Andover High School TIDBITS

TID BITS

The student body and townspeople enjoyed the musical comedy, "My Dream Girl," which was presented in the High School Auditorium last Wednesday and Thursday nights. Praise should be given to all the members of the cast for the talent which they showed. The performance was well attended both nights and the Athletic Association is exceedingly grateful for the support which was given by everyone.

The Senior play, "Apple Blossom Time," will be presented Thursday night, May 23rd. The cast of characters will be announced at a later date, and a synopsis of the play will be given.

At assembly last Friday, "Bill Spivins" entertained the students with a varied and interesting musical program.

We were very sorry to learn that Naomi Stickler has left school and we feel that she will be greatly missed.

Eleanor DeRemer was out-of-town for a few days, but she returned Tuesday.

1929-30 Faculty

Robert B. Hardy, principal, mathematics, Belmont, N. Y.

CLAIRE C. BACKUS,
Sworn and subscribed before me this 20th day of April, 1929.
A. D. FULLER,
Notary Public.
Commission expires March 30, 1930.

NEW ERIE LIMITED

(Continued from First Page)

leather, and not fastened to the floor, so that passengers can find the maximum of comfort and relaxation.

"For coach passengers who do not want to occupy the club lounge car we have provided new individual seats, all steel coaches and these also are equipped with hot water, fans and modern lighting. They are expensively decorated in blended color schemes and were turned out in our own shops. They will have rich carpets all over the floors—not just in the isles—and they will be the equal of any Pullman car for riding comfort and pleasant surroundings. The seats can be swung around so the passengers either face forward, or face the sides of the car and may look directly at the scenery.

"For Pullman passengers the Erie Limited will have observation platform lounge cars; the newest type of chair cars fitted with deep upholstered easy chairs for daylight travel, and the newest type of sleeping cars. These will have the improved berths with coil spring mattresses, individual reading lamps, permanent head boards between the sections which give the effect of making each section a semi-compartment, and new indirect lighting which gives brilliancy but not glare. The men's and women's dressing rooms will be larger and more luxuriously appointed with porcelain plumbing fixtures, and the cars will have drawing rooms and compartments which may be used singly or ensuite—something which our travelers have not had before. The upholstery, hangings and color schemes have been worked out by the Pullman artists for their quiet elegance and the impression created by one of these interiors is that of stepping into a luxurious home.

"Our new dining cars, built by the Pullman company, will run on the Erie Limited and nothing but the freshest foods bought daily in the best markets will be served. Our corps of stewards, cooks and waiters have been prepared for this kind of special service and the cars themselves have been equipped with every scientific device for making a polite dining room on wheels. Newly developed electrical devices take up the odors of foods and cooking before they have to be dispelled and these cars are so scientifically ventilated that it is possible to permit smoking without annoyance to those who do not indulge. Each of these cars with its furnishings and equipment of silver and linen represents an investment exceeding the total cost of the average prosperous man's home.

"We have made this new train everything that a modern, fast, luxurious passenger train should be, but it is no more than the people who have loyally stood by the Erie and favored it with their business all these years should have. It is no longer going to be necessary for the folks along the Erie to put up with inconveniences of getting over to some other railroad to get fast, modern passenger transportation.

"With the inauguration of the Erie Limited, the Southern Tier Express, which has served the Southern Tier counties of New York State so long and so well, will pass into history. The Limited will handle all the business of the Southern Tier Express on a new and faster schedule and with many new comforts.

"Before the Erie Limited actually goes into service on June 2, we are going to have it on the railroad for two weeks so that the Erie folks can look it over and see for themselves what a really fine train it is. It is going to be exhibited at every station at which it is scheduled to stop and we are going to invite all of our friends to come down to their home stations, and look it over, as guests of the Erie. The exact date and time of the exhibition will be advertised in the newspapers. We are going to send out written invitations to folks whose names we know, but if friends of the Erie fail to receive a formal invitation, I want them to feel that they have a personal invitation from me to come down and see the train.

"I have always said that it was the business of a railroad to supply the kind of transportation its customers want to have. We think we are doing this in putting on the Erie Limited, but I want all our friends and neighbors to come down and see the train for themselves."

NOTICE!

I will be at the office of the late Dr. H. C. Swarthout, 260 N. Main street, Wellsville, and continue his practice.

B. E. SWARTHOUT,
Chiropractor.

Celebrated Golden Wedding Anniversary

Saturday, April 27th, marked the 50th wedding anniversary of Mr. and Mrs. Ezra Slocum of this village. In the evening 28 relatives invaded their home to celebrate the happy occasion.

One especially interesting fact was noted, that among the guests were Mr. and Mrs. Sam Deming of Whitesville, who had passed their 50th milestone in married life four years ago this month. Mrs. Deming is a sister of Mr. Slocum. Other out-of-town guests were: Mrs. Rens Tennies and daughter, Ethelyn, of Olean; Mr. and Mrs. Harry Lynton of Buffalo; Mr. and Mrs. Abram Slocum of Wellsville; Mr. and Mrs. Wm. Prangen and Wm. Owen of Hornell and Mr. and Mrs. Raymond Church of Voorhees Hill.

Following a delicious buffet supper and musical program of vocal numbers, Mr. Prangen with a few well chosen remarks, presented the worthy couple with a purse of money, including several gold pieces, on behalf of the assembled guests.

At a late hour all departed, wishing Mr. and Mrs. Slocum many more years together on the journey of life.

Mrs. William Bunnell

Word was received in Andover of the death, Wednesday, May 1st of Mrs. Wm. Bunnell of Scio. Funeral services will be held this Saturday afternoon at 2:30 o'clock at the home. Mrs. Bunnell was a sister of Mrs. Mary Applebee and her illness has extended over a period of several years.

Quality Printing at the News Printing House.

Regular meeting Edward Seaman Relief Corps, Saturday night.

A class of six were initiated at Rebekah lodge, Wednesday evening.

Francis Alvord of Friendship had his arm fractured while driving a tractor.

Boyd's Bear-Cats were at Wellsville bowling the All-Stars, last Friday evening.

Mrs. A. L. Bloss has been working in the post office the past week, in the absence of Mrs. Frank Holmes.

The L. L. Bridge Club enjoyed a pleasant evening at the home of Mrs. A. L. Bloss on Greenwood street, Tuesday.

Mrs. H. R. Taylor broke the ligaments of her neck recently when she struck her head on a beam in the cellar.—Whitesville News.

The well known Dansville Health Resort at Dansville has been sold to Bernard MacFadden of New York City, who will take possession May 15th.

Joseph Eberle, who has been clerking at the H. H. Williams Co. grocery, is working for the Empire Gas Co. Mrs. Seely is assisting at the Williams store.

Andover relatives received word Sunday of the death that morning of Letts Thompson of Canisteo. Mrs. Thompson was formerly Miss Reva Clarke and a resident of this village.

A 1928 master six Buick five passenger car, license number F5-91-13, owned by E. S. Moses of Cuba, was stolen in Olean last week where it had been parked while the party attended a theatre.

A new front has been placed in the Red & White grocery this week, making it a most attractive grocery. If you want to see what great improvements little modern equipment will make, take a glance at the Red & White store on Greenwood street.

By the amended dog license law each town is to appoint one or more enumerators to take a list of the dogs in their territory, this to be done in the month of July. A blank application for license is to be left with each owner by the dog census taker.

Andover friends have received invitations to attend the graduation exercises at Buffalo General hospital, May 14th of a class of nurses of which Miss Rose Ellen Casey of this village is a member. Miss Casey is an alumni of Andover High School and has made a fine record in her studies at Buffalo. The News bespeaks for her equal success as a trained nurse.

The Register states that the 75th anniversary of the organization of the Republican party will be celebrated at Friendship, May 16th, the date of the convention held in the present G. A. R. Hall, at that village in 1854.

Friendship does not concede the claim of Ripon, Wisconsin as the birthplace.

BAKERS' STORE NEWS
Published by Baker Bros. Hardware, Andover, N. Y.

THE COLLAR DID IT

A man quite tipsy sagged down on the lobby lounge beside a dignified clergyman.

"Thishs fine hotel," he began.

"Yes, I find it very comfortable."

"Whatja say to having a drink?" asked the boozy one genially.

The clergyman's face set severely. "No, thank you, I never touch the vile stuff!"

"Shay!" exclaimed the other, "whatja givin' me? You gotcha collar on backward now!"

You buy an automobile on the monthly payment plan and about the time you cancel the contract you have to buy another one. This fact holds good in the purchase of many articles. They are worn out or useless by the time they are paid for.

Not so with a good up-to-date Kitchen Range. They deliver more real service every day than anything you own; the upkeep is practically nothing at all and the useful life of the article is from 20 to 30 times the payment period.

On this basis we claim our cooking machinery is the most reasonably priced of any item that goes to the making of a well regulated home.

Just think it over and resolve to have a range that is convenient to use, has the latest improvements and will save a good portion of your present fuel expense.

Let us show you the new Bungalow Range—it is compact—easy to work with—and will burn any fuel. Cash price $69.50.

We are closing out our stock of Kyanize Celoid finish paint. Utilac has so completely taken its place that we have decided not to carry both lines.

If you want to match any Kyanize color or add to some painting you already have, we are holding the line for a few days to give you the opportunity.

Grinders for the home, farm and shop. One style particularly fitted for kitchen tools and shears—$1.50.

Fix your screens and get ready for fly-time. Paint the frames and replace the old rusted cloth with new Opal Zinc Cloth that will last for the next 20 years.

It takes a chest of tools and a college education in mechanics to operate some lawn mowers that we know about, but if you own or buy an Elco Mower, all you need is a small oil can and some good machine oil, which we furnish free with new machines.

Elco Mowers have the thumb screw adjustment of cutting edges, shock absorbers under bed plate, high speed ring gears for driving knife reel and full bearings at all vital wearing points. In fact, a machine made to run easy, cut smooth and give years of service.

We have Lawn Mowers from $7.50 up, but believe the Elco, selling in 16-inch size at $13.50, our best value.

Vanco Mop Wringers, small family size, $1.25. Large janitor's size mounted on heavy galvanized bucket $3.95. Betty Brown self-wringing Mops—95c.

Excellent articles, every one and fair prices.

A surprisingly large number of people are coming back again this season for Leonard's Potlach Peas. It's a long jump from the old time Marrowfats to the luscious Potlach and luscious is the only word that describes this excellent flavor. They are a large dwarf variety, vines about 20 inches high, and will be ready for your table about 65 days from planting.

Pods four inches long, broad and pointed at the end. No variety will produce more pods and no pods could possibly shell out better.

Try a row of these beside your favorite and see which is best.

Leonard's full line of quality bulk seeds at lowest prices.

Full weight and full size packet seeds—FIVE CENTS!

Brunswick Tires are probably passed from maker to consumer with less overhead expense than most tires. The reason for high quality and low price is volume sales at close margins.

A young woman was being cross-examined in court.

"How old are you?" asked the judge. She hesitated.

"Don't hesitate," he said. "Every second makes it worse."

LOCAL HAPPENINGS

Daylight saving time began last Sunday in the cities.

Your operator's license must be renewed this year on or before May 31st.

Mrs. Wood and family have moved from Main street into rooms in the Kellinberger house on Water street.

Mr. and Mrs. John Lever entertained the Five Hundred Club at their home on Dyke street, Tuesday evening.

Fred Stebbins is driving a new one and a quarter ton Dodge truck, purchased by the Empire Gas Co., for use in this field.

Harold Hardy moved Monday, from North Main street to the new home on Rochambeau avenue, which he purchased from Jesse Slocum.

The tannery at Portville will soon be closed on account of the depression in the leather business. Over 200 employees will be affected.

Miss Lottie Herbert of Canisteo, for the past seven years superintendent of Bethesda hospital in Hornell, has tendered her resignation, to take effect May 15th.

It is reported that a bus line will soon be in operation thru Castile, Perry and Silver Springs, which will connect with the Wellsville-Buffalo line at Fillmore.

Dr. Francis H. Miller, health officer at Cuba, sailed from New York on the Lancastria, Saturday night, for Switzerland, to attend an international conference of health officers at Zurich.

The Hotel Belmont, located at the county seat, was sold at foreclosure sale, Tuesday, and bid in by Sam Fantine of Buffalo for $12,000. He expects to refurnish it before opening it to the public.

Several lambs were stolen from the barn of Cassar Loftis at Cuba last week. It is thought an attempt was made to secure some of the sheep as salt had been placed in the feeding troughs evidently to get the sheep where they could be caught.
