Robt. Baker Wins Junior Sweepstake At Potato Show

Robert Baker of Andover won the sweepstake prize for the best exhibit among the junior exhibits in the Allegany County Potato Show held in Wellsville last Thursday and Friday with an exhibit of Chenangoes. Eugene Foster of Whitesville placed second.

Fred Bennett, Cuba grower, won the sweepstake prize and was awarded the Wellsville Exchange Club trophy on his fine sample of Katahdins. Second place went to E. L. Kent & Son of Andover. There were over 100 exhibits in the adult show in addition to 150 junior exhibits.

Over 100 growers attended the two day show and meeting. Talks and demonstrations were given on soil fertility, storage construction and remodeling and costs in potato growing.

William Hodnett, chairman of the county potato committee, discussed the future of the industry in this county. He said we have reduced acreage to the limit and, because we have ideal growing conditions and good soils, we must stabilize potato growing. He stressed the importance of producing a high quality product.

Nearly 250 attended the third annual banquet held last Thursday evening in the Wellsville High School cafeteria. Anthony Leale, managing editor of the Hornell Tribune, gave an interesting talk on conditions in China especially its agriculture.

Annual Catholic Charities Appeal Opens March 14

The annual Catholic Charities Appeal will open officially on Sunday, March 14th. This year will mark the silver jubilee of Catholic Charities in the Diocese of Buffalo. Twenty-five years of unbroken successes is a record of which anyone might well be proud.

The goal, like last year, is set at $1,000,000. Of this huge amount $666,000 is earmarked for the Charities, the rest for the high school program and Fund for the Faith.

In answer to the question, does my contribution go for Catholic Charities or the school program or the Fund for the Faith, the answer is that your contribution will go where you want it to go. If, like last year, you contribute to the Charities, your money will go to the Charities.

Red Cross Drive Started Here This Week

The annual American Red Cross Fund drive started in Andover this week, according to the local chairman, Mrs. Frank Holmes, with teams of workers starting the house-to-house canvass.

The Red Cross exists only to serve. That has been its purpose since its inception. It reaches into every community in our land to carry on its services of health, safety and disaster relief and cheer and comfort to hospitilized veterans as well as friend and counsellor to men in active service.

In 1947 the Red Cross disaster service assisted in 154 fires, 51 floods, 43 tornadoes, 33 explosions and many minor storms, mine-disasters and other serious accidents. It's 1948 budget has $8,161,400 for disaster relief—Many times a year people turn to the Red Cross. Once a year the Red Cross turns to the people.—So be as generous as you can in this annual fund drive in which Andover's quota is $700.

Following is the list of Andover workers:

J. H. Kessler, school.
