CARL CLARKE HERD LEAD PRODUCTION

Andover and Fillmore Cows Take Honors as Producers of Quality and Quantity Milk.

Dairy cows in the herd of Carl V. Clarke of Andover and Roy Snider & Son, Fillmore, carried off honors in the Allegany County Dairy Herd Improvement Association testing records for March.

The five high cows milked three times daily were three owned by the Sniders, with the high one making 1,872 pounds of milk, 65.5 pounds butterfat, another 1,863 milk and 65.2 butterfat, the third 1,838 milk, 64.3 butterfat. Other animals in the high five are owned by H. E. Hurd & Son, Almond, 1,842 pounds milk, 64.5 pounds butterfat; L. H. Jamieson, Fillmore, 2,248 pounds milk, 62.9 butterfat.

A cow that made 1,634 pounds milk, 63.7 pounds butterfat, owned by Carl V. Clarke, Andover, led the animals milked twice daily, while two other of his animals were in the same class. One of the registered Guernsey cows of J. F. Olive, Cuba, was second with 63.1 pounds butterfat. Mowers & Thomas, Fillmore, placed one animal fourth with 58.7 pounds butterfat. Nine of the ten high producers were registered Holsteins, one registered Guernsey.

The records of 25 herds in milk and butterfat production were reported in detail but lack of space and time prevents printing all of them.

Carl V. Clarke of Andover, with one dry and seven milking registered Holstein cows led the group with an average per cow of 1,252 pounds milk, 43.8 pounds butterfat. Average butterfat production in pounds for five other herds were: J. F. Olive, Cuba, 40; J. H. Jamieson, Fillmore, 40; Milo Higgins, Canaseraga, 33.3; James R. Young, Angelica, 33.2; and Roy Snider & Son, Fillmore, 31.6.

Twelve herds had average cow records of better than 25 pounds butterfat. Seven others made better than 20 pounds per cow.

The March records compare very favorably with those for February, when the high cow made but 58.4 pounds butterfat, and the highest average herd production was 42 pounds.

EMERGENCY CROP LOANS AVAILABLE

County Farm Bureau Will Take Canvass for Applicants at Belmont Office This Spring.

The News has just received word that the Allegany County Farm Bureau office located at Belmont, N. Y., will take care of applicants for emergency crop loans this spring. The office will be open from 9 a. m. to 5 p. m., for those desiring to make application.

According to the regulations under which the crop loans are to be made this year, any farmer who secures a loan must obtain a statement from the county production council, where one exists, that he does not intend to increase his acreage or production in violation of the Agricultural Adjustment Administration program.

In counties where a production council has not been set up, before any application for a loan will be considered, the farmer who is applying will have to give satisfactory evidence that he is co-operating with the production program of the Agricultural Adjustment Administration.

The maximum amount of an emergency crop loan that may be obtained by any one individual is $250 and the minimum is $10.

Applications for loans in any amount from $10 to $150, may be accepted by the emergency crop loan office provided the farmer does not have sufficient security to obtain a loan elsewhere.

A farmer applying for $150 or more must first make application to the Production Credit Association for a loan from it. Rejection of this application by the Production Credit Association will be considered sufficient evidence that other credit is not available and the applicant may then make application to the emergency crop loan office.

To Erect Club House

The Genesee Valley Conservation Club of Allegany County situated at Caneadea Dam, on Rushford Lake, are planning to build a fine club house. Rushford Lake is one of the finest in Northern Allegany county and within a few years will no doubt be among the most beautiful.

Menzo Mead Hit by Bus

Menzo Mead, an aged Andover resident, was seriously injured Wednesday noon when hit by the Hornell-Wellsville bus, driven by Fred Green.

Mr. Mead was walking in the highway and was opposite the farm residence of Leon Lewis, when the bus came along. He undertook to halt the bus for a ride and stepped in the highway to hail it, but got too close to the oncoming vehicle and was hit. No fault is attached to the driver of the bus.

Mr. Mead sustained serious injuries about the head and hips. He was picked up by a passing motorist and brought to the office of Dr. Scott of Andover who dressed the wounds and ordered him taken to a hospital for treatment. Mulholland's ambulance was called and took him to Jones Memorial hospital in Wellsville.

His condition is not reported critical at this writing, and unless injured internally, will probably recover.

COUNTY INSTITUTE FOR RECREATION

Allegany County Chosen for One of Four State-Wide Recreational Institutes, at Bolivar, May 1-4.

Allegany county has been singled out as the location of one of four state-wide recreational institutes soon to be held. Leaders from Western New York will come to Bolivar Central School for instruction on four days, May 1-4. There will be forenoon, afternoon and evening sessions on each of the four days, led by Mr. John Bradford of the National Recreation Association.

Enrollment will be made thru the Home Bureau, where county agent, Miss Elda Jane Barker, and Lou L. Burton, 4-H Club agent, are assisting in arranging for the event.

Twenty-five leaders from this county, representing rural organized groups such as Farm Bureaus, Home Bureaus, 4 H Clubs, Granges, churches, Sunday school classes, Y. M. C. A. groups, Boy and Girl Scouts, etc., are eligible to secure the benefit of training, which is free. Age limits are 16 to 50 years, an equal number of men and women. Registration will be closed at the first meeting and no new persons admitted after the second session.

The program to be carried out at Bolivar will include subjects: The Philosophy of Recreation, Characteristics of Age Groups as Related to Recreation, Recreation for Adults, Programs for Farm Bureau, Grange, Women's Groups, Farmer's Week, How to Lead Recreational Activities, Marching, Rythmic Activities, Group Games, Team Games, Mass Play, Folk Dancing, Community Singing, Music Appreciation.

The plans of leaders of the movement are to carry forward certain lines of instruction each year. Dramatics will be taken up in 1935.

WILL RESIST UNFAIR ATTACKS

Niagara, Hudson Power Corporation Has Determined to let Public Know Their Side of the Story.

Following is a resolution adopted at the annual meeting of the stockholders of Niagara Hudson Power Corporation, held in New York, Tuesday, April 10, 1934:

Discussion having been had at length by various stockholders present in person with respect to the general situation affecting the utility business, it was unanimously

Resolved, by the stockholders present and in person at the meeting that the officers and directors be requested to consider the advisability of resisting more activity all unfair attacks against the utility business; and further

Resolved, that the president of this company be and he is requested to appoint from those stockholders of this company present at this meeting three persons who shall consider this subject generally.

Rogers — Waters

Mrs. Gladys Rogers of Andover and Kenneth W. Waters of Greenwood were united in marriage Tuesday evening, April 10, 1934, by Dr. W. L. Greene at the S. D. Baptist parsonage. They were attended by Mr. and Mrs. Albert Rogers of this village.

Mr. and Mrs. Waters will make their home in Andover.

Sixty-four associations reported to the dairy herd improvement association in January. Honor-roll cows numbered 6,160.

A. A. A. DEBATES DAIRY OPINIONS

Next Step in Program is to Determine if Majority of Industry Wants Proposed Plan.

The next step in the proposed dairy production control plan of the agricultural adjustment administration will be to consider if the majority of the industry want the program, said Dr. Roger B. Corbett of the federal service in his concluding remarks at the Syracuse meeting on April 7th.

His statement was echoed by Victor A. Christgau, assistant administrator of the A. A. A., who scored the idea that the dairy industry would get the plan whether it was wanted or not. He said the Syracuse meetings were called on April 6 and 7 to learn the attitude of New York dairymen toward the proposed plan and to give them opportunity to discuss it. Mr. Christgau pointed out that the meeting was one of a regional gatherings held thruout the United States to learn the sentiment of dairymen in all parts of the country.

Between 700 and 800 persons attended the milk sessions, and a number almost as large heard federal officials on the first day of the three-day meeting as they outlined adjustment programs now in operation thruout the nation and discussed the code and agreement situation with the exception of dairy products.

A.A.A. Head Attends

Chester C. Davis, A.A.A. administrator, and H. R. Tolley were in charge of the first day's meeting. C. E. Ladd, dean of the state colleges of agriculture and home economics presided.

Mr. Davis said the case of the A.A.A. in New York State cannot be balanced if only the direct and immediate benefits to farmers arising from programs undertaken to date are considered. He said the basis of judgment must be broader and that the problems of the state should not be considered apart from the rest of the country.

Considerable opposition developed against the proposed dairy production control plan during the two-day sessions, tho it was not without its supporters.

State commissioner of agriculture and markets, Charles H. Baldwin, urged New York state dairymen to protest against the proposed program and the accompanying processing tax. He termed the plan and the tax as unfair and discriminating against the eastern states.

Fred H. Sexauer, president of the dairymen's league co-operation association, asserted that drastic production control of dairy products would not be necessary if "monetary reform, thru increasing the price of gold, continued to bring basic commodity prices back to the 1926 level."

Henry S. Manley, counsel to the New York State department of agriculture and markets, predicted at the hearing that the proposed processing tax advocated by A. A. A. representatives would be declared unconstitutional by the United States supreme court. He said that recent decisions of the supreme court have indicated a disapproval of the program.

See Benefit in Plan

Supporters of the plan, on the other hand, saw in the program an attempt by the federal administration to help the distressed dairy industry as a whole thruout the country. Tho fewer in number at the Syracuse meeting, it seemed, they were given ample opportunity to express their opinions.

Stanley Piseck of Newport, president of the New York milk producers' federation, inc., spoke in favor of the plan and lauded the presentation and attitude of the federal representatives. Others who came to the platform urged co-operation and praised the efforts of the administration.

Professor M. C. Bond of the department of agricultural economics at Cornell outlined the dairy situation in New York state. Jerome D. Barnum of Syracuse presided over the milk sessions. Visiting farmers and delegates were allowed to question the speakers and to discuss the problems.

Girl Killed Near Almond

Mary Adele Wheeler, six-year-old daughter of Mr. and Mrs. Merritt Wheeler of Pennsylvania Hill was killed after alighting from a school bus and running into the road directly in front of an auto being driven by John J. Oakes of Andover who was exonerated from blame by Coroner M. G. Burch.

Mr. Oakes rushed the child to the Bethesda hospital, where she died Thursday.

TRI-COUNTY W.R.C. FEDERATION MEETS

Allegany County Federation of Women's Relief Corps Holds Interesting Session at Wellsville, Wednesday

The Allegany Valley Federation of Woman's Relief Corps met in semi-annual session Wednesday, April 18th, with Dexter Corps, No. 19, in I. O. O. F. Hall at Wellsville.

The morning session, called at 10 o'clock, officered by President Mrs. Brownell, Olean; Vice President Mrs. Backus, Andover; Chaplain Mrs. Rider, Wellsville; Secretary Mrs. Barnes, Bolivar; Treasurer Mrs. Pachall, Corning; Conductor Mrs. Hart, Hornell, Councelor, Mrs. Bentley, Corning; Color Bearers, Mesdames Burbank, Bixby, Davis and Witter, Andover.

About 150 were registered, representing corps from Angelica, Andover, Belmont, Bolivar, Corning, Hornell, Olean and Wellsville.

Comrade and Mrs. VanNostrand of Wellsville, honor guests, were introduced and received a hearty applause of welcome. Mr. VanNostrand is 95 and his wife 85 years young.

This was the golden birthday anniversary of Dexter W. R. C., No. 19, Wellsville, and each member upon arrival was decorated with a yellow ribbon badge, bearing the name and number of the hostess Corps and the dates 1884-1934, by the president, Mrs. Alice Rider of Wellsville.

The morning session was devoted to the general routine of business, reports from the several corps of the Federation and plans of work for the year. At 12:30 dinner was served in the lodge dining rooms.

The afternoon session was called to order at 1:30. Items of business were cared for and the doors opened in public session for "good of the order" hour.

A splendid program was presented which included a sketch of the organization and accomplishment of Dexter Corps in the 50 years since its organization, prepared and read by Miss Nora Fuller of Wellsville. A hearty welcome to those present given by the president, Mrs. Rider. Numerous readings, recitations and "character skits" interspersed by vocal and instrumental musical numbers in which all of the corps present were represented, were thoroly enjoyed by those present.

A drill by a degree team of 24 members from Corning was skillfully executed. The ladies made an especially attractive appearance in white gowns, hose and pumps, wearing military capes and hats of blue cloth trimmed in red and gold, contributed to an afternoon of appreciative entertainment.

Comrade VanNostrand and wife were presented a beautiful bouquet of snapdragons and carnations by Dexter Corps.

An invitation to hold the October meeting at Corning was unanimously accepted by the Federation.

At the close of the meeting a group picture of all those in attendance was taken by a Wellsville photographer.

Andover was represented at the meeting by Mrs. Henry Livermore, Mrs. James Burbank, Mrs. Frank Davis, Mrs. Elmer Bixby, Mrs. Augusta Coats, Mrs. Wm. Green, Mrs. James Guinn, Mrs. Dan Witter, Mrs. Jennie Flint, Miss Mary White and Mrs. J. Harvey Backus.

Quarterly Report Andover Library

The report of the Andover Free Library for the quarter ending Mar. 31st, is as follows:

New books added by gift	1
New borrowers	41

We are grateful to Frank Graves for the gift of an additional copy of the book 100,000,000 Guinea Pigs, which has been in great demand and will be appreciated by our patrons.

C. H. Watson Lectures at Kenmore

C. H. Watson was a business visitor in Buffalo and Kenmore, Tuesday and Wednesday. He delivered his picture "The Lure of Labrador" at the Kenmore Baptist church Tuesday evening.

Automobile Banquet Thursday Evening Next

The Andover Automobile Club annual banquet is to be held at I. O. O. F. Hall Thursday evening, April 26. This is free to all members of the local club whose dues are paid.

If you are not a member, and own or operate an automobile there is no better time than right now to join with your fellow motorists in an evening of enjoyment and felicitation.

Every member who joins the club is doing his bit to help get better roads, more just and equitable motor vehicle laws.

WILL COMPLETE PHYSICS HALL

Board of Trustees of Alfred University Have Authorized the Work, to be Finished by Sept. 1.

Alfred, N. Y.—Announcement was made by Dr. J. Nelson Norwood, acting president of Alfred University, following a meeting in the president's office on Monday, April 16th, that the Board of Trustees of Alfred University have authorized the completion of Physics Hall. The building will be ready for classes with the opening of college in September.

Work was begun in 1931—the floor and walls of the basement were completed—but because of lack of funds work was stopped. The University has been much in need of this additional space, the original building "Babcock Hall" having burned during the winter of 1928-29. Since that time, the physics department has been housed in the basement of Kenyon Hall while several of the classes from the department of mechanics and woodworking have been held in other buildings.

The new building will be fireproof thruout, insuring utmost safety for students and equipment. It will be built of brick and trimmed with stone in the general plan of other buildings on the campus, Georgian architecture. The three floors will accommodate 13 classrooms and laboratories in addition to some offices. During the summer of 1929 a machine shop annex was built to accommodate the courses in shop work until the new building might be completed. Since the annex was built just back of the site of Babcock Hall, an archway will be constructed to connect it with the first floor of the new building.

RELIEF PAYMENTS ARE STILL SOARING

Outlays Rose to New High in March. — $5,587.98; Over Double That of October 1933.

Despite reports of increased employment and bettering of business conditions in financial and manufacturing centers the problem of public welfare in Allegany county continues to grow greater in prominence as the months go by rather than lessening as might be expected with distribution of free surplus foods and CWA work projects.

According to the March reports of Commissioner of Public Welfare Dr. Ivan G. Howe to the State TERA, gathered from the 29 towns now administering home relief, outlays rose to a new high, $5,587.98, two and one-half times what they were in October, 1933. From January to February the increase was but $115 but from February to March it was $1,077. The number of families aided increased at the end of each month from 285 to 315.

These increases are shown despite the distribution thru March of 1,871 pounds of butter, 914 cases of roast beef, 134 sacks of flour, ten pounds of salt pork, 3,985 pounds of smoked pork, 71 dozen eggs, 48 pounds of oranges, 20 pounds of cheese anl 16 pounds of lard.

Distribution of the $4,796.19 of home relief subject to reimbursement was as follows: For food, $2,861.81; for shelter, $603.61; for light, $4.18; for fuel, $524.70; for clothing, $213.45; for household necessities, $1.61; for medical care $586.83. Home relief to veterans, reimburseable, totalled $303.63; home relief not reimburseable $488.16.

The number of families aided in March was 367 representing 1,554 persons, while 66 non-family persons were on the rolls.

Change Restaurant Name

The City Restaurant, which has done business under that title in Andover for the past nine years, has been re-named Wade's Restaurant and will be known by that name in the future.

ALFRED STUDENT KILLED IN CRASH

Two Others Returning from Show at Wellsville Were Seriously Injured, Tuesday Morning.

Tobias Silowitz, 21, a student at Alfred University, was killed and two others injured when a roadster in which they were riding from Wellsville, left the road near the Stearns crossing and turned turtle twice Tuesday morning at about 2 o'clock.

Miss Juliette Drabkin, 21, owner and driver of the car and Jerry Rosen were the students injured. Miss Drabkin is seriously but not critically injured. She has a double fracture of the right arm and cuts and bruises and possible internal injuries. Rosen is the least hurt of the trio.

The three students were returning from the picture show at Wellsville.

They had completed the first part of the curve and had crossed the Erie tracks as another car coming towards them with blinding headlights, forced Miss Drabkin to the shoulder of the road. The shoulder was soft, causing the driver to lose control. The car swerved into the pole and turned over twice. None of the students were thrown out.

A passing motorist picked the students up and brought them to the Jones Memorial hospital, Wellsville. All injured were unconscious. Silowitz lapsed into a coma at 4:30 o'clock and died at 5:15. He had a fractured skull a bad abdominal injury and a crushed right lung. Any one of his injuries would probably have caused death.

STATE SCHOOL AID IS DISTRIBUTED

Andover Receives $11,069.-99 for Education, Its Share of Second Half of State School Money.

Checks have gone out to supervisors and union, high and central school treasurers from the office of County Treasurer Claude L. Cummings for the shares of each over Allegany county of the $258,509.10, second half of the state school aid moneys for 1934.

In the first supervisory district, Frank L. Tuthill, superintendent, the amount sent to towns was as follows: Allen, $3,828.14; Caneadea, $4,652.05; Centerville, $4,049.70; Granger, $2,693.29; Hume, $3,864.-61; Rushford, $3,873.01. Fillmore High School was sent $6,794.53 and Rushford High School $4,139.01.

Friendship Central School drew the largest amount in the second supervisory district, George H. Smith, superintendent, $22,173.25, with Cuba next, $9,669.24; Belmont, $7,971.05 and Belfast $5,616.89. In the towns district schools drew these amounts: Amity, $1,252.80; Belfast, $2,100.96; Cuba, $1,810.54; Friendship, $500.01; New Hudson, $5,249.-66.

In Wilfred J. Coyle's third district Bolivar Central School, with $32,283.49, drew the largest amount incidentally the greatest single amount awarded in the county. Richburg Central School was next with $14,243.64, with Scio Union receiving $4,568.50. The six towns in that district were forwarded these amounts: Alma, $2,549.57; Bolivar, $1,280.64; Clarksville, $4,-083.83; Genesee, $1,507.70; Scio, $2,592.46; Wirt, $1,479.52.

The three central schools and district schools in six towns in the fourth district, William H. Garwood, superintendent, received: Town of Almond, $3,964.59; Angelica, $2,-497.42; Birdsall, $2,854.73; Burns, $2,922.32; Grove, $3,777.70; and West Almond, $3,287.99; Almond Central School, $6,630.68; Angelica, $6,814.49, and Canaseraga, $5,604.-02.

In the fifth supervisory district, of which W. G. Pope is superintendent, the towns received these amounts: Alfred, $2,882.72; Andover, $2,331.85; Independence, $1,-327.52; Ward, $3,523.05; Wellsville, $2,469.29; Willing, $2,921.95. Central schools received these amounts: Alfred, $5,694.60; Andover, $6,738.-14; Independence, $5,094.99; Wellsville, $29,893.43.
