THE JOYS OF BEING A JUNIOR

When a person gets to be a Junior he is then an upperclassman and no more being called "Freshie" and "Sidy." Juniors have only two more stepping stone. Seniors.

Upon be the Juniors now seems more responsibility. We must now put away all our childish ways of Sophomores and become serious minded because now we are treated as grown-up instead of children.

The first great experiment and one which we all take great pride in is presenting our Junior play and then second comes the Junior Prom.

As Juniors we have more to say about certain things in our school than we did when we were Sophomores. We are more sure of ourselves that when underclassmen.

The Juniors have more people from their class to candidate for the Student Council than when they were Sophomores.

I can think of no one greater enjoyment than being a Junior than of being a Senior. Significant the number of being a Junior is of any more appropriate. The Junior year is a great one.

HI HERALDERS HAVE YOU READ

"Big Sister" is the topic in Senior Class. What is it? It is a project in the Andover Parent Teacher Association to promote better understanding between the office of the high school teacher and the mothers in participating in paper. When the school year is over it is offered a position in a big city newspaper. By managing the office and the many circulating advertisements. Read the book and you will experience these merits and also gain more intimate knowledge of your school paper and editors.

"HOLD YOUR HORSES"

"When, or when can we have a dance?" "You and a half months of school and no dance." "Why so slow?" "When?" "When?"

Now wait a minute. You'll have your dance and soon at that. Everyone realizes that dances are so much fun that you don't want to wait, but remember yourself to the fact, however impossible it may be. A dance has been scheduled somewhat for the first week of December and what can consider the fact that a jamboree vacation stands between school days and the precious dance, you'll easily see time will speed by and your dance will be here as the first shiny orbject of the 40-41 Student Council ladies you know it. Wait just a little longer dance your dance carry in the Inca Bureau run by Miss N Spencer and fun will be in future for the asking.—B Ludden

WHERE ARE OUR CHEERLEADERS?

As I wander over the halls I hear there and there, comments on basketball. With basketball we must have cheerleaders. We want cheerleaders who are full of pep and who have the ability to "get up" and lead a cheer with is full meaning. We want cheerleaders who will co-operate and who will put the opposing team's cheerleaders to a "tough" time when they try to "outcrow" us. Have you the ability to be a cheerleader? If you have, why don't you try out? You might surprise yourself with your ability.

It has been suggested that the cheerleaders be composed of Junior and Senior girls and have a sub-team of Sophomore and Freshman girls. The latter would provide the Sophomores and Freshmen with the ability to know how to lead a cheer when they become Juniors or Seniors.

The cheerleaders will need new cheers and fight songs. Who is going to originate these unless you do?

Masquerade Is Highlight of Grade Celebration

Marcella Smith Has Most Unique Costume

Everything from a rag to a rake was represented by the grammers during a Halloween masquerade Wednesday afternoon.

Marcella Smith, a member of the second grade had the most original costume according to many reports from teachers and students. "Mary" costume was originally a Sunday school sheet. The maiden of her choice had run a donut sheet and sewn for a saucy mutilated three newspapers together for a jacket and had made a hat from cardboard, trimming wrapping paper and another funny paper.

There were very many of the interesting costumes in the older grades and the following is a list of all the pupils in the grades winning prizes for costumes.

Kindergarten—Most original, Lorraine Meade as a Red Cross nurse. Largest, Jack Kinder as a pirate. Prettiest, Betty Harris as a pirate.

First Grade—Most original, James Dennison, as a tramp and Beverly Nye as Little Bo Peep.

Second Grade—Prettiest, Betty Sackett as a gay nineties dancer. Funniest, Harry as Ferdinand the Bull.

Third Grade—Funniest, Betty Jackson as a witch most original, Mary Ellen Johnson as a Polish peasant. Prettiest, Frances Baker as Marjorie Mollasky. Funniest, Lucille Lemon as Minny and Tillie Talley as a of being a Senior. Significant the number of being a Junior is of any more appropriate. The Junior year is a great one.

Fourth Grade—Funniest, Jimmie Hodges as a tramp and Lynn Wilcox as a morning glory. Most original, Anne Marie Sweet as a Chinese peasant. Prettiest, Jeanne Fingerhut as a fairy princess. Sonny Thomas as a monkey boy.

Fifth Grade—Funniest, Jimmie Hodges as a tramp and Lynn Wilcox as a morning glory. Most original, Anne Marie Sweet as a Chinese peasant. Prettiest, Jeanne Fingerhut as a fairy princess. Sonny Thomas as a monkey boy.

Sixth Grade—Funniest, Jimmie Hodges as a tramp and Lynn Wilcox as a morning glory. Most original, Anne Marie Sweet as a Chinese peasant. Prettiest, Jeanne Fingerhut as a fairy princess. Sonny Thomas as a monkey boy.

Seventh Grade—Funniest, Jimmie Hodges as a tramp and Lynn Wilcox as a morning glory. Most original, Anne Marie Sweet as a Chinese peasant. Prettiest, Jeanne Fingerhut as a fairy princess. Sonny Thomas as a monkey boy.

Eighth Grade—Funniest, Jimmie Hodges as a tramp and Lynn Wilcox as a morning glory. Most original, Anne Marie Sweet as a Chinese peasant. Prettiest, Jeanne Fingerhut as a fairy princess. Sonny Thomas as a monkey boy.

Presentation of Student Council Members

This is a procedure to put the recently elected members of our Student Council. There are seven members on the council. Three were chosen from the entire high school group and four were chosen by their respective classes.

Anne Wellbrunnger is a Freshman, and was chosen by her class to represent them on the Council. Anne is also president of her class and a very active student in A. C. S.

June Glover was chosen by her Sophomore classmates to head them on the Student Council. June is a member of the Glee Club, and plays a good game of basketball. She is a popular student of A. C. S.

Paul Ryan was elected to the Student Council by the Junior Class. Right now he is busy earning his part in the Junior play. Paul is a favorite among his fellow students.

Ken Earl was elected by the Seniors to the Council. Ken is a first string athlete and has his own car at home in school. Ken is an outstanding Senior.

Nancy Strouse was one of the three members of the new Council who was put in office by the entire high school body. Nancy is a good sportsmanlike and a popular Senior.

John Lynch is another Senior and was elected to the whole high school. John is a foreign school fan, and is one of the most popular students in A. C. S.

Don Lynch, president of his Senior class, was also elected president of the Student Council to represent the fellow classmates. Don is a leading athlete and an "all round guy" at A. C. S.

These are the representatives chosen to represent us and help to carry out our ideas and activities. Let us every member stick up to our Council to help them make the Student Council a big success.

Ag. Classes Identify Weed and Grain Seeds

The Ag. classes participated in a weed and grain seed identification meeting at the school Monday. This was put on by the Extension Service from Cornell in cooperation with the local Vocational Agriculture Department and the 4-H Club. After the meeting the local F. F. A. members worked on their vocational project in the shop. AH

Movie Shown In Science Room

Lad In Lantern Was a Cartoon

The library was very quiet, so quiet that you could hear insect in pin drop, and everyone was deep in thought over its lessons, when all of a sudden there was heard a noise, resembling sound of music coming from the hall. Then the music moved down and a voice of a man began shouting. Then moved down the hall to where the noise was coming from, and there it appeared at the science room. The room was piled here, there, in the door, and all I could see was a mass of people standing and sitting around the room.

As I glanced from the front to the back of the room I saw that Mr. Hunter was showing a movie to kids. This movie proved to be very interesting and worthwhile to the Agriculture, Homemaking and Science classes. At the end of the picture there came an immense applause by the crowd. After a few minutes Mr. Hunter informed that they weren't leaving his room so he announced there would be an "Harry Tom" movie. So many ad that not anyone came since the movie was about cartoons. Freshman Frolics

We noticed a new romance brewing between Charles Hall and Elaine Pope.

The autumn also wonders when the new dance is to be.

There's a feud already between two Freshmen girls. The Freshman began early.

We notice Earl Lyman spending some funny mail packs.

Charles E. and John R. had a nice ride on your South Hill during the week-end. Get tired, boys?

The Freshmen are going to put on a play in honor of Book Week this Thursday. John R. will make a good Christopher Robbin and we'd like to see as Peter Rabbit.

It was a mighty fierce wind that was present Monday. Mary K. Carman was afraid it would blow her away.

The Freshman Guidance Class is taking up public speaking.

The Freshmen are glad to have with them a new boy, Albert Rice, especially the girls.

The Freshmen are going to have a demonstration of life saving in General Science. Mr. Holmes and Mr. Maloy are giving the demonstration. AM-RL

CHIT CHAT

[illegible] Hall High School pin!

The streets were quite crowded Sunday night. Almost as bad as Friday's house where a "rip roaring" party was in full swing, until the wee hours of the morning.

Last Friday night Don and Stan swing their partners, Regina and Nancy, at an old fashioned square dance.

Who is the very good looking girl Stan K. had Friday night? How about an introduction Brice?

The Student Council reports that they are going to have a dance the first week in December—maybe.

And still they come. The girls have turned from the Freshman room and are congregating in the eighth grade room where a new boy has joined the ranks.

How "Jim" is worried about those pictures! Lucky thing that telephone came instead of the photographer, for he forgot to beautify himself for the ordeal (along with many others.)

Wonder who the great skaters are of the Junior and Senior classes? Saturday night will prove the best and the worst of us. Watch this column next week to see who "sat down."

Marian Steadman had a visitor Monday night, didn't she, "Jum?"

We wonder how long the Pope-Temple set-up will continue.

Exame's clarinet seems so heavy after band practice every Monday night that she has him (?) carry it home for her. SCR

Coming Events

As winter moves in on Andover Central School, the students find themselves with a variety of social activities to help while away those lonesome hours.

The first activity is the Junior-Senior skating party, planned for this Saturday. It is hoped that a reasonably large percentage of the classes will be present for the first skating party of the season.

It is hoped that the Student Council will be able to arrange a dance in the near future or at least before Christmas.

Andover will have its first basketball game under our new coach, Mr. Holmes, Nov. 30, with Alfred-Almond there. As many students as possible can are urged to go and help Alfred-Almond open their new gym.

Last, but definitely not least of the activities comes the Junior play. The Juniors this year are working hard to put on a really good show.

—SPORTCASTING—

GIRLS' INTRAMURALS RESUMED

With the approaching basketball season, the girls around A. C. S., with the help of the intramural council, have selected captains for basketball teams and have divided up into six teams.

The girls teams are scheduled to play Tuesday's and Thursdays during the activity period. All girls seem more enthusiastic about basketball this year, probably due to the use of the new gymnasium for their games. IL

Shorthand Has First Display In Showcase

The Shorthand I class has embroidered their names in shorthand on handkerchiefs, blouses, aprons and gym suits. They also have drawn pictures with shorthand characters. These are displayed in the showcase by the office. This is the first time anything has been displayed in this showcase. Mrs. VanOxx got the idea for these monogreggs and artistry from a shorthand magazine.

Those who embroidered their names on handkerchiefs were: Marjorie Bergman, Irene Lynch, Marjorie Davis and Audrey Glover. Jane Burdick embroidered her's on her gym suit; Betty Greene and Marian Steedman theirs on blouses and Anna Cooper embroidered hers on an apron.

Today's popularity of Doan's Pills, after many years of worldwide use, seems to be accepted as evidence of satisfactory results. And favorable public opinion supports that of the able physicians who test the value of Doan's under exacting laboratory conditions. These physicians, too, approve every word of advertising you read, the objective of which is only to recommend Doan's Pills as a good diuretic treatment for disorders of the kidney function and for relief of the pain and worry it causes.
If more people were aware of how the kidneys must constantly remove waste that cannot long be tolerated without injury to health, there would be better understanding of why the whole body suffers when kidneys lag and diuretic medication would be more often employed.
Burning, scanty or too frequent urination sometimes warns of disturbed kidney function. You may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—and weak, nervous, tired out feelings.
Use Doan's Pills. It is better to rely on a medicine that has stood the test of time than on untried, less favorably known remedies.

Just Around the Corner

Junior Play Makes Headlines

Third, in progress; second, well done; first, very well done! All this proves the modern version "practice makes perfect." The Junior play "Good Morning, Glory," to be presented on December 3rd, was reviewed recently at a practice session by Miss Barrett, Mr. Maloy and Principal Bretsch. Some of their comments follow:

(Highlights from Miss B. report): "The cast of the Junior play is made of good material, people who can take criticism and act upon it. At first I thought they were too young to seriously put over a performance, but that was corrected by my second observation. Such wonderful improvement was there that I decided Andover will really miss a star play if they fail to reserve Dec. 3 for "Good Morning, Glory."

(Mr. Maloy is brief but concise): "They had better get busy on their lines. It's good as far as they have gone." PJ.

Comments on the Presidential Election

"Great minds run in the same channel" or do they? It doesn't seem to be the case in Andover. Here are a few comments "off the record" on the last presidential election.

Betty Halsey: "Magnificent! The people got what they wanted."

June Glover: "It has to be all right."

Florence Mingus: "I don't think much of it."

Violet Barney: "Least of my troubles."

Cecelia Lynch: "Very pleased."

Virginia Rice: "I'm not a Democrat, but I think with the war and all, Roosevelt was a better candidate as he knew the in's and out's of the office."

O. Greene: "Could have been better. I lost a bet on it."

K. Howland: "Good."

I. Franklin: "Turned out just the way it should have."

J. Beihl: "I didn't care."

L. Freeland: "I think Willkie should have got it."

E. Pope: "Roosevelt would have to get it, (darn it)."

Teachers Are Neutral:

Mr. Maloy: "The majority of the people got what they wanted, proving we are still a democracy."

Miss Barrett: "There's not much I can do about it, is there?"

Miss Larkin: "I'm interested in what is going to happen next."

Mr. Lynch: "It shattered a part of our unwritten constitution."

Mrs. VanOxx: "If we all co-operate with the President we shall succeed."

Mr. McGee: "The American people showed an unwillingness to change presidents in the national crisis."

Woodchoppers Rival Famous Paul Bunyan

Saturday was a busy day for the F. F. A. Due to the kindness of Mr. Horan, a number of trees in his woodlot were donated to the organization. Armed with crosscut saws and axes, the boys made an excellent showing and now have about two cords of body wood ready for sale.

Claude Shellman, Charles Gath, Leo Lewis, Burdette Ordway and Dewey Northrup are the committee members in charge of selling the wood. In addition to Mr. Henry Horan, the boys wish to thank Mr. Leo Horan for use of his team. ALH

Eighth Grade Certificates Given Out

Principal Bretsch brought to the Freshmen their eighth grade Regents certificates Tuesday afternoon. The Freshmen were told that care should be taken that these certificates are not lost, since they may be needed in future years for voting purposes. JR

Pres. Gath Calls F. F. A. Meeting To Order,

The eighth meeting of the F. F. A. was called Nov. 12, by President C. Gath at which the matter was discussed regarding the question as to whether Charles Gath would remain president. It was decided that he should continue to hold his office.

A committee was appointed to find a means of selling wood for the F. F. A., headed by Claude Shellman as chairman.

Another important factor discussed was in regard to a Father and Son banquet for the F. F. A. Llewellyn Fairbanks was chosen as chairman for making plans for this banquet. The meeting was then adjourned. ML

Merci Beaucoup, Nancy

That's right! Thanks a lot, Nancy, for your "swell" editorial on Student Council membership. Because you wrote this Current Comment for me last week, a different impression was gained, not only by me, but by several other observers too, on the real attitude and character of this organization.

de nouveau je dis, merci beaucoup! BJL
