REPORT CARDS

Report cards will be sent home with the pupils at the end of each quarter in both the grades and the High School this year. If they are not received by the parents before Nov. 8, Feb. 7, April 11, and June 27, they should immediately notify the teacher or the principal of that fact. Parents should examine the cards carefully before signing and returning them.

In case of poor marks they should confer with the teacher or principal. In no case should the parent allow the pupil to sign his own report card or excuse blank.

In the middle of each quarter reports will be mailed to the parents of each pupil whose grade of work is below passing for the five week period.

Parents receiving such reports should confer at once with the teacher or principal.

The first of these reports will be mailed before Oct. 15th.

Department of Agriculture

The Department of Agriculture in our school seems to be proving very popular this year as there are 14 boys taking this course which is being conducted for the third year under an arrangment of co-operation between the local Board of Education and the Agricultural School at Alfred.

In so far as possible the school would like to have this course, not only provide instruction to the boys in the class but serve the agricultural interests of the community as well. This year in particular the class has an offer of exceptional interest to make. Each boy, in addition to his class work, must carry satisfactorily a project, which is a farm job, such as caring for poultry raising potatoes or other crops, testing the milk from and keeping a record of a herd of cows, and various other jobs as may be chosen by the boy and okeyed by the instructor. The project presents an opportunity for the boy to put into practice what he learns in the class room. Every project is supervised by the instructor in an effort to correct errors, suggest better methods, etc.—to make the lessons as valuable as possible.

Now as to the offer:

This year the instruction pertains largely to breeding, feeding, care and management of farm animals with emphasis on dairy cattle. As a project most of the boys are choosing to keep the record of a herd of cows for a year.

Some of the boys do not have cows of their own to work with and would like to complete that sort of project. If there are any farmers in the community who would be willing to co-operate with the agricultural class of the high school, we can offer to them a complete record of costs and profit or loss on each cow of their herds separately and on the herd as a whole, for each month and for the year, without any charge for the service in any way.

The work will be done accurately and under the supervision of a competent instructor.

Co-operators will not only help out the work of the class but obtain the knowledge as to just how profitable their herds are, and have the information necessary to cull out the poorer cows.

If any dairyman is interested in this proposition, and will let Principal Hardy know about it, we will see that he has full particulars immediately.

OVER-AND-OVER

The student body and a few visitors greatly enjoyed the assembly period last Friday. After the group song, Winona Earley sang a solo, and, as usual, did very well.

The main part of the program consisted of a one-act play entitled: "Love at First Sound." The cast consisted of Lloyd Gee, in the part of a young man seriously injured; Margaret Holmes, his charming nurse; Julia Joyce, his would-be fiancee, and Joseph Joyce, the doctor in charge.

Miss Klefeker, who coached the play, is to be congratulated upon its success.

From sport page of Hornell Tribune-Times:

Bath, Oct. 5.—Haverling high school opened the football season here yesterday afternoon by defeating Andover High School 87 to 0. Coach Hall of the Bath team used the entire 39 men in the squad, of whom 29 had never played before, the other ten never having played before last season.

Captain Clark starred for Bath with seven touchdowns. Bohlan was strong on the line, while Castrilli and Carey showed well for Bath. The teams were unevenly matched, Andover being much younger players.

Score by quarters:

Bath H. S.	33	29	14	11	87
Andover H. S.	0	0	0	0	0

Time of quarters: 10, 10, 7, 7 minutes. Referee, George Pratt, Corning; Umpire, Paul Seagers, Bath; head linesman, George Read, Bath.

Note.—Mr. Hall, the Bath High School coach, did not mention in the above write-up of the game several facts. Sure he used the entire squad of 39 men; but those numbered from 11 to 39 were used for very few minutes. Yes, the Bath captain and quarterback were in the whole game. The Bath coach probably noticed that the only two veterans on the Andover team were injured early in the game so that during the second half the Andover team was using its very last substitute.

As long as Mr. Hall wants to boast of the lack of experience of his men, probably we should have a statement from Mr. Perrone, the Andover coach.

The Andover squad of 14 men included but three boys that ever played before. Two of these boys were injured during the early minutes of the game so that they had to be removed from the game. I believe that Coach Hall should have used his second and third teams earlier than he did.

Well, the football has been thrown for loss. A loss which will take it a year to recover from. With the five week marks out on Monday, Coach Perrone did some investigating and found the marks all right but they were red. Yes so red that some of the boys are not eligible.

Tuesday afternoon after school our football mentor called a meeting and pronounced the verdict. Due to very low marks of some members of the squad it will be necessary to blow the final whistle of the 1929 football season.

Also due to these same low marks Coach Perrone will not call basketball practice until November 15th. At that time he will start coaching the court squad. No man will be allowed to start practice who does not have all his marks above 70.

The Kappa Zeta Sorority and the Beta Mu Fraternity held a party, Tuesday evening, Oct. 8th, in the High School Auditorium. Members of both organizations were in attendance as well as friends of the members.

Mr. and Mrs. Hardy, Miss Clark, Miss Klefeker, Miss Holmes and Mr. Perrone were the guests.

Everyone enjoyed dancing to the music by Winona Earley, Dan Farwell and Oliver Kemp. Yes and the games; Mr. Hardy was master of ceremonies in these. And then came the refreshments, especially enjoyed by Mr. Perrone.

Let's have more parties like this one.

LeRoy Davis

LeRoy Davis, youngest son of the late Uriah and Adelia Davis, was born in Andover 51 years ago, and died at his home on the Davis homestead, Monday morning, October 7th, 1929, from a shock of paralysis, having suffered a lighter attack some two weeks previous. In early manhood he was united in marriage with Miss Pearl Briggs, who, with a son, Leeman Davis, and one brother, Louis Davis, survive. Mr. Davis was an honorable, industrious man, respected by those with whom he had associated all his life. Funeral services were conducted Wednesday afternoon at the Andover S. D. Baptist church, the pastor, Rev. W. L. Greene, officiating, and burial made in Hillside cemetery.

The out of town people to attend the funeral of LeRoy Davis were: Mr. and Mrs. U. V. Davis of Rochester, Mrs. Angie Taylor of Hornell, Mr. and Mrs. Ed. Briggs of Himrods, Mr. and Mrs. Clifford Montgomery and Mrs. Bert Vaughn of Hornell; Mr. and Mrs. Kerry Davenport of Belmont; Mr. and Mrs. Maynard Scott of Belmont; Mr. and Mrs. Harry Sweezy of Whitesville; Mr. and Mrs. Charles Clerk, Jesse Clarke and wife and Mr. and Mrs. Robert Whitford of Hartsville; Mr. and Mrs. George Lewis of Whitesville.

Come unto me all ye that labor and get shoes made for service and comfort.—S. O. BROWN. 41

Dougherty — Uhler

Edward Dougherty and Miss Lena Uhler of Buffalo, were married Saturday, September 14, at the Blessed Sacrament Rectory in Andover, by Rev. Charles McHugh. They were attended by the groom's sister and brother.

Following a short wedding trip thru Canada, Mr. and Mrs. Dougherty are making their home in Buffalo.

The Real Loss

The worried countenance of the bridegroom disturbed the best man. Tiptoeing up the aisle, he whispered: "What's the matter, Jock? Hae ye lost the ring?"

"No," he blurted out the unhappy Jock, "the ring's safe eno'. But, mon, I've lost ma enthusiasm."

A Warning

The parties who took a revolver from the toilet in Pierce's garage, Tuesday is known and unless it is returned to Andover police officer at once, will be prosecuted.
