As usual we will endeavor to make our store interesting for those who visit our Fair. While we will not go into detail on account of laxity of space, we will just mention a few things which are of interest to most every one

A Showing of Early Fall Clothing for Men, Young Men and Boys

These goods were contracted for some time ago and to our happy surprise were received by us a few days ago, which means a saving of at least 25%, being the difference of this early buying and ones which were contracted for later. Our advise to you is to buy your Fall and Winter wants early, whether you buy of us or elsewhere.

NEW FALL HATS
At $3.50, $4 and $5

NEW FALL CAPS

A revelation to your eyes—different altogether from ordinary ones, at $2.00, $2.50 and $3.00.

NEW SHIRTS $1.13

Slight weave imperfection, hence the price $1.13. The imperfections are hard to locate and won't hurt the wear or looks a particle. These shirts under ordinary conditions would retail at $2 and $2.50, but the manufacturer is scrupulous about every detail of finish and closed out the entire line to us so that we can offer them to you at $1.13. Sizes from 13½ to 17.

82 dozen comprises the entire lot. Get as many as you want and don't be surprised if not a one is left before fair week is over.

IN LOVING MEMORY OF MRS. GRACE DUNNING

A dear loved one from
us has gone,
She has answered the Roll
Call Home.
Where Angels sing the
whole day long
And the dear ones of long
ago roam
She loved and worked for
the Master,
So her work on earth
is o'er
And Oh how dearly we
loved her
But the Master loved her
more
You are gone, but will ne'er
be forgotten
No matter where e'er
we roam
So rest on, dear one, in
slumber
You have answered the
Roll Call Home.

Give Me a Friendly, Natural Hand-shake

an' a friendly natural tobacco. Keep yo' put-on airs an' "sauced-up" tobaccos for the fellow that likes nut sundaes better than home made pie—

So says a friend of ours named Velvet Joe. And he just about hits the nail on the head.

Velvet is made for men who think there's no smoke like real tobacco. If you are that sort of man, listen:

Velvet was born in old Kentucky, where more than one good thing comes from. It was raised as carefully as any other Kentucky thoroughbred. But the real secret of Velvet's friendly qualities is its slow natural ageing in wooden hogsheads. Ageing in the wood never hurt anything—and least of all, tobacco.

And so we say; Velvet is *good* tobacco—nothing more or less. It runs second to none.

The picture of the pipe on the tin needn't keep you from rolling a jim-dandy cigarette with Velvet.

The weather shows signs of clearing up. Now let the Senate do likewise.

John E. Schanck and family Clifford Schanck and family and Mr. and Mrs. Ray Van Fleet of Jasper stopped in town this morning while on a motor trip to Chautauqua Lake.

It seems strange that our Senate should array itself against the work of the Allied nations who fought the war for the safety of mankind.

The twentyseven nations comprising the League in order to reach a verdict that all could accept had each to yield in some points to the opinions of the other nations represented and now after months of deliberation and after an agreement has been reached and ratified by other nations who are our Allies and who are as much interested in the worlds peace as we are, it is passing strange that our Senate should try to undo their work and we quize the nations try again to please a political party leader here.

It appears to be pretty trifling with the good intentions yearnings of the world's great congress.

Henry Cabot Lodge was at one time an advocate of a stronger league with powers provided for the carrying out of its principles as set forth in articles ten of the league.

The Filibustering Senators act as though they thought the President had stolen their thunder.

If nothing interferes with present intentions the N.Y. & Pa. will reopen for business in the near future.
