Not Too Late for Seal Returns

Although the 1947 Christmas Seal Sale officially closed December 25, there is still time for those who overlooked acknowledging their Christmas seal letters to make returns, Mrs. Wayne Stout, county seal sale chairman, announced this week.

"Late returns to date have increased the sale total to $9,400," Mrs. Stout reported. "Although the total in the nation-wide 41st annual seal sale to raise funds for tuberculosis control has not been announced, early reports from the National office indicate that the amount raised here in Allegany county was proportionately the same as in other localities thruout the U. S."

"Anyone who comes across an unanswered Christmas seal letter should remember that by answering it he will help protect his own health and the health of everyone else in the community," Mrs. Stout added. "The 1948 tuberculosis control program of the Allegany Health and Tuberculosis Association, supported by the funds raised in the 1947 Seal Sale, is now under way. Any further returns will quickly be converted into community health benefits."
