Robert Common To Head Boy Scout Drive Here

The appointment of Dr. Robert Common to the chairmanship of the Boy Scout campaign in Andover has been announced by E. W. Barnes, Wellsville, district finance chairman. The campaign dates are from May 3 to 17. The goal set by the Seneca Council, Boy Scouts of America is $29,130.

The new budget, as prepared by the Council finance committee under the direction of Charles E. Ferguson, Olean, has been approved by the Executive Board of the Council.

Increased costs due to the smaller purchasing power of the dollar and an increase of 842 boys enrolled in Scouting in this area is given as the reason for the increase in the budget.

President Norman Chapman, Genesee, Pa., calls attention to the services which the Seneca Council can render to the boyhood of Allegany and Cattaraugus counties. These include the enrollment of new boys, the operation of a camp, the creation of standards for earning Scout badges, the operation of an office for record keeping, and the training and direction of the 700 volunteer leaders connected with the Council.

Local Fresh Air Committee Announced

The chairman of the Fresh Air Fund for children who need a vacation in the country announces her committee as follows

Mrs. Orlin Beach, chairman, assisted by Mrs. Walter Greene, Mrs. Dewey Northrup, Mrs. Lelia Livermore, Mrs. Robert Phelps. The ministers of the various churches will be asked to assist also.

A meeting is being planned for the near future to formulate ways for contacting residents of Andover who might wish to take a child into their homes.

Did you know that the fund operates in 13 states? And no child is given a vacation unless he is really worthy and in need of a broader outlook of love and affection as well as good meals.

Only direct observation of the life from which these children escape to Friendly Towns can enable one to grasp fully what the vacation program means to the poor children of the cities.

Appreciation

I wish to thank those who sent me cards, letters and other remembrances during my stay at the hospital.

Roy Shutt Barn Destroyed by Fire

The barn on the Roy Shutt farm at Independence was destroyed by fire early Tuesday morning when struck by lightning during the thunderstorm about 2 a. m.

Andover firemen succeeded in saving a team of horses, the only livestock in the barn, but were unable to save any of the rest of the contents which included a new tractor, all farm machinery, 16 ton of hay and about $200 of new seed. It was later discovered that the family dog, which was seen in the barn at the time of the fire was also missing.

Due to the lightning, trouble was experienced in calling the Whitesville department who arrived after the local firemen. Fortunately the heavy rain is credited with the saving of the Shutt residence which was situated to the east of the barn a short distance away. Wetting down of the roof of the dwelling saved it from major damage.

The loss is estimated at least $5,000 which is only partly covered by insurance.

Hunting and Fishing Costs Higher Next Year

New hunting and fishing laws signed by Governor Dewey raise the 1949 hunting or fishing licenses from $1.65 to $2.25 and increases the combined license from $2.25 to $3.75. Another measure signed by the governor creates a new $2.00 "big game" license which permits holders to hunt bear or deer. Under present laws bear may be hunted under the regular hunting license but a special $1.25 license must be obtained to hunt deer.

Other laws of local interest signed by the governor include:

Permit servicemen to vote by absentee ballot in the General Election on November 2nd.

Authorize school districts pending sale of unused school buildings to lease them for residential purposes.

Raises from $25 to $50 the amount of personal or property damage involved before motor vehicle accidents must be reported to the Commissioner of Motor Vehicles.

Hugh Chamberlain Elected President State Soil Directors

Hugh D. Chamberlain of Caneadea was elected president of the New York State Soil Conservation Directors Association at the annual meeting of that organization held in Syracuse last week.
