Replete With Feeling

"Love," said the girl, "is the funny feeling that you feel when you feel that you have a feeling that you never felt before."

Have You Returned Your Seal Sale Check?

Allegany County residents who have yet to answer their 1948 Christmas Seal letters were asked to do so as soon as possible in an appeal made this week by Mrs. Wayne C. Stout, county Seal Sale chairman.

"A number of people who received Christmas Seals in their mail on November 22 have forgotten to make their returns thus far", she said. "Since we understand that in the rush of other Christmas preparations they may have overlooked the Seals, we are sending cards next week to remind them of the oversight.

"Returns from the Seals will finance the 1949 tuberculosis control program of the Allegany Health and Tuberculosis Association. It would be convenient to have those returns at the earliest possible date because the work of the association depends on the success of the Seal sale.

"Seal Sale returns totaled $6,565 as the 1948 Sale went into its third week Monday, with Wellsvile, Cuba and Alfred leading in the number of purchasers. There are less than two weeks left for the campaign which means that we shall have to realize an additional $3,435 in that time if we are to watch our $10,000 quota. We are certain that we will realize our quota because we are confident that the Seal Sale will be backed 100 per cent in this county."

Mrs. Stout added that the letters of acknowledgment for the Seals which arrive daily reveal an encouraging knowledge of the work of the Allegany Health and Tuberculosis Association and many urge that its services be continued.

Seal Sale funds are the sole financial support of the Association and its activities.

The doctor's waiting room was filled with patients suffering from every imaginable ailment and all degrees of boredom. Some had been waiting for hours. Finally one old man arose, stretched himself cautiously and remarked: "Durned if I'm going to wait any longer. I'll just go home and die a natural death."

What Makes a Church Great?
Not soft seats and subdued light,
But strong courageous leadership—past and future.
Not the sweet tones of the organ,
But sweet personalities that somehow reflect Jesus.
Not the tall towers with the bells and chimes, But a lofty vision of its people.
Not a budget, But big hearts in big people who love and serve.
Not the amount of money received, But the amount of service rendered in Jesus' name.
Not a large membership, But God's presence and direction and power. Selected
