Co. Supervisors Raise Pay Schedules

At the January organization meeting of the Board of Supervisors committees for the year were appointed and the members voted themselves a higher scale of compensation which in comparison to other counties is very moderate.

Beginning with the first of this year, supervisors will be paid $10 a day for attendance on regular and special sessions of the board, and $8 a day for committee work. The rate prevailing for more than 20 years, except during the depression years of the 30's, when a 10 per cent cut was voluntarily taken, was $6 a day for board attendance and only $4 a day for committee work.

Based on the same number of days attendance and committee sessions in 1948 as were held in 1947, Clerk Denzil Perkins said that the yearly pay of board members will average $313 as compared to flat yearly salaries of $600 paid in Cattaragus county, $750 in Livingston and $900 in Wyoming county.

In the list of committee appointments we note that Supervisor Sootheran of Andover has been selected for the following committees: Form and Footing Assessment Rolls, Reforestation, Allegany County Parks, and Aeronautics.

The complete membership of the 1948 board is:

Alfred—C. R. Fenner (R)
Allen—Walter Gallman (R)
Alma—Emmett Morrison (R)
Almond—Clair Kellogg (R)
Andover—Reginald J. Sootheran (R)
Angelica—John N. Thompson (R).
Belfast—Claude Weaver (R).

Fire at Andover China Company Plant

Fireman were called to the Andover China Co., plant about 9:30 Friday night, where fire had broken out in the roof over a large kiln.

Although hampered by the extreme cold weather and the fact that the kiln was heated to about 2100 degrees and too much water would damage it, the firemen succeeded in checking the fire before it gained too much headway. Damage is estimated at about $300.

County Health Program Big Issue Now

The biggest thing before the County Board of Supervisors at the present time is the County Health Department proposal of which much publicity has been given and about which so many people seemed uniformed that county is again releasing the following general summary of the situation. As is advised in the article read it, discuss it with other people and let your supervisor know what you think of it so he can represent the general feeling of the public when this program comes to a vote at the February meeting of the board.

WHAT IS THE PROPOSAL

It is a plan to improve the health of citizens by establishing a modern health department to prevent and control disease, improve sanitation and assure continued hospital facilities, staffed by trained, professional workers. It sets up a single agency that does away with duplication and over-lapping services.

Towns and villages do not have the population or income necessary to administer health services effectively and economically.

PRESENT SITUATION

33 Health Districts administered by 22 part-time health officers, who are also practicing physicians. These are supervised by a District State Health Officer who has two other counties.

County nursing service employs two and occasionally three nurses who are responsible for health protection for a population of 40,000, mostly rural.

Part-time retail milk inspectors employed independently by about 5 villages.

County laboratory service is maintained at Belmont with a bacteriologist and a part-time director.

Over $11,000 is being spent by towns and villages to support these services. In addition, it costs the county about $16,000 for the nursing service, of which about $8,000 is returned as State Aid. Net cost to the county is about $19,000 yearly.

COUNTY HEALTH DEPT.

Can be established by vote of of the Board of Supervisors. It is administered by a County Board of Health, seven members appointed by the Board of Supervisors. All must be residents of the County and includes 3 physicians, 1 supervisor and 3 to represent the public. Salary is established on a per day basis for actual service.

County Board of Health

(1) Appointed a full time Commissioner of Health who cannot have a private practice, (2) submits a budget to the Board of Supervisors, (3) establishes such health and sanitary regulations as it sees fit, (4) appoints, with

He was a member of the St. Thomas Episcopal Church of New York, Andover Lodge, No. 558, F. & A. M., and the Andover Exchange Club. He was a graduate of City College of New York and a veteran of the Spanish-American War.

Services were held Wednesday afternoon at 2 o'clock at the home on Maple street, the Rev. Albert N. Rogers officiating and Masonic services conducted. Burial was at New Berlin, N. Y.

Apollo Club Presents Fine Concert Here

The Apollo Club of Wellsville, under the direction of Mrs. Grace Brown, rendered their usual fine program at the Andover Central School auditorium Tuesday evening.

Miss Marianne Dreher, accompanist for the club, also finely rendered several special piano numbers which were well received.

During the intermission a congratulatory letter written by William J. Gallman, Allegany county campaign director to the local American Legion was read by F. W. Burrows. Mr. Gallman's letter follows:

January 28, 1948

American Legion of Andover
Andover, New York.

I hereby extend my sincere congratulations to your organization and to the people of Andover as a community group for the fine support being given the "March of Dimes" Campaign this year.

The sponsorship of the program being presented this evening is outstanding for both its entertainment value and its help to a worthy cause.

This month your National Foundation for Infantile Paralysis marks its tenth anniversary of service to the American public.

Today, the fight against infantile paralysis is being prosecuted on every front in the most sweeping offensive ever conducted against a specific disease. More gains have been made in the past decade than were realized in the entire century that preceded it. And the dimes and dollars that you contributed to the March of dimes are making that progress possible.

Today, under the leadership of your National Foundation for Infantile Paralysis and its 2,735 chapters serving every county in the nation, there is being carried on a comprehensive program de-

Scout Bake Sale And Paper Drive This Saturday

Richard Roden, scout master of the newly organized American Legion Boy Scout Troop announces that the troop will hold a bake sale at the bus waiting room in Legion Home at 9:30 this Saturday morning, January 31st. Also that the scouts will have a waste paper collection Saturday afternoon starting at 1:30. Those living outside the village may leave paper on the News office platform Friday or Saturday morning.

The second scout troop was formed in Andover and sponsored by the American Legion upon the request of the District Scout Executives as the other troop had become too large and there was too great a variation in the ages of the boys to make a good functioning troop.

Mr. Roden is experienced in Scout work having been scout master of a troop in Cory, Pa., before coming to Andover and is endeavoring to raise money to buy uniforms and equipment for the scouts. Any donations to this cause will be greatly appreciated by both Mr. Roden and the boys.

Appreciation

I wish to thank all my neighbors and friends who sent me cards and letters, also the Masonic Lodge for the large basket of fruit, etc., the O. E. S. and Methodist ladies for flowers during my five weeks in the hospital.

Mrs. B. B. Hann
