HAVE YOU GOT MONEY?

"He's got money."

How familiar is that phrase. How many times it is planted in your ear.

It expresses a certain admiration, though the tribute may be reluctantly bestowed.

From the viewpoint of anybody who spends his earnings as fast as he gets them, the person who "has money" stands on a different plane, altogether superior to the ordinary run of folks. He (or she) by that mere fact inspires respect.

If you have a little money, nobody can bully you. On the other hand, if you have none, you are helpless and do not dare to speak up for your rights.

Without money, one is necessarily at other people's mercy. There is no escaping that proposition.

Obviously, then, the ordinarily common-sensible person ought to have the "gumption" to start in, as early in life as possible, to put pennies and dimes together and create a little capital.

The little capital thus created will mean independence—perhaps the most precious and worthwhile thing in life. W. S. S. will enable you to acquire capital and insure future comfort and prosperity.

WAS TORTURED FOR TEN YEARS

With Terrible Stomach Trouble Until She Tried "FRUIT-a-TIVES".

MRS. F. S. STOLZ

8807 Sacto Ave., Sacramento, Cal.

"I had Stomach Trouble for 10 years, which became so bad that I got *Stomach Cramps two or three times a week.*

After years of terrible torture, I read about 'Fruit-a-tives' or Fruit Liver Tablets, and sent for a trial box and wrote that it was the last remedy I would use—if 'Fruit-a-tives' did not help me, I would die.

After taking the trial box, I felt better, so kept on taking 'Fruit-a-tives' for nearly a year, and am thankful to say *'Fruit-a-tives' saved my life.*

It also saved a friend from an operation for Stomach Trouble, after he had given up all hope of getting well".

MRS. F. S. STOLZ

East Valley

The rain Saturday night and Sunday morning settled the dust nicely and helped other ways as well.

On account of the state road being freshly tarred the autos have all come on this road the past few days and it seemed quite chilled, so that most of us forget we lived in a quiet valley Mrs. Viola Brown returned to her home in Norwich Saturday after a two weeks visit at the home of her sister Mrs. Dell Clair.

Who said they heard of Wedding Bells in our Valley? Guess it was a false alarm as very one seems to be as sane as usual.

Dell Clair and Wm. Pardon had their threshing done last Saturday.

While helping with threshing at Lou Snyder's Monday, a board slipped on which John Clair was standing in the hay mow of the barn and he fell thru striking on the shoulder of Earl Dawson who was cutting bands, both falling to the ground, neither of them being seriously injured although both were quite sore and lame the next day. It was a lucky fall for John and a wonder he did not go into the separator.

Henry Horan, Miss Nell Horan and Mr. and Mrs. John Wahl were guests at the home of Mr. and Mrs. Lou Snyder Sunday.

Were the trees ever more beatiful than now?
