GREENWOOD LOCAL BRIEFS

The Germans seem to be dismayed over the peace terms offered them by the Entente Allies and are protesting widely over what they call the inhuman They were not disturbed in conscience when they were despoiling Belgium and France and treating the inhabitants with barbarity, and now think it hard that they should be compelled to make restitution. They did the property damage and should settle for it, but nothing they can do would half atone for their crimes and villanies. Their plea for mercy is the usual cry of the convicted criminal.

The President has promised to propose to the Senate a supplement in which we shall agree subject to the council of the League of Nations to go to the assistance of France in case of unprovoked attack by Germany. This proposition will probably arouse the self-styled defenders of the Monroe Doctrine who will brand it as an entangling alliance, but its adoption by the Senate would discourage the Germans and prevent another attack by them and thereby render any help from us unnecessary.

This action would act as a defense for ourselves, for should another attack be made on France we would probably be drawn into it, and prevention is far better than even a victorious war. If we sign the pact, the Germans never will attack France

Senator Borah still keeps boring the country with his talk against the Peace League.

Bradshaw Warriner of Hornell was greeting former neighbors in Greenwood Monday.

There are two ways to protect France and Belgium and the world from future German aggression. One method would be for all entente nations to enter into a pact to jointly defend each other, and another way would be to make her smaller by extending France and Belgium to the Rhine and ceding East Prussia to Poland thus reducing Germany to a second rate power and rendering it unable to strike again which it now intends to do. If Germany is allowed to Germanize Russia it would cause the world trouble.

Bernard Murray of West Greenwood was a caller in town Thursday.

Mrs. Margaret Lewis died at her home in this place on Thursday of last week, at the age of 78 years. The funeral was held at her late home Sunday, Rev. Guy Ovenshire officiating. Burial was in Greenwood Cemetery.

Mrs. Lewis was taken suddenly ill Wednesday and died Thursday. She was one of Greenwood's most highly respected residents and her loss will be mourned by all. She is survived by three sisters, Mrs. Isabelle Shaut, Mrs Mary Cobb and Mrs. Elizabeth Saxton, and one brother James Brooks.

Hovey Stephens, a merchant from Dallas, Texas, is visiting his parents in this place.

Mr. and Mrs. Ralph Hale, of Jasper, were Greenwood visitors Tuesday.

Orville Reynolds, a veteran of over two years service, is back from France. Mr. Reynolds was wounded in Argonne Forest by a machine gun and will have a sadly crippled hand the remainder of his life. He will return to Camp Hospital after a brief visit at his home here, as an amputation of part of his hand is necessary.

S. E. Pierson of Rock Creek was visiting the city Wednesday.

Mr. and Mrs. Guy S. Plasted were called to Whitesville Wednesday to attend the funeral of Mrs. Plasted's mother, Mrs. Crittenden who died Saturday of last week.

Mrs. Dorothy Bothrich came Tuesday to visit her parents, Mr. and Mrs. W. O. Slocum.

Lagomi Kernan and wife of Hornell are guests of his mother, Mrs. John Kernan.

Miss Irene Bess of East Greenwood was a city visitor Thursday.

Menzo Knight of Bennetts was in town on business recently.

After we get the new highway we will still be out the price of hauling our produce to Canisteo, all of which would be saved if we save the railroad, as our produce would be worth as much here as after the expense of hauling to Canisteo. The freight rates would be the same from such places.

Perry Waters of King Hill was in the city Friday on business.

John A. McCormick was among the callers in town Thursday.

Leonard King of Elmira and Alex King of Hornell were guests of Greenwood friends Tuesday. They both formerly lived in this place where they have many friends.

Herbert Sherman has moved from South Main Street into the Dr. Bennett house on North Main Street.

The four days rain left the roads in bad shape for travel, but the favorable weather of Wednesday put a better look on them.

John Kernan, who has been leading potatoes at Canisteo, returned home Saturday.

Mr. and Mrs. Montesco Burger of Christian Road were in town Tuesday.

Geo. Brundage was in Canisteo Wednesday.

Emmett McCormick of King Hill was in town Wednesday.

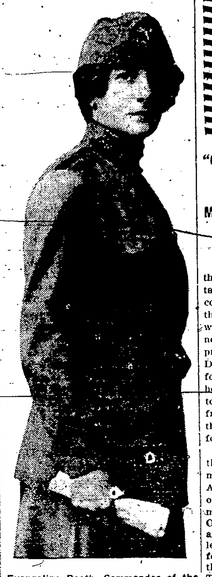
MISS BOOTH, IN RAGS, AIDED LONDON POOR

Salvation Army Commander, Disguised, Roamed Through Slums to Study Intimate Problems of East End Unfortunates.

Miss Evangeline Booth, daughter of the late General William Booth, founder of the Salvation Army, has given her life to the service of the poor and the unfortunate. Few persons, if any, know she went about in



Evangeline Booth, Commander of the Salvation Army in the United States.

the East End of London disguised in rags that she might help the unfortunate. When her father stood erect amid a storm of abuse and even physical violence she stood beside him.

She knows how the poor suffer because she has suffered with them. She knows there still remains in the wreck of a dissolute man a spark of manhood that will kindle a redeeming flame, because she has fanned many flickering sparks until her patient hand regained his feet. She now heads the Salvation Army in the United States at the great moment of its career. The old time slurs and doubts have been banished. During the week of May 19-26 the Salvation Army will appeal to the people of the United States for thirteen million dollars to carry out its after-the-war program. Contribute to the Salvation Army Home Service Fund Campaign. Remember, to the Salvation Army "A Man May Be Down, but He's Never Out."

WILSON ENDORSES SALVATION ARMY.

President Wilson, burdened as he is, found time to cable his endorsement of the Salvation Army Home Service Fund Campaign, which will be conducted during the week of May 19-26. The cablegram:

Commander Miss E. Booth, Personal, Salvation Army, 120 West Fourteenth street, New York:

I am very much interested to know that the Salvation Army is about to enter into a campaign for a sustaining fund. I feel that the Salvation Army needs no commendation from me. The love and gratitude it has elicited from the troops is a sufficient evidence of the work it has done, and I feel that I should not so much commend it as to congratulate it. Cordially and sincerely yours,

WOODROW WILSON.

"OUT OF LOVE" CLUB UNIQUE ORGANIZATION

Members Are Girls Rescued by Salvation Army.

The "Out of Love" Club is one of the important club organizations maintained by the Salvation Army in this country. In every large city where there is a Salvation Army corps girls who have been helped back into the normal pace of a workaday world are proud of the membership in this club. Disappointed, loveless girls who do not forget kindnesses shown them in their hour of greatest need give out of love to help other girls receive the same friendliness. In a simple, quiet way, this unique idea has been maintained for over 20 years.

In every large city in the country there are girls who have needed the ministrations of the Salvation Army. After they have been helped and sent on their way again they become life members of this club if they so desire. Only girls are admitted who have given a good account of themselves for at least one month in the positions found for them by the Salvation Army after their release from a hospital or home. These girls pledge themselves to keep alive the spirit of friendliness and home which the Salvation Army has spread among them. The girls are expected to dress in a plain, simple way, and avoid in any sense of the word gaudy or tawdry clothing.

Gossiping or tale bearing is tabooed. If members of the club transgress this rule they are liable to suspension for a month or longer. The "Out of Love Club" is one of the many activities that will benefit by the success of the Salvation Army House Service Fund Campaign for $13,000,000 May 19-26.

She Followed the Line We Sent Over the Rhine

The familiar figure in blue uniform and poke bonnet is back home to serve, after four years in khaki with the boys "Over There." Salvation Army lassies served old fashioned American doughnuts in the front line trenches, and now that the war is over they will be found again in the slums and dark places of our great cities, ready to give a helping hand to men, women and children who are on the down grade. The Salvation Army Home Service Campaign for $13,000,000 opens May 19, to last one week.
