CCC Foreman: "See here, buddy, that other fellow is carrying two logs when you're moving only one. What's the matter with you?"

Buddy: "That fellow's too lazy to go twice."

It's Time to Fight Tent Caterpillar

"If you have not already done something about the tent caterpillar, you better start now while the insects are still small and before they begin wandering all over the garden or orchard," said Professor A. H. MacAndrews of the New York State College of Forestry at Syracuse University.

"On stormy and cold days the whole colony of caterpillars can be found within the cell. Hand pick this and destroy it at once, but be sure the caterpillars are at home in the web and not out feeding on the foliage, otherwise the destruction of the web is a waste of time," warns Professor MacAndrews.

He says: "Burning the webs on the trees is often resorted to but it is not recommended for general use, as the average person does more permanent harm to the bark with the fire than the insects do. Besides, many of the insects drop to the ground at the approach of heat and later crawl back.

"If you prefer to spray; lead arsenate mixed with water, at the rate of two teaspoonsful of the lead arsenate powder in one gallon of water, or two pounds of lead arsenate to 50 gallons of water, can be used very effectively. Be sure that the spray reaches all the foliage and is put on thoroly. Don't delay, every day makes it harder to control the insect, and when the caterpillars start to wander, it is a poor time to think of doing something.

"If your trees are clean now but your neighbor's trees are badly infested, you better put a band of tanglefoot around the base of your tree to prevent the caterpillars on the trees of your neighbor from invading your trees and eating the foliage.

"Associated with this pest is the forest tent caterpillar. This insect has no tent of silk in a crotch of a limb, but collects in colonies on the bark and can be crushed by hand or sprayed as recommended for the orchard species. The forest tent shows a preference for our shade trees, and is very common on maple and ash this year, but will also feed on the apple and other fruit trees. It is recognized by the conspicuous line of large white spots down the middle of the back.

"To keep down both of these pests a regular campaign of early spring sprays should be resorted to. In commercial orchards where this is done, they have no trouble with the tent caterpillar."

Parking Charge at Letchworth Park

In view of considerable publicity in the last few months regarding automobile parking charges in Letchworth park for the season of 1938, the Genesee State Park Commission very much desires that there be entire understanding by the patrons of the park.

1.—Parking charges for motor vehicles in Letchworth and all other State parks are nothing new and have been in operation many years, only the method of collecting such fee in past years in this park.

2.—This season the parking fee will be collected at the several entrances to the park instead of at the several parking areas as in the past years at the rate of 25 cents per auto (not 25 cents a person), buses or trucks 50 cents if carrying less than 13 persons, $1.00 per truck for over 12 persons, 25 cents per motorcycle.

3.—This method will allow purchaser of a parking ticket the privilege to park in any provided parking area at no extra charge.

A season ticket may be purchased at $2.50 per auto, allowing the holder to park as many times as they desire all season.

Births

May 19—To Mr. and Mrs. William Crozier of Friendship, a daughter.

May 19—Twin sons to Mr. and Mrs. Don Burdick of Wellsville.

May 19—To Mr. and Mrs. Daniel Gridley of Wellsville, a daughter.

Fred A. Hulbert, 80, at his home in Bolivar, May 24. Two sons and a daughter survive. Services will be held at the late home this Friday afternoon.

Veterans Are Too Feeble To Decorate 3,000 Graves

Gettysburg, Pa., May 24 — Old soldiers who for years have decorated the graves of those who fell on the nation's most famous battlefield called today for younger men to carry on the duty grown too strenuous for them. Disdainful of advancing age, the handful of surviving veterans who shouldered muskets in this drowsy section of south-central Pennsylvania 75 years ago have proudly handled the work of keeping forever green the graves of fallen comrades.

This year, however, the gray-haired and enfeebled veterans were obliged to delegate the task to younger and sturdier hands. Holding to tradition, they called upon sons and grandsons to take up preservation of the 3000 graves.

Nevertheless the veteraans still will have a part in the Memorial day ceremonies next Monday. Donning again their faded blue uniforms, they will motor in the annual parade that attracts thousands to this historical observance.

No Room for Expansion

Makeup Expert: "I'm having trouble making up the face of Miss Blank for that new part. I wish I could make her mouth bigger."

Director: "I don't see how you can unless you take her ears off."

SUPREME COURT,
COUNTY OF ALLEGANY,
STATE OF NEW YORK

Home Owners' Loan Corporation,
New Post Office Building,
Washington, D. C.
Plaintiff

vs.

Vinia Houghtling,
Defendant.

NOTICE OF SALE

In pursuance of a judgment of foreclosure and sale made and entered in the above entitled action, bearing date the 14th day of May, 1938, and entered in the Allegany County Clerk's Office on the 14th day of May, 1938, I, the undersigned Referee in said judgment named, will sell, at public auction, at the law office of Chester M. Bliss, in the Village of Bolivar, New York, on the 6th day of July, 1938, at ten o'clock in the forenoon of that day, the following described premises:

All that certain lot, piece or parcel of land, with the buildings and improvements thereon erected, situate, lying and being in the Town and Village of Andover, County of Allegany and State of New York, known and distinguished as a portion of Lot No. 80, in the said Village, bounded and described as follows, viz.: Commencing in the center of Church Street in said village, at the northwest corner of a village lot now owned by Elizabeth Owen Smith, legatee of the James Owen Estate; running thence nearly east along the north side of said Owen lot and lots heretofore conveyed to Jesse Snyder and Frank Clark by G. M. Barney and wife, three (3) chains, three and one-half (3½) links; thence nearly north two (2) chains, eighty-seven and one-half (87½) links to a point one (1) chain, eighty-seven and one-half (87½) links east of the center of Church Street; thence nearly west parallel with the center line of Elm Street, in said Village, one (1) chain, eighty-seven and one-half (87½) links to the center of Church Street; thence along the center of Church Street to the place of beginning, containing one hundred twelve and ninety-three hundredths (112.93) square rods, be the same more or less.

Reserving the right to the grantees of G. M. Barney deceased, to appropriate one and one-half rods off from the north end of the premises above described and conveyed for the purpose of laying out a public highways, as such rights now exist in their favor.

The party of the first part covenants for herself, her heirs and assigns, that she will keep open and maintain at or near the south line of the premises above described, a ditch sufficient to carry away the water flowing from lands that lie above the premises herein described and the maintenance of said ditch is hereby expressly charged upon the premises hereby mortgaged.

Being the same premises conveyed by Nancy Smith to Guy S. Wood, by Warranty Deed, dated January 18, 1929, and recorded in the Allegany County Clerk's Office on the 30th day of January, 1929, in Liber 217 of Deeds at page [illegible].

Dated May 14, 1938.

A[illegible] [illegible]TSON,
[illegible]

CHESTER M. BLISS,
Attorney for Plaintiff,
Bolivar, New York.

Moths do not attack clean woolen articles as readily as soiled ones.

HELP KIDNEYS
To Get Rid of Acid and Poisonous Waste

Your kidneys help to keep you well by constantly filtering waste matter from the blood. If your kidneys get functionally disordered and fail to remove excess impurities, there may be poisoning of the whole system and body-wide distress.

Burning, scanty or too frequent urination may be a warning of some kidney or bladder disturbance.

You may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel weak, nervous, all played out.

In such cases it is better to rely on a medicine that has won country-wide acclaim than on something less favorably known. Use *Doan's Pills*. A multitude of grateful people recommend *Doan's. Ask your neighbor!*

DOAN'S PILLS

STOP THAT ITCH
DON'T SUFFER ANOTHER MINUTE
Evons' Oxylin Ointment, absolutely new and different, not a messy liquid. Greaseless, vanishing, non-poisonous, healing, pain-relieving, antiseptic. Wonderful for itching, eczema, impetigo, barrel, sore mouth, chapped skin, silk and leather poison, after shaving, tired, burning feet, cracks between toes, athlete's foot and rectal itching. Safe to use on babies and children. Used by hospitals, doctors, and chiropodists. Money-back guarantee.

CLAIR'S PHARMACY

WAKE UP YOUR LIVER BILE—
Without Calomel—And You'll Jump Out of Bed in the Morning Rain' to Go

The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You get constipated. Your whole system is poisoned and you feel sour, sunk and the world looks punk.

A mere bowel movement doesn't get at the cause. It takes those good, old Carter's Little Liver Pills to get these two pounds of bile flowing freely and make you feel "up and up." Harmless, gentle, yet amazing in making bile flow freely. Ask for Carter's Little Liver Pills by name. 25c. Stubbornly refuse anything else.
