Legion Post Receives Flood Citation

Also Considering the Forming of a Sons of the Legion Squadron in Andover.

Thomas M. Lynch Post, No. 397, American Legion, received a special citation signed by Harry W. Colmery, National Legion Commander, at its regular meeting last Thursday evening. The citation is in recognition "For faithfulness in carrying out that part of the National Americanism program which calls for service in time of disaster," and states that the post rendered worthwhile public service during the Ohio and Mississippi river floods of 1937 by being among the first to come to the aid of those stricken areas.

The Andover Legion Post is justly proud of this citation which has been framed and hung in its rooms, and also appreciates the fact that it was the generosity of the people of Andover and vicinity in giving food and clothing that enabled the post to render this service.

Other Legion Posts in the county receiving similar citations are Bolivar, Fillmore and Wellsville. Alfred, Cuba and Belmont posts also cooperated in the flood work and similar recognition is expected to come later to these posts.

Harry Sackinger of Bolivar, county chairman of the Sons-of-the-Legion organization, was also present at the meeting and gave the Post members a general outline of the fine work this Legion-sponsored organization is doing among the boys. A committee was appointed in the local Post to consider the possibilities of such an organization in Andover. The committee appointed by Commander McDonough are: Ralph Burgett, Ralph Shaff, Ernest Burdick, Harold Hardy and C. C. Backus.

Send a Telegram To President Roosevelt

Help Our President Fight Infantile Paralysis by Your Mite. All Citizens Join in This Good Work.

Saturday, January 29th is President Roosevelt's birthday. He has dedicated for the fifth time this day as the time for all citizens to do their bit toward the relief of infantile paralysis sufferers. The entire nation will celebrate this day regardless of sex, faith, party or color.

In the larger cities the occasion will be properly observed by holding birthday balls. Thruout Allegany county it has been decided to substitute a plan whereby nearly everyone may be allowed to participate. The Western Union Telegraph company has arranged to send individual birthday greeting messages to President Roosevelt. The cost of each individual message will be but 25 cents, which is paid directly to the Western Union Telegraph company. No charge is made by the telegraph company for their services and all of the money collected is sent directly to the committee for the promotion of the President's birthday party.

This year all of the money collected will be put into a fund forming a permanent Infantile Paralysis Foundation for the prevention and cure of this terrible disease.

This, the greatest of humanitarian fights against infantile paralysis, is its fifth anniversary. The governors of all states, senators, congressmen and philanthropists, and hundreds of thousands of individual citizens have thrown their influence into fighting this disease thru this method.

The local committee having this good work directly in charge for the Town of Andover is:

Mrs. Mary Burns, chairman.
Dr. S. B. Scott.
Dr. H. J. Leahy.
Clifford Howland.
Mrs. Robert Dean.
Mrs. William McGee.
A. B. Richards, county chairman for this project, is entertaining all town committeemen of the county at Hotel Fassett, Friday evening.

DON'T BE AFRAID of CHANGE

by Lawrence Hawthorne

I give my sons this brief advice:
"Don't be afraid of change!
Don't close your minds to anything
Because it's new or strange!"
And I believe that most of us
Could well afford to be
More tolerant of purposes
With which we don't agree.

The time we waste in arguments
And bickering and strife,
Attempting to advance our own
Philosophies of life,
Could so much better be employed
In learning what is true—
And who can say a plan is wrong
Because it may be new?

The only thing that men should fear
Is failure to progress;
It's growth, enlightenment and change
That brings true happiness!
And so, I want my sons to greet
The dawn of each new day
With eagerness to journey far
Some unfamiliar way.
