummated, that the League will eventually obtain control of other companies and the entire distributing business.

The obtaining of the option to purchase was brought about by the present very serious market condition and the troublesome question of supplies. By the agreement reached with the Bordens Farm Products Company, this company will buy its entire supply of milk from the League. The details of this special agreement with the Bordens have not yet been determined, but will be published next week. One of the immediate effects of the agreement will be that Borden's will keep open and pay the prices to League members for May and June.

While the June price of $1.80 is not yet fixed, it is taken in connection with the very fair price and also with the fact that the market situation is very bad and that hundreds of plants would have closed if some agreement had not been reached, the farmers have climbed out of a bad situation.

ODD FELLOWS' ANNIVERSARY SERVICE

Last Sunday evening the local lodge of Odd Fellows, accompanied by a large number of Rebekahs, attended service at the Baptist Church, in commemoration of the 99th anniversary of the founding of the order.

The exercises consisted of selections by a ladies' quartette composed of Miss Minnie Clair, Mrs. J. C. Lever (Mrs. Archie Clair) and Mrs. Wm. Bines. Their selections were well received. There were also special selections by the choir.

A very pleasing feature of the program was a pantomime on the Liberty Loan by members of the Sabbath School. This was followed by an address appropriate to the occasion by Rev. H. N. Longenecker.

The whole service was good from beginning to end, and was very appreciated by the good sized audience present Sunday evening.

DANIEL LEE LANGWORTHY

Daniel Lee Langworthy was born March 24, 1852, and died after a brief illness, at his home in Lanphear Valley, April 24, 1918. He was the son of Daniel Franklin and Annis Z. Lanphear Langworthy, and his entire life had been lived on the homestead where he was born and died. He studied in Alfred University for a time, matriculating in 1873, but returned to the farm before completing his course.

November 8, 1876, he was united in holy wedlock with Miss Agnes E. Burdick. To them were born six children, Lavern D. of Westerly, R. I., Frank A. of Plainfield, N. J., Egbert R. of Newport, R. I., Mrs. Harry Dawson of Newport, R. I., Edson C. of Andover, and Lynn L., who resided with his father on the old homestead. Besides the wife and children he is survived by one brother Edwin Langworthy, of Buffalo, and one sister, Miss Martha B. Langworthy, of Newport, R. I.

When nineteen years of age he was baptized by Rev. L. R. Swinney and united with the Second Seventh-day Baptist Church, of Alfred. When the Seventh-day Baptist Church of Andover was organized the following fall, he became a consituent member of that church, and has since been one of its chief supporters. In 1886, he was ordained deacon by the church, an office he held till his death. But his services were not confined to the church proper for more than twenty years he was superintendent of its Sabbath School.

At the time of his death he was president of the Allegany Mutual Telephone Company and a director in the Burrows National Bank of Andover. Others often sought him to transact business for them and all such trusts he held sacred and all duties connected therewith he faithfully performed. He was a quiet man, given to few words, never putting himself ahead or desiring to be put forward, humble in all things, living on a plane far above the world in which he lived and of which he was a part, dealing out bountifully to his fellows of both time and money, but not letting his left hand know what his right hand did. The high esteem in which he was held was attested by the large concourse of people from Independence, Andover, Alfred and other communities who attended his farewell service. In his death a loving husband, a kind and generous father and a real neighbor and friends has been called home.

Funeral services, conducted by Pastor William L. Burdick, assisted by Pastor Ira S. Goff, were held in the church at Alfred Station, the afternoon of the 27th inst., and interment took place in Alfred Rural Cemetery.

RESOLUTIONS OF RESPECT

At a meeting of the Board of Directors of the Burrows National Bank held Monday last, the following resolutions were adopted:

It is with great sorrow that the Board of Directors of the Bank record the death on the morning of April 24th, 1918, of Daniel L. Langworthy, an active and faithful member of this Board, since the organization of the Bank.

Mr. Langworthy was a useful citizen, unfaltering in his convictions, possessing exceptional traits of character and intensely loyal in his friendship.

Strictly honest in all his dealings, he shared in a larger extent than enjoyed by most men, the confidence of the people in this community where he lived his whole life of 66 years.

In his death the bank loses one of its most loyal supporters and a conscientious able director whose services and counsel were always at its command, and highly appreciated and the members of the Board sustain the loss of a genuine friend.

Resolved, That we extend to the members of the family our deepest sympathy, in their great bereavement, and be it further

Resolved, That these resolutions be inserted in the minutes of the Board of Directors, and that a copy be sent to the family of the deceased.

IN MEMORIAM

Our Grange, desiring to give expression to the loss we have sustained in the death of our much esteemed and loved Brother Daniel Langworthy,

Remembering that "we must needs die and are as water spilt on the ground which cannot be gathered up again," and that the high and the low, the rich and the poor all meet on this common level, all must submit to the dominion of death. Mr. Langworthy was a charter member of Andover Grange No. 1098, and was one of the pioneers in Grange work. He was truly a helpful and earnest worker for the good of the order; all appreciate his loyalty and devotion to the cause of agriculture. Only two sessions before his death he, with his wife, attended the Grange meeting, and the genial hand-shake he gave us at that time will be something we will long remember; we little thought then we would be called so soon to pay tribute to his memory. He was a man with a large heart, also a fine character, always solicitous for the good of the Grange and betterment of the conditions of all with whom he came in contact. Our hearts go out in sympathy to the lonely widow and family in this sad hour of bereavement, therefore be it

Resolved, that this memoriam be printed in the Andover News and a copy be spread upon the records of the Grange to be kept as a loving tribute to his memory, also a copy be given the bereaved family, and the charter also be draped for thirty days.

Committee:
CHAS. ROBINSON,
IDA BREWSTER,
FRANK MEAD.

Andover Goes "Over the Top"

Exceeds Her Quota of $45,400 and Other Subscriptions Still Coming—Excellent Work of Campaign Committe Brings Results—We Are Entitled to Honor Flag.

The Third Liberty Loan clock in Baker Bros.' Hardware window struck the hour of victory Thursday morning, May 2nd—two days ahead of schedule,—when the figures showed a grand total of subscriptions amounting to $46,000.00, six hundred dollars over Andover's quota of $45,400.00 had been raised by patriotic Andover people.

Andover is now entitled to receive and display a Third Liberty Loan Honor Flag, and when it arrives every citizen will be justly proud, as he gazes upon it, of the part he or she has played in making it possible.

Much credit for the success of this loan is due to the efficient work of Chairman A. R. Baker, which was most ably seconded by the work of the Womans Liberty Loan Committee, headed by Mrs. Margaret Bettinger. The women have at least raised a full one-half of the entire amount.

Last Friday, April 26th, Liberty Loan Day, six canvassing teams covered the town of Andover, soliciting subscriptions for the loan. In each and every instance they reported back that they were received courteously by all the people and many bonds were sold It cannot longer be said that Andover is asleep. She has awakened with a bang!

The News congratulates our people upon their victory in sending Andover dollars into Old Bill Kaiser's hide, and it is our only wish that each dollar be charged with a million electric volts that will make the old pup and his cravenly, cowardly subjects, open their eyes to the true feeling of utter contempt the American people have for their inhuman, uncivilized atrocities.
