The second lesson on "The Use of Vegetables" scheduled on our program for October 23, was given by Mrs. Oliver Kemp on Oct. 9. There was a good attendance at this meeting. An appetizing vegetable lunch was prepared by those present under Mrs. Kemp's direction and using the recipes prepared for this lesson. In the afternoon experiments were made to determine the flavor of vegetables cooked covered or uncovered, and for a longer or shorter period of time.

Thursday, Oct. 23 at 1:30 p. m., a lesson in "Chair Caning" will be given at the village hall with Mrs. Walter L. Greene as leader. If you have chairs you wish to have caned bring them and cane will be furnished at cost. If you have no chairs you wish to cane at this time come and learn how. If you already know how, please come and help the leader. It is a great help to have two to work on each chair.

Light refreshments will be served at Legion hall by the hostesses for the day, Mrs. James Lynch, Mrs. Charles Ruger, Mrs. Harold Emery and Mrs. W. L. Greene.

Mrs. Eva Sheppard Speaks at Baptist Church

Miss Eva Sheppard, a former World Wide Guild girl and member of the Andover Baptist church, who recently returned from Belgian, Congo, Central Africa, was guest speaker at the Baptist church Sunday evening and showed pictures of missionary work in that area. One of the reels shown was at the hospital and training school of the Baptist work at Kimpese, showing especially the work of the Baptist's own Dr. Catharine Mabie, who is retiring this year after 36 years of work in the Congo. Two reels of the picture "Song After Sorrow," showing the leper colony and its work under the Presbyterian board with help from the government was shown. This was especially interesting as it showed lepers in all departments of work, gardening, school, games, weaving, pottery and cooking. Chalmoogra oil, which is used for the treatment of leprosy cures if not too far advanced, but improves the condition of all patients.

The pictures also showed the chalmoogra trees in the process of making the oil.

There was a large attendance. The members are especially grateful to Richard Harder for the use of his projector for showing the pictures and to Arthur Osborn for operating the machine.
