Dog Owners' Notice

Dog licenses for 1939 expired on December 31st, 1939. The 1940 license fee was due January 1st. Licenses so issued will cover the period from January 1st to December 31st, 1940. Every dog must wear a tag of the current dog license year. A dog without such a tag is not protected by law and no action can be maintained for his injury or destruction.

An unlicensed dog may be seized and killed and the fact that a dog is without a tag is presumptive evidence that the dog is unlicensed.

Dog licenses must be obtained from the clerk of the city or town where the dog is harbored or kept.

License fees: Male dog, $2.25; female dog, $5.25; spayed female dog, $2.25. These amounts include clerk's fees.

No license can be issued for less than the full license year.

The owner of a dog who fails or refuses to obtain a license for the dog as required by law incurs a penalty of $10.00 and costs.

The enumerators of towns and the police departments of cities are required to prepare in January of this year a list of dog owners. The omission of the name of an owner from the enumerator's or police list will not excuse the owner from obtaining a license.

If you owned a dog last year and do not own one now, so advise the clerk of your town or city.

Dog licenses in the town of Andover are issued by Mrs. Florence Bloss, Clerk, P. O. Address, Andover, New York.

Uncle Ab says that no fame at all is likely to give more happiness than a great reputation, or a bad one.

SHORT'S ALMANAC

"It is sometimes expedient to forget who see are."

ANDOVER NEWS

A PROGRESSIVE FAMILY NEWSPAPER FOR ALLEGANY COUNTY PEOPLE — IN POLITICS INDEPENDENT BUT NEVER NEUTRAL.

VOL. 55, NO. 4. ANDOVER, N. Y., FOR THE WEEK ENDING THURSDAY, JAN. 25, 1940. $2.00 Year; 5c Copy

Will Begin New Feature "Ask the Scientist"

Presenting Answers to Timely Scientific Questions Each Week. Provided by New York Press Asso.

The Andover News will begin publication in its next issue of a new regular feature entitled "Ask the Scientist" which will present answers to timely scientific questions each week. This series of articles is provided by the New York Press Association for its member newspapers exclusively.

Accuracy of the scientific information to be presented in this new feature is assured by the fact that it is prepared by the Science Board of the Radio Workshop at Syracuse University which is composed of members of the university's science faculty.

Readers of the News may participate in the preparation of this feature by submitting timely scientific questions they would like to have answered. They may send such questions to the New York Press Association, The Castle, Syracuse, N. Y. The Science Board will answer each week those questions it considers of greatest interest and timeliness.

This new service to News readers is offered in recognition of the growing interest in scientific matters and of the difficulty of obtaining understandable information which is authoritative in this field.

The board of experts which prepares the "Ask the Scientist" articles represents a wide range of science including Prof. Nelson Brown of the New York State College of Forestry at Syracuse University and the professors in the College of Liberal Arts. The latter are Dr. Albert Elder, chemist; Dr. Ernest Reed, geneticist; Dr. Sidman Poole, geographer; Dr W. R. Fredrickson, physicist; and Dr. Verlus Lindeman, physiologist.

Allegany Had 16 Auto Fatalities in 1939

Batavia, Jan. 22.—There were 16 automobile fatalities, eight of them pedestrians, in Allegany county during 1939 according to a report issued today by Troop A, New York State Police, Traffic Bureau. The report shows 115 persons injured in the county with a total of 138 accidents.

Interesting Article On Cobb School

Earl Kemp brought the News the following article which will prove of much interest to the older residents of the village, which gives a list of the pupils attending the Dean school just 42 years ago this winter:

Editor Andover News:

I see by the News that the old Cobb school or later known as the Dean school has been sold.

To us who received our limited amount of education there, it brings back memories of the good old school days. We think back of the many good teachers and the different schoolmates who are now located far and near. Some may recall a boy or a girl friend or perhaps a teacher that took us across their knee and applied the old 12-inch ruler. But I can say there was no better bunch than the scholars who attended District No. 9 just 42 years ago this winter.

At that time Ira S. Kemp was trustee; Joseph M. Magner of Voorhees Hill was teacher and the following were students:

Alma Burger Edward Cotter
John Casey
Frank Dean Mack Dean
Johnnie Dean
Catherine Dean Robert Dean
Herman Dean
Edward Dougherty Rose Dougherty
Grace Dougherty
James Dougherty Norman Hollowell
Mina Jones
Archie Kemp Elmer Kemp
Earl Kemp
Harry Kemp Mark Kemp
Mary Lynch
James Lynch Terrance Lynch
Michael Lynch
Daniel Lynch Mary McGrath
Grace McGrath
Leo McGrath Floyd Mattison
Floyd Palmer
Grace Palmer Minnie Ribble
Angie Ribble

Emergency Crop and Feed Loans Now Available

Emergency crop and feed loans for 1940 are now available to farmers in Allegany county. Carl G. Graybeal, field supervisor for the Emergency Crop and Feed Loan Section of the Farm Credit Administration will take applications in the town of Belmont at the Farm Bureau office on February 6th, 1940, between the hours of 10 a. m. and 2:30 p. m.

Card of Thanks

We wish to express our deep appreciation to all the kind neighbors and friends for the many expressions of sympathy and acts of kindness extended us in our bereavement.

TRUMAN G. BURDICK AND FAMILY

National Boy Scout Week Begins February 8th

Andover Scout Troop, Formed Last Spring, Is Very Active in Andover. Sponsor Many Projects.

This is a week which all of us as citizens of the United States and of the Village and Town of Andover should keep in mind, since it is to commemorate the activities of an organization which has done much to better life and conditions for the boys of America.

This organization, as we all realize, has taken boys of every walk of life, every religion, every sect, and banded them together into organizations which has taught these boys the finer things of life. Taught them the way to help others, to learn to do useful acts and trades, how to preserve their existence in the wild wood; how to read the signs that certain animals have passed this way; how to save lives from drowning and to resuscitate those who have nearly drowned. But all the time that the Boy Scout organization was doing these things, they did nothing to create an armed band of young soldiers such as has been created in many of our European countries where, instead of Scouts they have merely set up military organizations, teaching the boy during his most formative period that his best value to the country was as a soldier, that his country is always right, that his leader is the only leader in the world of any value. All these teachings are abhorrent to the ideals of our Boy Scout organizations.

Here in Andover we have a good example of the work of the Boy Scouts. This troop was formed in Andover last spring with Lucien Kerns as Scoutmaster. The troop is entirely non-sectarian and is made up of boys from all walks of life and religion in our village. They have done many things in Andover, including overnight hikes in which the boys camped out all night, prepared their meals and learned much wood craft under the capable direction of Scoutmaster Kerns.

Last fall the Boy Scouts put on a pancake supper in which they raised some much needed funds to carry on their work. Later on a bake sale was held and other activities are lined up for the future.

At present, every Saturday they are gathering papers from all over the village and hope by this means not only to beautify our village, but also to raise some funds to buy equipment for their troop.

These boys, by obeying the Scout laws and living up to their Scout oaths are gradually becoming better citizens and as better citizens are a great value to the village of Andover.

Therefore, we the undersigned committee, hope that all of the citizens and organizations of the Village and Town of Andover will remember that there is a very active Boy Scout troop here in the village and that they will try to observe in every way Scout Week which begins on Feb. 8, 1940, and if they notice any activity on the part of the different Boy Scouts of this village they will comment on it to the other boys and if possible commend them for their work.

The Committee:
ALMON WOOD, Chairman,
JOHN OAKES, Treasurer
KENNETH BOSTWICK, Secy.
DR. J. ROBERT COMMON,
REGINALD J. SOOTHERAN.

Annual Report of the Supervisor of Andover

Moneys Received and Paid Out by the Supervisor and Town Board. Detailed Statement of the Financial Transactions for the Year Ending Dec. 31, 1939.

Buffalo News Almanac And Fact Book Out

The News acknowledges with thanks a copy of the 1940 Buffalo News almanac and fact book.

This book has become a veritable guide for Western New York, having, besides the regular almanac features, statistical facts with particular emphasis on Western New York. A special feature is the listings of town and county officials in all of the eight counties of Western New York.

Benefit Card Party

The Andover Odd Fellows will hold a benefit card party this Friday evening, Jan. 26th at their rooms for the benefit of the local infantile paralysis drive.

The public is invited to attend and give this worthy cause a lift.

Dairymen's League Hold Annual Meeting Here

Elect Officers and Directors For Coming Year. Robert Payne Gives Fine Address on Milk Prices.

Fifty people, members of Andover local of the Dairymen's League, their families and guests attended the annual meeting of the League at the Grange hall January 18th.

At the business session Clifford Green and Robert Spicer were elected directors.

Officers were elected as follows:
C. A. Robinson, president.
Frank G. Mead, vice president.
Harry Smith, secy. and treas.
Mrs. Edna Burdick, publicity agent.

The social program consisted of community singing and a welcome song written by Mrs. Grace Spicer, associate delegate, and sung by Mr. and Mrs. C. A. Robinson.

Director S. W. Clarke explained the classifications and prices for November milk.

Division Representative Robert Payne gave a spirited address reviewing how a living price for milk has been obtained and suggesting what individual and co-operative effort is needed on the part of dairymen and businessmen to protect the price.

Francis Mead was present and took pictures of the assemblage and various groups. The members were pleased to hear that Mrs. Grace Spicer, who was unable to attend the meeting because of an accident, is improving in health.

Surrogate Court

Bequests made by the will of Frank S. Clark, Andover, who died Dec. 16, 1939, included $5,000 to Anna L. Benjamin. Andover; $500 each to the following nieces and nephews: Phoebe Perry and Carrie M. Slade, both of Andover; Winfield W. Clarke of Little Genesee; Howard Clarke of Rochester; Robert Clarke and Floyd C. Clarke, both of Independence; William D. Clarke of Andover. A gift of $500 was made to Teresa A. Dean of Andover. The residue of the estate was bequeathed to Carl Tracy of Scio. Andrew D. Fuller, Andover, is executor. The amount of the estate was listed as exceeding $10,000 in personalty and exceeding $5,000 in realty.

Everett N. Clair, Andover, son and executor, was left the remainder of the exceeding $1,500 personal property and exceeding $5,000 realty estate of Byron A. Clair, Andover, who died Jan. 10, after payment of $25 monthly during her lifetime to Miss Minnie Clair, Andover, a sister of Byron Clair.

Piano Recital

The pupils of Mrs. Hayden Rogers will give a piano recital at the high school auditorium next Thursday evening, February 1st at 8 o'clock, to which the public is invited. There will be no admission charge and all are welcome to attend.

Welcome Son

Mr. and Mrs. John Elster announce the birth of a son at the Eggleston maternity home Sunday, Jan. 21st. The little man weighed ten pounds and has been named Olin Earl.

There is one good point about a dog fight—The dogs don't go around afterwards and brag about it.

Record Cold Wave Grips Andover And Vicinity

Weather Man Deals Out Bad Weather Over Last Week-end, With Low Temperatures Prevailing.

Andover wasn't forgotten in the cold wave that visited New York State over the week-end. While we didn't get the heavy snow that blocked traffic north of us, we did get a continued low temperature with a northwest wind.

We have had the temperature go considerably lower during the night on numerous occasions in past years since the News has been operating a Government weather station, but before it has warmed up during the day each time. Last Friday's temperature of two degrees below zero at noon is the first time we have ever had a reading that low in the middle of the day.

We are giving below a series of readings taken during the cold wave over the week-end:

Friday
6:00 a. m.: 10 below zero
9:00 a. m.: 8 below zero
11:00 a. m.: 3 below zero
12 noon: 2 below zero
1:00 p. m.: zero
3:00 p. m.: 3 above zero
5:00 p. m.: 3 below zero.

Saturday
6:00 a. m.: 5 below zero
9:00 a. m.: 3 below zero
12 noon: 3 above zero
3:00 p. m.: 8 above zero
5:00 p. m.: 6 above zero.

The low for Saturday night was five above with the weather gradually warming up thru the week.

Two Fires This Week

The Andover firemen were called out twice during the past week, the first time to the farm of Martin Fisher east of Andover last Friday afternoon and the second trip to Tip Top where the wooden framing of the large water tank on the Erie railroad was burning.

The fire ignited from a stove in a small room beneath the tank, doing considerable damage to the interior and framework. Erie officials also called the Wellsville department but the blaze had been extinguished before they arrived.

Bake Sale

There will be a bake sale at Baker's Hardware, Saturday morning, January 27th for the benefit of the Infantile Paralysis drive.

Farm Bureau Meetings Planned

Earl C. Foster, county agricultural agent, announces that several meetings have been scheduled by the County Farm Bureau.

On January 30th, an all-day poultry meeting will be held in the Almond Grange hall, followed by a similar meeting in the Fillmore agricultural hall on January 31st: C. M. Bice of Hawaii and Dr. E. L. Brunett of Cornell University will lead the discussion on chick rearing, flock management and poultry disease control. An inexpensive lunch will be served each day at these meetings.

Potato growers of Allegany county will meet in Wellsville on February 1st for an all-day meeting to hear Prof. E. V. Hardenburg discuss the cultural practices important in the growing of potatoes. He will explain the results of rotation demonstrations and the possibilities of the new varieties.

J. C. Thompson, extension representative of the American Jersey Cattle Club will meet with the Jersey breeders of the county in a meeting to be held in the court house in Belmont, on Friday afternoon, Feb. 2nd. The American Jersey Cattle Club is the first breed association in the county to adopt a selective registration program. Mr. Thompson will explain this program as well as the plan for starring superior bulls.

The maple syrup producers of the county will have an opportunity to hear Prof. J. A. Cope of Cornell and Dr. Willetts of the Geneva experiment station, at a meeting to be held in the Friendship Grange hall on Wednesday, Feb. 7th. Producers attending this meeting will be fed pancakes and maple syrup at noon. The meeting will begin at 10:30 in the morning.
