A fine dinner was served by the ladies of the Rebekah lodge at the noon hour. The tables were attractively decorated in the National colors and the menu served was excellent.

Public business session in the afternoon included an acceptance by the Federation to hold their October meeting in Olean.

An enjoyable program included musical numbers, readings and recitations by members of the several corps in the Federation. A humorous skit put on by a group of 20 members from Corning created much merriment and received a round of applause. The costumes were unique and the entire number well executed.

Constitutional Delegates Talk Milk Regulations

Discuss the Feasibility of Declaring Milk a Public Utility Considered by "Liberal" Delegates.

Albany, April 20. The feasibility of declaring milk a public utility in view of continued unrest in New York's $2,000,000,000 industry was considered today by "liberal" delegates to the convention to revise the state's organic law.

Such an amendment, if approved by the convention and the November electorate, would:

1—Place the industry under supervision of a state body similar to the Public Service Commission, which regulates utilities such as power and water companies, bus concerns and railroad corporations.

2—Give the governing body the right to limit distributors' profit to 6 or 7 per cent, the same as now prevails for all utility companies, and fix production costs.

Samuel Untermyer, celebrated New York City lawyer, who long has been interested in the milk industry, said he was preparing such an amendment.

In addition to consideration of the subject by numerous other delegates, the convention's Agriculture Committee informally discussed the advisability of drafting such a proposal at its organization meeting. Republican Delegate Jerome D. Barnum, Syracuse publisher, is chairman of the group.

Attorney General John J. Bennett Jr., recently declared milk a "public necessity," bordering on a utility, in reporting an audit of from 12 to 27 cents a quart on fluid milk and up to 108 per cent on by-products.

State Agriculture Commissioner Holton V. Noyes has warned repeatedly, "Some day milk will become a public utility unless the industry finds a way to quell the frequent disturbances."

Informed of the present discussion among delegates, Mr. Noyes said, "I don't think the time has yet come to declare milk a public utility."

Andover Silk Mill Getting Under Way Here

Had 30 People Working Wednesday of This Week, With 18 Looms Running. Future Looking Bright.

The writer was over to the Andover Silk Co. plant Wednesday afternoon and the sound of looms, warpers, spinners and other silk-weaving machinery running again in Andover was most welcome music.

The mill had 30 people working, and are adding more as fast as they can accommodate them. There were 18 looms running Wednesday, with several more warps about ready to be put on other looms.

Things seem to be shaping themselves in fine style all thru the mill and the prospects are bright for Andover again to have a flourishing silk mill, thanks to the untiring efforts of the local committee.

Observe Golden Wedding Anniversary

Mr. and Mrs. Robert Bullard observed their 50th wedding anniversary at the family home of Mr. and Mrs. Homer Spencer of Friendship, April 19, 1938. The couple were married April 19, 1888 at the home of Mr. and Mrs. Cornelius Dolson, the bride's parents at Cuba, the Rev. F. D. P. Bickley officiating.

There were 30 present at a table beautifully decorated in the appropriate color of gold. In the center a large wedding cake with miniature bride and groom was artistically arranged. Gifts and congratulatory cards amidst a profusion of flowers were received by the couple, who welcomed many friends.

One interesting feature among the guests was the presence of Samuel L. Willard, 96 year old Civil War veteran of Cory, Pa., an uncle of Mrs. Bullard, one of the few Civil War veterans to be well and active.

A large basket of yellow roses and beautiful flowers from friends and neighbors here were sent to Mr. and Mrs. Bullard.

Those attending from Andover were: Mr. and Mrs. George Barrett, Mrs. Lillian Sutton, Mrs. John DeRemer and son Leo.

Will Hold Community Health Program

Community Health Night Will be Observed May 12 at Andover High School. Fine Program Outlined.

Andover is planning to do her part in observing Child and Mother Welfare Weeks; but in order to do this it is necessary that every organization contribute something to its success.

The Lecturer of Andover Grange attending the Health Conference called by Judge Ward M. Hopkins in conjunction with the Public Health Nursing Service, decided to start the ball rolling. Thru the aid of Mrs. Carol Carpenter, county nurse, and Principal Glenn Bretsch a Community Health Night will be held in the Andover High School May 12th, at 8 o'clock. Marian Loew from the State Health Department will be the speaker; a health movie and a health play by first graders will be other features. The American Legion will tell briefly of the baby incubators that have been purchased

The Exchange Club is offering prizes to the school children for health posters. The Andover Free Library will have an exhibit and a list of books in the Andover News on child welfare. The merchants of the village will feature window displays of wares pertaining to health or child comfort.

The co-operation of the clergy and the churches are solicited. The conference suggested that a sermon on Child Welfare May 1st and one on Mother Welfare May 8th be given.

In this connection a community church night has been planned for Sunday evening, May 1st at the Methodist church. Judge Ward M. Hopkins will speak on the subject, "Good Morning, Judge."

It would be appreciated if every organization by exhibits or programs would stress health during the month of May.

William J. Bines

Andover people were saddened Sunday night by the passing of one of our lifelong and substantial citizens, William J. Bines, at his home on the Andover-Alfred road, following an illness of five months' duration.

William J. Bines, son of William and Hester Swain Bines, was born in Andover Oct. 17, 1860, and passed from life at 8:45 Sunday evening, April 17, 1938.

February 19, 1916 he was united in marriage to Miss Florence Bassett of Andover who has tenderly cared for him during the months of illness. His devotion to his wife and home and kindness to many friends will long linger in the memory of those with whom he associated.

Mr. Bines was a member of the Andover Presbyterian church.

Farewell services were held Tuesday afternoon from the home, Dr. Walter L. Greene officiating. Burial was in Hillside cemetery.
