OUR CHURCHES

PRESBYTERIAN

Rev. Frank H. Bishop, Pastor

Easter is one of the greatest days of the church year. It stands for a great truth and a great hope everybody ought to celebrate.

Next Sunday, the morning service and the Sunday School will be held at the same hour. The children will make their contribution to the program. The pastor will preach upon the subject "Easter Joy."

It is expected that there will be special vocal and instrumental music in celebration of the happy day.

SEVENTH DAY BAPTIST

Walter L. Greene, Pastor

Sabbath services at 2:30 p. m. Easter sermon by the pastor.

Bible School following the church service.

Prayer and Bible Study Friday evening at 7:30 with Miss Alice Clarke.

It is expected the parsonage will be out from under quarantine this week.

Independence

Morning worship and Easter service at 10:30.

Sabbath School following the church service.

FIRST BAPTIST CHURCH

Rev. John McIntosh, Pastor

Morning service, 10:30 a. m. Bright Easter Service, special music by the men's quartet and choir Cello solo, Easter sermon by the pastor.

Children's Easter program 11:45 a. m. Songs, recitations, exercises, etc.

C. E., 6:30 p. m. Topic: "Does the Resurrection Make any Difference in Our Lives?" Col 3:1-4. Leader, Franklin Witter.

Evening service, 7:30 p. m. This will be a baptismal service when a number of our young people will confess Christ in baptism. Music by men's quartet and choir.

Thursday evening, 7:30 p m Prayer and Fellowship Service.

Plan to attend all of these services. A hearty welcome awaits you.

Recitation, "Good-bye," Dewey Northrup.
Remarks, Pastor.
Benediction.
Orchestra.

Dunkirk Teachers Visit Andover

Eleven members of the Dunkirk High School faculty have motored to Andover to call on Miss Mary Jacka, vice president of the school, who had been at the home of James O'Leary since March 10th, convalescing from injuries received in an automobile accident on the Andover-Wellsville highway.

Angelica old timers will recall the terrible tragedy in that village 25 years ago when William Smith murdered his father and then killed himself.

Theory That Milk Is Fattening Is Exploded, Says Commissioner

Milk Gives Strength, Protection Against Disease, And Should Be Part of Every Reducing Diet

By CHARLES H. BALDWIN
Commissioner, Department of Agriculture and Markets Albany, New York

THE old theory that "milk is fattening" has been definitely exploded. Milk is strength giving, it is health giving, it is sustaining and satisfying, but we know now that it is not necessarily fattening. As a matter of fact, milk should be a fundamental part of the reducing diet.

It would seem that whenever men have had to meet conditions calling for the limit of human endurance, they have turned for sustenance to the first and best food of mankind—milk. Commander Byrd has an ample supply of milk with him in Little America. Lindbergh asked for a glass of milk when he landed at Le Bourget after his epoch-making cross-Atlantic flight. Jack Dempsey, Gene Tunney and Max Schmelling, the last three heavyweight boxing champions of the world, all recognized the value of milk in training for the coming bout. Tunney, for example, took a quart of cold milk after each of his strenuous workouts.

What Milk Contains

Protein, the largest constituent of milk, forms muscles and lean flesh. The average amount of fat in milk is but 3½ per cent, which has little effect on the weight of the steady consumer. The remaining milk constituents, calcium and other mineral salts, are bone and teeth builders.

Milk also contains portions of those vitamins which are the protectors of the body from deficiency diseases of the nerves and the eye, from scurvy and rickets.

In the process of taking off weight, or reducing, the body is apt to be weakened. Milk, with its health protective qualities, has been found absolutely necessary to the body subjected to reducing strains.

This large exhibit at the State Fair exemplified New York State's great contribution to the health and strength of the public.

How To Reduce

At normal times the average individual needs a liberal allowance of milk daily. During reducing periods the daily allotment of milk, in one form or another, should be greatly increased, leading medical authorities tell us.

One such authority is Dr. Shirley W. Wynne, former Health Commissioner of New York, whose booklet, "Slimming Safely" will be sent free by the Consumers Information Service of the New York State Department of Agriculture to anyone asking for it.

The Comptroller of the State of New York

will sell at his office at Albany, New York April 3rd, 1934, at 12 o'clock noon

$50,000,000.00

Serial Bonds of the

State of New York

Due 1 April 1st, 1934, and maturing as follows:

$30,000,000.00—1935 to 1944
12,000,000.00—1935 to 1959
8,000,000.00—1935 to 1984

The New York State Constitution provides that

1. All bond issues must be authorized in advance by a majority vote of the people.
2. New York State bonds constitute a first lien on the State's entire taxing power.
3. These safeguards to the rights of bondholders cannot be set aside by any Legislature.

New York State bonds are exempt from all Federal and State income taxes.

The net debt of the State, including all outstanding bonds and short-term notes, as of March 16, 1934, was less than 2% of the assessed value of property subject to taxation for State purposes.

Circulars descriptive of these bonds will be mailed on application to

Local Happenings

Easter Sunday.

The annual Allegany county high school speaking contest will be held in Bolivar Central School auditorium April 26 and 27.

Mr. and Mrs. Lloyd Lauser welcomed a son, Douglas Lloyd, at the West Side Hospital at Olean Thursday, March 22nd.

William Woodworth of Andover has purchased the Charles O. Rose farm of 63 acres located on the main Canisteo-Hornell highway.

If you are not a subscriber to the home paper, the Andover News, now is your chance of getting it and four other magazines one year for $2.50—an offer not likely to appear again.

Miss Vera Nelson, daughter of Mr. and Mrs. Niels Nelson, is convalescing nicely from an operation for an appendix operation performed at Jones Memorial hospital. Miss Vera was brought home last week.

The fire department responded to two calls Friday. In the morning to the home of Alan Hosley on Grove street for a chimney fire. In the afternoon to assist in extinguishing an oil tank fire on the Clarence Slaght farm on Greenwood Hill.

Preparations are being made by the South Penn Oil Company to drill 54 wells on the Howard farm and other holdings of the company in the towns of Bolivar and Wirt. The South Penn company have moved drilling machines from Bradford to the Harwood farm where a camp is being built for the workmen who will come from Bradford.

The Friendly Neighbor Birthday Club met at the home of Mrs. Henry Livermore Wednesday night for a 6 o'clock dinner. The honor guests are Mrs. Livermore, Miss Emily Mae Green, Miss Ruth Whitney, Miss Gertrude Cheesman and Miss Laura Grossman, whose birthdays were celebrated at this time. The evening was passed with games and music.

Bird Day, April 13th.

Mrs. Eugene Hurd is assisting in the home of Mr. and Mrs. Harry Kemp.

The program for the Juvenile Grange was along the line of an Easter program.

All members of the Rebekah degree team are requested to be present to practice directly after lodge Wednesday evening, April 4th.

Mrs. Linford Grossman underwent an operation for the removal of the appendix at Jones Memorial hospital at Wellsville, Wednesday morning.

Almond has been granted $30,000 by the Public Works Administration to be used in construction of a water system for the village. It is expected work will begin within a short time on the project.

April 20, April 27 and May 4 are the dates Dr. Frank P. Graves, commissioner of education, has designated to be observed as Arbor Day in New York State, each section to select the date fitted to their locality.

The Young Woman's Friendly Class of the Methodist church held an interesting meeting Friday afternoon in the church parlors. A 6 o'clock supper was enjoyed by the company of 20 members. Mrs. Chas. Ruger, Mrs. Carlyle Myers and Mrs. Robert Church hostesses.

E. S. Root of Bolivar narrowly escaped with his life last week when the furnace at his home blew up while he was standing beside it. Luckily he was standing at one side and was not struck by flying doors and pipes. The furnace was of an oil burning type. The black soot and fluid was blown all over the house and the explosion heard for quite a distance.

Dr. John Common received the following card from P. D. Perrone this week: "Dear Doctor: In my leisure I have time not only to read but think—and my conscience forces me to write to a friend who has finished a job well done. I appreciate not only your efficient and kind service as postmaster, but also your shining example as a man and a citizen. Sincerely yours, Pat Perrone."

Edward Seaman, W. R. C., held a social meeting at Legion Hall Friday afternoon, honoring those having birthdays in March. A short program consisted of readings by Mrs. Elmer Bixby and Mrs. Dan Witter. A piano solo, played by Miss Eva Rennells, who responded to a hearty encore with "Chimes," both numbers were especially fine. A birthday supper in charge of Mesdames Witter and Davis closed a pleasant afternoon.

Mrs. Orla Baker entertained the Pinochle Club at her home on Rochambeau avenue, Tuesday night.

A variety shower was given Thursday evening, March 22nd, at the home of Mr. and Mrs. Carl Childs in honor of Mr. and Mrs. Franklin Hurd of Greenwood.

The Rev. Kenneth Rice, former rector of St. Phillips Episcopal church at Belmont, now engaged as chaplain at the Canandaigua Veterans' hospital, suffered a broken leg and ankle in a recent fall.

The M. E. Philathea Class held their regular monthly party at the M. E. church Tuesday afternoon. The president, Mrs. Simons, was hostess. They tied off a quilt and did some other sewing which was followed by a light lunch.

The Agricultural School held their Spring dance in the High School auditorium, Saturday night. Professor and Mrs. Lloyd Robinson and Professor and Mrs. Erle Myers were faculty guests.—Miss O'Boyle's class the first and second grades, gave a program Wednesday afternoon to which all parents and friends were invited.—Alfred Sun.

Personals

—Mr. and Mrs. Wm. Howden and two children of Petrolia, were guests of Mrs. Pearl Mesler, Monday.

—Hiram Byam spent the first of the week in Wellsville with his daughter, Mr. and Mrs. Harry McGhee.

—Mr. and Mrs. Wm. McDonough and family of Belmont spent Sunday with his mother, Mrs. Ann McDonough.

Mrs. Frank Halsey of Davis Hill is in Andover assisting in the care of her mother, Mrs. Lee Trowbridge this week.

—Mr. and Mrs. Charles West of Wellsville were Sunday guests at the home of Supervisor and Mrs. J. L. Williams of Elm street.

—Mr. and Mrs. Kirk Ruger, Mrs. Earl Kemp and Mrs. John Nobles and daughter, Percilla, were business visitors in Hornell, Friday.

—Charles Lever of Bryant-Stratton Business College at Buffalo came Thursday for a few days visit with his parents, Mr. and Mrs. John Lever.

Horse Drops Dead

Sidney Kaple of Pingrey Hill had the misfortune to lose one of his horses Wednesday night. Mr. and Mrs. Kaple had driven to the village and upon their return as they reached their home their horse suddenly dropped dead. The animal appeared to be in usual health and upon arrival home, as the family dog came out to meet them put its head down to return the friendly welcome in a playful mood. It's hard luck to lose a farm horse especially after having wintered it thru to spring

Bits of Blarney

An alarming bit of news in this social problem is that some officials are beginning to leave the Temporary out of Temporary Emergency Relief Admnistration.

"Yes" folks were in the ascendant in Allegany county last week. They carried the day in Bolivar and Belfast and even compelled Whitesville's school board to continue music and drawing teaching there after it was once voted to save the money it would cost.

The meanest man in Western New York has been discovered in Perry. He stole coal from the cellar of a widow who was supporting herself and several children.

Weather contrasts: March 18, 1894, a Friendship thermometer showed 73 "in the shade." A Belmont thermometer, March 23, 1934 said eight above zero. Who says now that the winters are getting warmer?

Unemployed New York Staters are wondering if they would be allowed to work in Pennsylvania as are many drillers from that state recently brought into the Allegany field.

Bits of Allegany County News

Belfast taxpayers will hold a public meeting at the town hall, Monday, April 2nd at 1 p. m., to determine whether they shall establish a fire district whose bounds shall be those of that town. More than one-half of the taxpayers have requested the action.

Fillmore hears that the Pennsylvania Railroad has been ordered by the Public Service Commission to proceed with the construction of the condensory underpass in that village.

Belfast High School holds a speaking contest the evening of April 11, to determine which scholar shall represent it at the county contest at Bolivar central school, April 26 and 27.

Allegany county Odd Fellow lodges to the number of eight have pledged themselves to scheduled visitations to other lodges. The villages having lodges thus interested are: Andover, Belmont, Angelica, Cuba, Fillmore, Wellsville and Whitesville. and Friendship.

Allegany county school directors of the fifth supervisory district have re-elected Bayard Fuller of Wellsville as chairman; Mrs. Jeannette Cornell of Whitesville, clerk.

Angelica firemen plan an Easter dance for Monday, April 2nd.

Friendship village trustees find unpaid taxes approximately $900, a usual average. No increased tax rate is anticipated despite increased outlays because of CWA work done on streets and elsewhere.

Bolivar's unused high school building, built in 1905 but abandoned in 1930, is being torn down as a CWA project and brick and lumber salvaged. A village park, 125x200 feet in size, with bandstand, will take its place.

Wirt and Bolivar towns see prospects of extensive drilling. The Messer Oil company will five-spot the Griffin farm, Richburg. South Penn Oil company will sink 54 wells in Black and George Hollow where it has 300 acres. Six machines have been moved in and Bradford drillers will do the work, living in a camp on the Harwood farm.

Allegany county had 54 lawyers in 1895, says the Bolivar Breeze. Supreme court calendar for the Jan. 22, 1934 term listed but 34

Allegany county may lose ten rural mail carriers if economy plans of Postmaster General Farley carry thru. Or he may cut salaries. He has declared he can save $11,000,000 annually by lopping off one route in four.

Whitesville's board of education, on petition of 70 patrons of the school, has rescinded its action to dispense with music and drawing teaching.

Fillmore's senior class cleaned up $150 with its annual play. Its double quartet of boys has been engaged to broadcast later over a buffalo station.

Cuba's high school basketeers for the second time in three years, captured sectional honors in Class B in Rochester. In 10 of 13 years the school's team has played in competition there. Some record.

Clarksville reports erection of a new residence. Frozen ground had to be blasted for the foundation.

Allegany County's sugar season is on again with some syrup retailing at Belmont at $1.20 per gallon, sugar 20 cents per pound. At Clarksville, W. A. Perkins & Sons have had as high as 900 buckets in action at one time.

Auxiliary Notice

On account of the state commander's dinner at Alfred coming on the regular meeting day, the April meeting of Thomas M. Lynch American Legion Auxiliary will be postponed one week, until Tuesday, April 10th.

Ford "Dressed Up"

A Ford in "full dress" is to be placed on the market soon, Brewster & Co., Inc., a subsidiary of Rolls Royce of America announced it has started production of a new line of cars having a Brewster body mounted on a converted Ford chassis with the Ford V-8 engine. Similar bodies are used by Rolls-Royce which sells on the average for about $18,000. The Ford model will sell for about $3,500.

Cheer up! Allegany county is $50,000 better off then when 1934 breezed in on a zero morn. She paid off that much debt in February.

BAKERS' STORE NEWS

Published by Baker Bros. Hardware, Andover, N. Y.

He is the kind of a motorist who thinks a locomotive whistles at crossings just to keep up their courage.

The Triangle Club

Is now going toward two hundred thousand enthusiastic members, who feel that they are gaining a real appreciation of what their training in interior decorating and artistic home arrangement is doing for them.

All who register before May 1st will receive at once by mail postpaid a copy of "My Paint Album" a color book no home should be without; then in addition you will receive quarterly issues of Decorating Notes illustrating the latest approved interior and exterior color schemes and combinations and giving individual decorations.

This service costs you nothing and there is no obligation, also your criticism is invited, just phone, send a card or register at the store and your name will go forward on the next list.

We are making up a complimentary membership group and will place upon it the names of those we can call to mind, who we feel will be interested; but we are liable to overlook your name, so you will do us a favor by jogging our memory.

Don't forget! Send in your name for the Triangle Club today.

Curtain Cranes

Are a real step forward in the hanging of curtains and draperies. You may set them at any angle and when desired will turn entirely out of the way for cleaning or dusting.

Your curtains will require much less cleaning, hold shape and color better and give added years of service if you will fit them to cranes.

During this Spring cleaning is just the right time.

House Cleaning

Too trying a job for messy weather, but the pantry may be cleaned any time.

Shelving in closets or pantry look better and retain a cleanly attractive appearance much longer if covered with specially prepared shelf paper.

Comes in folds 12 feet long with a lacy edge and tinted border—5c a strip.

The average man is proof enough that a woman can take a joke.

"Those who ask questions out of reason elevate curiosity above wisdom."—Chinese Proverb.

Spring's Coming

And no matter if it is days or weeks away it is time to change the oil in your trucks and motor cars.

The long and severe winter has diluted the oil in your crack case with condensed moisture and unburned gas until its lubricating quality is nil and a bearing is likely to go any time.

Drain now and fill with Tidex, the good oil that is made by the same people who produce Tydol and Veedol.

Tidex is a full bodied processed oil free from gum and will grease to the last drop; if your motor don't pump, fill with Tidex and forget it for the next thousand or more miles.

Tidex is put up in two-gallon sealed cans and you can buy it at our store for One Dollar the can, tax paid. Why pay more and get less?

Maple Sugar and Syrup

We pride ourselves on the quality of maple products made around Andover, but very frequently offerings in this line are of a shamefully low grade.

We are constantly picking up both sugar and syrup that is the cream of the crop. If you want real quality for your own use or to send away, we can supply you. Will also pack and ship if you wish.

Filling Holes

Plastered walls are not bomb proof; they crack and fall, leaving ragged holes which may only be mended by a substance made for that purpose.

This need is supplied with Rutland Patching Plaster, a product that may be used by anyone; no special tools needed to insure a good smooth job level with adjoining surface and no cracks around the edges.

When freshly mixed it is as easily handled as putty, when dry is as hard as cement.

Packaged to suit your needs and the left over will keep until needed.

The stomach is a bowl-shaped organ containing the organs of digestion.

A compliment is when you say some thing to another that we both know is not true.
