NEW SPRING CLOTHES

That carry respectful attention and command certain consideration. The man or young man who wears "Our Clothes" are safeguarded with every attribute that makes for better service—better wear, better value. The style must be right—the fabric tried and tested and the finished product will suit your personality and satisfy your purse.

The newest "Young Men" waist-seam models are now all the rage. The Stein-Bloch Singleton Waist Seam and the Griffon Oxemin Waist Seam Coats is proving the "hit" of the season—it appeals to the young man on sight. Fabrics, plain colors and fancy mixtures, beginning at $30 up to $50.

GREENWOOD LOCAL BRIEFS

Bolshevism is rapidly spreading in Europe owing in a large measure to the political unrest of the people. Starvation is menacing thousands and seems to be driving them to desperation.

It is generally conceded that the delay in framing the Constitution of the League of Nations aggrivated the situation and this seems to be instigated by political party motives.

It would seem that a covenant requiring the covenanters to adopt all proper methods tending to preserve peace before resorting to war would insure the permanent peace of the world and that such a covenant would tend to secure all American nations from the aggressions of foreign nations who should become members of the league and thereby strengthen the Monroe doctrine.

Those who are shouting so vigorously that the Monroe doctrine is menaced by the proposed league are themselves trying to prevent a union for its defense.

The strikers are attempting to and have nearly succeeded in doing away with the law of supply and demand which governs the market value of commodities including labor itself, by trying to establish market value by edicts.

Such efforts naturally tend to disarrange business and in many cases to stop production and supply and demand. Many men labor. Hands off and prices will adjuste themselves according t are out of work and many kind of business are idle because investors are afraid to invest owing to the labor unrest.

The great parade of the 27th Division in New York was an ovation long to be remembered by those who saw it as well as by the boys who received such an enthusiastic welcome. Several went from Hornell to welcome Company K, of) whose record they are justly proud.

Mrs Jessie Plaisted, wife of E. W. Plaisted died at St. James Mercy Hospital, in Hornell Tuesday, after a long illness during which she had been a patient sufferer until relieved by death. She was taken to St. James Thursday where she underwent an operation, and for a while seemed to be improving until Tuesday when she began to rapidly decline. Mrs. Plaisted was highly respected for she stood up for all that was good in the community where she had lived so long. She was a consistent Christian, a devoted wife and mother, and a kind neighbor and will be missed by all. She leaves to mourn her loss two children, Olly and Miss Marjorie of this place; three sisters and one brother, beside many friends.

The funeral will be held at her late residence Friday at 2 p. m. and the burial at Greenwood Cemetery.

Rev George W. Roblee, of Providence, R. I. and Rev. James E. Bishop, of Olean, are holding a series of meetings at the L. D. S. Church.

Wm. Crittenden, of Oswayo, was in Greenwood Friday in the interest of the N. Y. & Pa. Ry. He is confident that the people along the line will wake up and save it as it means so much for the people along the line.

Mrs Thomas McCaffrey, of West Union, was in our city Thursday.

Will Slocum, of Jasper, was greeting Greenwood friends Thursday.

Mrs. Charles French, of Hornell, is the guest of her father Alfred Bess.

Mrs Calista Patchen, of Hornell, is the guest of her sister, Mrs. R. P. Stephens.

Miss Lulu Prentice returned Tuesday from Canisteo where she has been visiting relatives.

John Murray, of West Greenwood, was in town Thursday on business.

George Caffrey, of West Hill, was in the city Monday.

Jas. A. McCormick was in Greenwood Thursday on business.

Mr. and Mrs. John Driscoll, of Rough-and-Ready, were city visitors Tuesday.

George Case, of Jasper, was on our streets Thursday.

James Brownell was a caller in town Wednesday.

Frank Stanley, of East Greenwood, was a business caller in town Wednesday.

Dever Stephens, of Norton Hollow, was in our city Wednesday.

Orrico Quick, of Jasper, was in town Wednesday.

Thomas Conlon was a Greenwood visitor Wednesday.

Abia Thompson, of Coby Creek, is in this city on business.

Frank Krusen, of Jasper, was a Friday visitor in Greenwood.

H. A. York, of Hotel York in Hornell, was in our city Friday. Mr. York feels deeply interested in the purchase of the N. Y. & Pa. railroad.

Frank Turner, of East Hill, was a city visitor Saturday.

Miss Agnes Fisher and Mrs. Wm. McCaragher were in this city Tuesday.

Rev. James French, of Berryville, Pa., was in Greenwood visiting former neighbors Monday and Tuesday.

Miss Julia Cornell, of Maple Grove, formerly of this place, is visiting in town.

Mrs. Clara Dennis was in Canisteo Saturday.

Mrs. John Kernan has moved into the Bradshaw Warriner house on the hill.

Miss Jessamine Wheeler has resigned as teacher in our school and Miss Sabra Coston is now teaching in her place.

Quite an amount of maple sugar has been made during the past week.

ACT QUICKLY

Do the right thing at the right time.

Act quickly in time of danger.

In time of kidney danger Doan's Kidney Pills are most effective.

Plenty of Andover evidence of their worth.

Mrs F. J. Witter, Third St., Andover, says: "Last winter I suffered from backache and other symptoms of kidney complaint. At times I could hardly get up or down and couldn't turn over in bed, because a sharp pain took me right in the small of my back. I had headaches and dizzy spells and felt tired and could hardly get around. I heard about Doan's Kidney Pills and got a box at the Brundage Drug Co. They cured me of the attack and I never felt better in my life."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills — the same that Mrs. Witter had. Foster-Milburn Co., Mfgrs., Buffalo N. Y.

The 800 patrolmen in the state highway department, all Republicans, have recently been reappointed by Highway Commissioner Edwin Duffey, it was announced in Albany.

Orleans county cold storages are being used by the big meat packing concerns of the United States for storage of meats. It is the first year these large plants, erected for storage of fruit, have been used by the meat packing companies.

That the Prohibition party should continue its political activities to gain election of candidates pledged to prohibition was the sentiment of a formal resolution of the executive committee of the New York State Prohibition committee adopted in Utica.

A literacy test amendment to the state constitution was introduced in the assembly by George R. Fearon of Onondaga. The measure is designed to provide that no person shall be entitled to vote unless able, except for physical disability to read and write English.

A new bureau in the state labor department to administer laws affecting women in industry would be created under the terms of the Fearon bill, which passed the assembly. The measure would appropriate $2,500 for the salary of a chief and $7,500 for five investigators.

Erie county led in the amount of January sales of War Savings stamps in Western New York, according to a report just issued by local headquarters. The county has to its credit the amount of $79,449.70, while Monroe county came in second with a sale of $53,718.25.

Extensive layoffs among railroad men are reported in Salamanca and vicinity, and shorter hours are the program in some departments. On the Allegany division of the Erie railroad there have been 19 firemen laid off and engineers have been set back in order of their seniority to fill the places of the men temporarily out of employment.

Before Referee King in Troy the bankruptcy case of ex-Governor John A. Dix and the Moose River Lumber company were virtually concluded. The sale of the bankrupt's real estate in Glens Falls was confirmed and it was announced that claims of Mrs. Dix against her husband and the company had been settled. The liabilities of Mr. Dix and the company had been placed at $700,000.

No person conducting business of any kind would be allowed to affix, attach or exhibit on the exterior of the premises used by him, any sign, placard, notice or advertisement unless it was in the English language, under the terms of a bill introduced in the legislature by Albert Link of Kings. Signs, notices of advertisements used by any state or other public authority would be excepted.

Army, navy or marine corps veterans and men, who have served in the naval reserve or state national guard for an aggregate of five years, would be exempt from jury service under the provisions of a bill introduced in the assembly by Thomas F. Curley, Democrat, of Richmond. The present exemption is limited to those discharged from military forces of the state after seven years of service.

A bill designed to provide that officers of a colored infantry regiment of the state shall be selected from the colored membership of the regiment, was introduced in the assembly by Martin J. Healey, Democrat of New York. Any member of a colored regiment who had served actually abroad during the world war would be eligible notwithstanding the length of time he had spent in service.

At the farm bureau meeting in the Grange hall at Fredonia it was figured out by L. H. Voge of the state agricultural college at Ithaca that the average cost of growing, harvesting and hauling a ton of tomatoes in that belt is $15.40. This figure was based on an average yield of 6½ tons to the acre. At that rate the growers have been growing tomatoes at a loss in many instances and at a very small profit in others for years past.

The open weather during the present season has tempted the farmers and fruit growers of Orleans county to anticipate spring and many are casting about for workers. It is believed that when the active work begins the farmers will need even more than what is termed experienced labor and that the returned soldier, whether experienced or not, will easily find farm work because of his outdoor training and easy adaptability to hard field work.

Assemblyman Miller of Erie county has introduced a bill amending the liquor tax law relative to sale, delivery and possession of liquors under local option vote by providing that the provisions of this sub-division shall not be deemed to prohibit in any town or city the possession by a duly licensed pharmacist or by a manufacturing pharmacist of either alcohol or wine to be used as a preservative or solvent in the manufacture and compounding of drugs and medicines.

Chorus girls are better behaved than manicurists. This fact is established beyond doubt by the annual report on criminology which Secretary of State Hugo transmitted to the legislature. Only two chorus girls fell from grace in this state last year as compared with three who make their living by the buffer and scissors. Sixteen stenographers so misbehaved last year as to be caught in the toils of justice. First honors come to editors, cheese makers, undertakers, leather workers, piano movers, waitresses and law clerks, for only one of each were arrested.

Moderate Prices Rule in Women's New Coats and Suits

Quite often we are told by diligent customers that ours is the most interesting stock of Coats they have seen this season. "Your Moderate Priced Coats and Suits are simply wonderful. They show more and better styles than we have seen anywhere."

For instance, here are Suits, priced at only $24.89, in all-wool poplins and serges in all the favored spring colors, made up in a wide variety of most attractive new styles. Many of them are full satin lined and are, in fact, the equal of most Suits for which you are accustomed to pay $35.00. If you want something higher priced we have them, too.

Then in our Coat department you will find an exquisite assortment of COATS, DOLMANS and CAPES, priced from $15.00 to $60.00. In Dolmans alone you will find over fifty distinctive styles from which to make your selection.

As for the prices—you will simply be astonished at their moderateness, especially if you compare them carefully with those elsewhere. We could not sell so cheaply were it not for our strictly CASH policy.

SOCONY TRACTOR OIL

Keep Your Tractor Investment at Par

Only correct lubrication can keep your tractor engine as good as new—free from destructive wear—full-powered for every purpose. It needs an oil that retains its lubricating qualities at the high operating heat of tractor engines.

SoCOny Gas Engine Tractor Oil is the oil recommended by leading farm tractor manufacturers.

Keeps pistons, cylinders, valve mechanism and bearings continuously cushioned with a wear-preventing film of pure lubricant. Enables the crankshaft to receive and transmit the power from the flying pistons with the minimum of friction, jar, vibration and strain. Maintains full compression and gets from the fuel every usable ounce of power. Means small bills for repairs.

Polarine Gear Oil
Polarine Transmission Cup Grease

For satisfactory engine service and economy of operation, buy all your oils, greases and fuel under the SoCOny sign.

SOUTH HILL

Mar. 26.—"The north wind did blow" during the equinoxial period, so we are told it will be the prevailing wind for some months.

John Casey was the guest of his mother over Sunday.

William Dean was a Wellsville visitor last Thursday.

Miss Nora McAndrew attended Teachers Conference in Andover last Friday and spent the week-end guest of Mrs. Will Pingrey, of Pingrey Hill.

Contractor Griswold has started the drill on the Perkins farm.

Corp. Will Krowl returned to the hill Tuesday from Quantico, Va., the possesser of an honorable discharge from the U. S. service.

M. Depew, one of the first called from Andover, has returned from active service overseas to take up his work again as driller for Contractor Griswold.

The fine weather of a few days will end the sugar season and start the spring activities with our farmers.

Mrs. Ella Casey visited friends in Wellsville one day last week.

INDEPENDENCE

Mar. 24. — Miss Eloise Clarke is home from Alfred for the Easter vacation.

Mrs. M. A. Bassett was in Alfred Saturday.

Mrs. E. R. Crandall had an operation at the Bethesda Hospital in Hornell, Saturday. She is doing nicely at this writing.

School was closed Friday for the teachers to attend a teachers meeting at Andover.

Miss Zerita and Cleon Clarke visited in Wellsville the last of the week.

Mr. and Mrs. C. C. Green are on the hill again.

Kenneth Grossman took first prize on potatoes at the potato show at Whitesville Thursday.

EAST VALLEY

Mar 25. — Spring has arrived at last.

And, this is a perfect day.

Miss Mary Welch, of Eupor ium, Pa., was the week-end gues at the home of Mr. and Mrs Wm. Pardon and family.

Mr. and Mrs. Will Green went to Alfred Station Sunday to visi his parents and sister, Mr. and Mrs. Geo. Green and Mr. and Mrs. Geo. Grimsby.

Mr. and Mrs. Lou Snyder and children spent Sunday at the home of her father, Henry Horan

Byron Clair, of Hornell, vis ited at the home of his father Delf Clair, and other relatives last Thursday and Friday.

Walter Green, of Hornell, is visiting at the home of his brother, Will Green and family.

Mrs. Lizzie Houghton, of New York, sister of Wm. Pardon, has bought the late E. O. Wescott farm.

H. Stearns spent Sunday at the home of his daughter, Mr. and Mrs. Eugene Marvin, in Railroad Valley.

Plowing has begun, but Clarence Green plowed a few acres the 1st of January.

Not much cause to complain of cold weather thru the winter that has just ended.

The roads are some better.

ELM VALLEY

Frank Mead spent Thursday at the home of his brother, Ray in Howard, who with his two children are seriously ill with pneumonia.

Miss Ruth Robinson and Louise Earley were callers at Mildred Smith's on Friday.

Mrs. Courtney, son Raymond, and daughter, viola, spent Sunday at Low Howland's.

A ten cent social will be held at the school house, on Tuesday evening, April 1st. Please bring sandwiches and one other article. Benefit for the Red Cross of Elm Valley.

The Red Cross meeting was held at Mary Hunsher's Wednesday.

Mrs. Simeon Hann and Mary Hunsher attended Eastern Star at Andover.

Loyd Mead is recovering slowly from his recent illness.

A meeting of the Dairymen's League was held in the cheese factory Tuesday afternoon, Geo. Tucker having returned from Utica where he attended the convention.

Charley Caple was a caller at Paul Caple's Sunday.

Mrs. Eva Blackman, of Buffalo, visited her sister, Mrs. Dell Hann recently.

Charles Moore has rented his farm to Burgie Scott to work the coming year.

Dairymen of Bath are planning to build a plant which would handle the milk from several towns.

Stockholders in the American Railways Brotherhood in Hornell may be forced to pay an assessment.

Shortsville is to name a torpedo boat chaser, as an honor for a high rating in the last Liberty Loan drive.

AGRIGRAPHS

The real "handy man" about the farm is the one who has everything at hand for the work to be done.

* * *

With the coming of spring it is doubly necessary to plan the work ahead and then keep ahead of the work.

* * *

Last year's cereal crop furnished Uncle Sam with a nice little pocketful of pin money — about seven billion dollars.

* * *

Keep a list of "rainy day jobs;" when the rainy day comes no time will be lost in thinking of something that might be done.

* * *

Not many farm home gardeners this year will fool away any time on vegetable novelties. Staple vegetables are good enough.

* * *

If man power is scarce, do all that can be done by means of machinery or more horse power and thus increase the amount of work that can be accomplished by a man in a day.

* * *

A few boards, an old window sash or two, and the bulletin "Hotbeds and Cold Frames" which the New York State College of Agriculture at Ithaca will send you make a good combination this time of year. Ask for it.

R. C. F. 120.

From the New York State College of Agriculture at Ithaca, N. Y.

If you have good rooms to rent and write goods ads, you can get good tenants.

Is Your Blood Starving For Want of Iron?

Iron in Red-Blood Food—Nuxated Iron Helps Put Roses Into the Cheeks of Women and Strength and Energy Into the Veins of Men.

If you were to go without eating until you became weak, thin and emaciated, you could not do a more serious harm to yourself than when you let your blood literally starve for want of iron—iron that gives it strength and power to change food into living tissue, muscle and brain. Without plenty of iron in the blood, no matter how much or what you eat, your food simply passes through you without doing you any good—you don't get the strength out of it and instead of being filled with youthful strength and energy you are weak, nervous and all run-down. If you are not strong or well you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired. Next take two five-grain tablets of ordinary Nuxated Iron three times per day after meals for two weeks, then test your strength again and see how much you have gained. Numbers of nervous, run-down people who were sick all the while have recently increased their strength and endurance simply by taking iron in the proper form. But don't take the old kinds of iron simply to save a few cents. You must take iron in a form that can be easily absorbed and assimilated like Nuxated Iron if you want it to do you any good. Otherwise it may prove worse than useless. You can procure Nuxated Iron from your druggist on an absolute guarantee of satisfaction or your money will be refunded.

It is announced that the entire plant of the National Wire Wheel company will be removed from Geneva.

The United Presbyterian church in Rochester will petition the Rochester authorities to establish city milk control.

There is a rumor around Rochester that the government may keep its big cannon factory in University avenue.

One of the Dunkirk breweries has arranged to get 800 barrels a month from Chicago in order to prevent a drought.

Uncle Sam bought 100,000 pounds of Ben Davis apples in Geneva, paying 5 cents a pound. They will be fed to soldiers.

Forty indignant farmers of Brockport met in that village to demand an immediate improvement of a stretch of road.

The question of paying the mayor of Wellsville a salary of $600 a year will again be voted upon at the spring election.

Fredonia has started a movement which it is hoped will culminate in the formation of a National Guard unit there.

A bill to amend the highway law raises the prices that may be paid by a town hiring a traction engine from $8 to $15 a day.

The Allegany County Volunteer Firemen's association will hold its annual parade and convention at Bolivar July 2, 3 and 4.

The old Olean fair grounds will soon be a handsome residential section of the city. Fifty houses are to be constructed on the site immediately.

The managers of the Burden iron mills in Troy announce that the plant has closed for an indefinite period. Lack of orders was given as the season.

Mrs. Ella L. F. Nicholson, past grand master of the grand chapter of the Order of the Eastern Star in the state of New York, died suddenly in Rome.

The sum of $75,000 of state funds to fight the European corn borer was made available when Governor Smith signed the Sage bill appropriating that amount.

Creating a bureau of women in industry in the state department of labor is provided for in the Fearson bill passed by the assembly. The bill appropriates $10,900 for the new bureau.

Join The New McDougall Kitchen Cabinet Club

$1 Makes You A Member And Places A McDOUGALL In Your Kitchen

Come This Week

Come This Week

"Once Drudgery -- Now Delight!"

is the way one woman describes how her housework has been transformed by the McDougall. The drudgery lies in the worry, the wasted steps of the the housewife who plods along without a McDougall. The delight lies in the comfort, the saving in health, time and money that only a McDougall can give.

McDougall Kitchen Cabinets

First in the field, McDougall is the first to introduce new labor-saving ideas. When you get a McDougall, you know you have the last word in kitchen convenience. The roominess! A place for every kitchen need where you can place your hands on it at once—for baking, for cooking, for preparing any meal. See how spick and span the McDougall looks! How it brightens up the whole kitchen! The snow white Porceliron Table Top is Sanitary, unbreakable, durable.

But the Auto-Front will delight you most if aall. You touch a catch, and presto! the roll front disappears and you have the whole top of the cabinet open before you. (No swinging doors to knock things off the table top.) Easy-working, convenient, this magic opening an delosing device is found only on the McDougall Auto-Front Kitchen Cabinet. The McDoagic opening and closing deme. McDougall materials, workmanship, and finish are far above those of the ordinary cabinet.

Have The McDougall Sent On Approval

Come in and pick out the McDougall you like best—have it placed in your kitchen—use it and enjoy it as you like, and then keep it and pay for it when every inch of the McDougall measures up to your highest expectations. Don't delay—the more you wait, the more you waste in energy, fretting, and time lost.

PEOPLE SHAMEFULLY

NEGLECT THEIR EYES

About the last thing the average person decides to attend to is the examination of his or her eyes. They seem to think there is something clever about being able to exist without glasses, even when they know that they need them. YOU do differently! If you only THINK that your eyes are not as they should be, let us find out for you.
