...ERS FROM OUR SOLDIER BOYS

...e Levi S. Dodge Sends Interesting Letter to Home Folks ...scribes Visit to Philadelphia ...y Liberty Bell Will Ring.

Mother and all:

...ll write a few lines to let ...now I am still at Dix and ...g fine.

...me of the men who came ...ne were assigned to Co. B., ...egiment, but I was among the ...ky. I am to be transferred, ...t know where yet, and don't ...e only I would like to see ...e once more before I have to ...Dix.

...ll try to tell about my trip ...o Philadelphia yesterday.

...e had to get out early in the ...ning and do the little jobs ...shaving, cleaning shoes, rif... and such like. We took the ...n at Whightstown at nine ...ock. There were eight of us ...ink.

We arrived there at about ...0 and the Red Cross gave ...s man a dinner and a packed ...of cigarettes; then the band ...ved and each company sang a ...g and gave the Red Cross three ...ers.

Then we marched up North ...d South Main Street to Broad ...reet. On Broad Street we had ...e orders to right and left ...uiquely so that one-half of the ...rade would be on each side of ...e old Liberty Bell of '76, and ...y, I felt as tho I wanted to go ...ght across and help make that ...d bell ring again. Don't think ...e can't make it ring again for ...e can and it won't be a great ...hile either, and when it does ...ng again it will ring louder ...an ever.

Then we marched up to Market ...Street to the ferry. I can't tell ...about the ferry on paper, but will ...the first time I get home. It will ...make you all laugh may be and ...may be it won't. Anyway I could ...not laugh for just a few minutes.

There was the return trip. We ...had a good supper waiting for ...us soup, all we could eat, dried ...peaches, a good large spoonful, ...and bread and coffee, and then I ...was ready for bed and nowhere ...else.

To-day I have gleaned my rifle, ...gone to church and did my family ...washing; can't get my wife to do ...it for me.

There is no Baptist Church here ...so I went to an Episcopal Church ...this morning. I guess I will ...have to go to the M. E. Church ...and to the Y. M. C. A.

The camp is full of company ...to-day. The Allegany boys had ...for guests J. J. Rowe, of Canaseraga, and I was glad to see him. ...He said he liked our fare very ...much and was glad to see us all ...once more.

For dinner to-day we had roast ...beef, mashed potatoes, brown ...gravy, bread, ice cream and cookies; some swell meal. It was ...good enough for the President or ...anybody else.

The worst of army life is I ...won't get any pay until the 10th ...of June. I don't know whether I ...can get along until then or not. ...Will let you know if I can't.

There are two rumors about. ...One is that some of us boys who ...are not assigned yet go to Camp ...Oglethorp, Ga., and the other is ...that some of us go to the F. A. ...here in Dix.

Ernest Green came over and ...bid us good bye last night. He ...started for Camp Oglethorp, Ga., ...this morning.

Must close, hoping to hear ...from you soon.

Your loving son,
LEVI.

P. S.—Always the best part of the letter is in the postscript column. Have you sent my towels yet? If I had known it I could get my smoke here cheaper than in Andover, but did not know it until this morning, but as long as pay day is so far away I will have to send again.

I saw owls yesterday that looked nearly large enough to head out, and the blossoms are falling from the fruit trees. It is also so good to see green fields once more, but the fences here are not much improvement over York State for most of them are about all rail fences.

Oscar Gustafson and Lawrence Tranbury are assigned to Company B.

HELPER IN NAVY

Archie L. Bloss went to Buffalo Monday, and enlisted in the Navy. He was accepted and is home waiting a call to go into training. He was told that he would have a month in a training camp and three months in a training school before being put on board a boat.

It may be several weeks before they send for him.

—WSS—

NOW READY TO FURNISH ELECTRICITY

In Order to Get the People to Use Electricity the Village Will, For a Short Time, Do Electric Wiring at Cost.

In another column of this issue will be found the advertisement of the Water and Light Department of the Village of Andover, urging you to wire your house, store and office for electricity, and offering to do the work at absolute cost to them.

The condition in Andover is a novel one. We have now a splendid electric equipment for Andover people, none better anywhere, and Andover people will have to pay for it. If they choose to do so they can pay for it in taxes, but if they are wise they will have the benefit of the electricity in the homes and business places and not have to pay for it in taxes. The electric plant is here, installed, ready for service and we are under contract to pay for it. If we all use the electricity for our comfort and convenience, it will not be more expensive than other lights, for the more we use the less it costs per 1000 watts.

The convenience in the home of electricity is wonderful. You can do your housecleaning, your washing, cooking, ironing and many other things with electricity easier than the old way.

The village has made it possible for all to use their electric energy now, by making arrangements to do the wiring at absolute cost to them.

See Mr. Benjamin Love, superintendent of the Water and Light Department, and he will give you full particulars.

—WSS—

MRS. JULIA CARPENTER

Mrs. Julia A. Carpenter died Tuesday evening, May 7th, at the home of her son, Edgar Carpenter of pneumonia, aged 76 years.

Mrs. Carpenter was the widow of the late Elisha R. Carpenter, who died about seven years ago. She was born in this town, May 12, 1842, and had always lived here.

Three children survive, Edgar A. Carpenter and Mrs. B. B. Hann, of this village, and Mrs. Millie Skashill, of Olean.

Mrs. Carpenter was a member of the Andover Methodist Episcopal Church. Funeral services will be conducted at the home of her son, in this village, this afternoon, at 2:30, Rev. Chas. Collins, pastor of the church, officiating.

Interment will be in Hillside Cemetery beside her husband.

—WSS—

BROKE ARM

A. R. Brillon suffered a severe fracture of his right wrist Wednesday of last week, while cranking his Henry Ford. Dr. Grenolds was called and reduced the fracture. Tuesday, Mr. Brillon and Dr. Grenolds went to Hornell and applied the X-rays and found that the bones had been set nicely and his arm will come out all right.

MORE ALLEGANY MEN GO TO WAR

Call For Another Quarter of a Million Men Expected Soon. Will Entrain About May 25. Double Last Quota.

According to late orders another draft contingent will entrain from Belmont on May 25th or within five days thereafter and there will probably be not less than 60 men in the party. The call has gone out for 233,742 men this month and of that number New York State is called upon to furnish 32,330.

The call for a quarter of a million men during May goes to all states except California, Oregon and Nevada, which, with the District of Columbia, already have supplied so large a part of their quotas that it was decided not to include them this time. The movement in most states will begin May 25 and will be completed in five days. By this order the War Department abandons its plan of assembling men in even monthly increments of approximately 100,000. Under the original program it was intended to call out not to exceed 860,000 additional men during 1918. The call for 150,000 in April and 233,742 this month will bring out in two months half the number originally contemplated for the year. Officials made it clear that it is now the purpose to mobilize all the men for whom equipment and training facilities can be provided.

The May draft allotments were made on the population basis heretofore used, but subsequent distribution of quotas will be much altered when the number of men furnished by any state is computed from the number available it has in class 1.

They will be assigned as follows: Six thousand and eight hundred to Camp Dix, N. J.; 6,350 to Camp Hancock, Ga.; 7,600 to Camp Upton, N. Y.; 9,700 to Camp Wadsworth, S. C., and 1,380 to Camp Sevier, S. C.

The men called out this month will be mobilized generally at the cantonments to which men from the same states have previously been sent. In many cases they will find the divisions originally created at these camps gone. Some of the camps will have been converted into replacement divisions, and the new men will be redistributed in accordance with their qualifications after being inspected, rendered immune as possible from disease and furnished with the initial equipment.

Under the increased army plan a great number of new divisions may be created. With authority now asked for unlimited power to create fighting units, some of the men of the new draft may be assigned to these new organizations.

It is regarded as likely, however, that the April and May drafts will be used largely to fill up divisions at home, while the seasoned personnel from those divisions is sent overseas to fill the gaps. Since the number of divisions on the other side is rapidly and steadily increasing, the flow of replacement troops must increase proportionately.

—WSS—

RED CROSS

For the two weeks ending May 2, 1918 the Red Cross hospital supplies made: twelve pairs pajama pants, thirty-three T. bandages, twelve dust cloths and six pairs operating leggings.

COUNTY CONVENTION OF SUFFRAGE PARTY

The Spring Convention Will Be Held at Christian Temple, Wellsville, Friday, May 24th. Outline of Program Arranged.

A call for the annual spring convention of the Allegany County Suffrage Party has been issued by executive committee of the Allegany County Suffrage Party.

The convention, which will be held on Friday, May 24th, in the Christian Temple, at Wellsville, N. Y., will be in the nature of a civic and patriotic rally.

At the annual convention which immediately followed the great victory of Nov. 6, 1917, the New York State Woman Suffrage Party pledged itself to the work of the preparation of the women of the state for intelligent citizenship. Its hundreds of schools up-state and in New York City have been widely reported in the press.

In addition to this undeniably patriotic service the contributions of the State Suffrage Party as a clearing house for all kinds of patriotic activities are known from one end of the state to the other.

Women, who have had their training in the splendid and efficient organization of the New York State Woman Suffrage Party are leading in the campaigns for the Third Liberty Loan, for War Savings Stamps, for the Women's Land Army, and indeed for every conceivable kind of patriotic endeavor.

With such a wide range of interests the Womans Suffrage Party of Allegany County makes an appeal to all who have local, state and national welfare in mind.

The general program will consist of reports from local officers, an address by the Congressional District Chairman and election of officers. At the public session we shall have reports by the local chairman of Standing Committees followed by discussion. This will give an insight into the remarkable work which the party is doing under its Educational, Amenization, Intelligence, Labor, Legislative, Rural Problems and War Service Committees.

The strictly non-partisan attitude of the New York State Woman Suffrage Party as an organization was reaffirmed at a meeting of the Executive Board, held at New York, March 19, '18. The resolution was as follows: "That the Board reaffirm the attitude which it took at the State Convention that while as an organization it remains non-partisan, its members have entire liberty of action to enroll in the party of their choice."

—WSS—

COUNTY O. E. S.

The O. E. S. convention for 32nd district was held at Cuba last Friday. At the afternoon session Mrs. Geo. Beebe represented the first point of the star and Anna W. McArthur Chapter was justly proud of her work, a delegation of ten going from here. In the evening the program was made up from the different chapters. Mrs. H. B. Williams played a piano solo and responded very beautifully to an encore. Mrs. V. Slocum gave a recitation and from applaus of duration gave an original poem

Bolivar presented the floral work which was very good.

A grand good time was enjoyed by over three hundred present.—V. S.

—WSS—

CHAUTAUQUA CLUB

The Chautauqua Club will meet with Miss Hollenbeck, Monday evening, May 13th.

The following program is planned:

Reading—"Notes on Alcohol and Tobacco," Mrs. Pease.

Review—"Pilgrim's Progress," Miss Hollenbeck.

Roll Call—Money Saving Devices.

E. O. CRANDALL DEAD

Just as the News goes to press Thursday afternoon word comes to Andover of the death of S. O. Crandall, at the Wellville Sanitarium.

It seems he was eating his dinner when he suffered a shock and passed away immediately.

—WSS—

E. O. WESTCOTT WAS KILLED BY HORSE

With Tie Rope Fastened to His Left Wrist, Horse Becomes Frightened and Drags Life Out of Him Over Rough Lot.

An accident that resulted in the death of E. O. Wescott, a farmer living about two miles northeast of Andover, occurred Tuesday afternoon, when he was dragged by a frightened horse over a field, tearing off an ear, dislocating his neck, smashing in the side of his face and mangling one of his shoulders.

Mrs. Dell Clair saw the accident from their residence across the road and called Wm. Pardon who rushed to Mr. Wescott's assistance.

It seems that Mr. Wescott had been fixing fence, and, after completing his work, went and caught the horse and was leading her to the barn. He evidently tied the tie rope around his wrist and then undertook to lead the horse and carry his arms full of tools at the same time. The animal became frightened and ran dragging Mr. Wescott over the rough ground.

Mr. Wescott was about 66 years of age and had lived all his life in Andover. He leaves two daughters, Mrs. Fay Stephens, of Alliance, Neb., and Mrs. French, who also resides in Nebraska.

Neighbors pushed to his assistance and did everything possible for him, but he died about noon Wednesday without fully regaining consciousness.

The body is at Undertaker Brown's parlors. Funeral arrangements can not be made until his children arrive. They started from Nebraska Wednesday at midnight.

—SSA—

SCHOOL FESTIVAL AND FIELD DAYS

The Physical Training Department of the Fifth Supervisory District, under the direction of Director W. L. Greene and Assistants Marie LaLone and Florence Baker, will conduct three May festivals and Field Days for the public schools of the district. The first will be held at Andover Monday, May 20; the second at Whitesville, Wednesday, May 22; the third at Phillips Creek in the Town of Ward, Friday, May 24. Basket picnic dinner, addresses of education, mass drills and games athletic events, and ball games will occupy the afternoon of these dates. The general public as well as the schools are invited to attend these meets.

W. L. GREENE

POTATO GROWERS WIN SORTER FIGHT

The Old Method of Sorting Potatoes Will Be Resumed Says the Bureau of Markets in Letter to R. Q. Smith.

R. Q. Smith, Farm Bureau Agent for Allegany County, has received the following letter from the Bureau of Markets, assuring Andover potato growers that the old system of grading potatoes has been voted changed. This will be gratifying to the Andover producers.

The letter follows:

United States Department of Agriculture,
Bureau of Markets,
Washington, D. C.
May 2, 1918.

Mr. Ralph Q. Smith
County Agricultural Agent,
Belmont, New York.

Dear Sir:

Your letter of April 24th, regarding the potato grades and the use of sizing machines having a mesh larger than 1⅞ in. in diameter, has been received. You are safe in assuring your growers that 1⅞ in. will be the minimum size for the No. 1. grade. Mr. Miller of the Food Administration has, or will send out letters at once to the shippers in New York State regarding this matter. The Food Administration has hesitated to put out a hard and fast rule effective at once, stating that no potatoes larger than 1⅞ in. and of No. 1. quality should be placed in the No. 2. grade, because they realize that it would be impossible for shippers to change their machines at once. This change in the operation of the grades has been definitely decided upon and promised to Michigan growers so that there should be no hesitancy on the part of your New York growers in planting their usual acreage this year.

I trust that this explanation covers your inquiry fully. We shall be glad to mail you a copy of the announcement regarding this change as soon as it is prepared.

Very truly yours,
(Signed) C. F. MORE,
Specialist in Market Grades and Standards.

Mr. Smith requests us to give all the publicity possible to this. We join in hopes that this will be one of several means of increasing our acreage this year, at least to normal area. We have found here that the grading system used the past season, namely the 1 15-16 inch mesh for Grade No. 1. has caused our potato growers to decrease their acreage."

Very truly yours,
RALPH Q. SMITH,
County Agricultural Agent.

—WSS—
