HOMEMAKING NEWS

As I entered the home economics department in search of news for this week I was greeted with odors from solutions of ammonium and cleaning fluids.

The girls were not trying to get rid of any horrible cooking odors but instead Mrs. Dahl informed me that they were doing their spring house cleaning.

Needless to say, I soon found an excuse to leave because those girls were going right at it and I didn't want to be put to work.

Hall of Fame

James R. Burgett

James Ralph Burgett was a fifth member selected by the A. C. S. faculty for the "Hall of Fame" because of his outstanding accomplishments in his past four years of high school in scholarship, cooperativeness, popularity.

Jim, who is the son of Mr. and Mrs. Ralph Burgett of East Greenwood Street was born September 22, 1930 in Andover.

Jim, who previously held the office of vice president in his freshman year, president in his sophomore and junior year, now holds the position of president of the Student Council.

Throughout the years he has been active in extra-curricular activites. He has been a member of the basketball team for four years, participating one year on the junior varsity and three years on the varsity. He has been a member of the baseball team for three years and a member of the soccer team for one year of which he was captain.

He played the part of father in John Bridge's production of "Decision of Kathy".

Jim has been accepted at the Ohio Northern University where he plans to take up electrical engineering.

Also, Jim has been chosen valedictorian of the Senior class for this year.

ACS TO HOLD SENIOR PROM JUNE 28TH

That is right the prom is coming to A. C. S., and this year it is to be more decorative than ever before.

On Monday, the twenty-eighth of this month, the Juniors and Seniors are sponsoring their annual joint prom, which this year will have the theme of a "Mardi Gras", and will be more gay and exciting than it has been previously.

Music will be played by Joseph Rosetti's Orchestra from Olean, and since he was so well liked last year, it is only natural that he should come back to play again.

Why don't you make it a special point to keep the twenty-eighth open for the Prom in the A.C.S. gym. You will be more than glad you did when you step from reality into a world of fun, laugher and make-believe.

CHIT-CHAT

We notice that Rosemarie Baker had an attractive hair cut.

What happened between Buddy Metcalf and Ruth Halsey. Too bad "Ruthie", better luck to you.

Well from all reports Joan Joyce enojyed the week-end at Elmira. More fun.

We wonder where Rosemarie Baker disappeared after the Junior-Senior banquet.

Where did you get the nice class ring, Louise?

Say, Betty, why were you so happy Monday morning? We know Bill can do things if he wants to, huh "Bets"?

We hear Rudy Shutt's boy friend now has a brush cut. How does it look, Rudy?

We are wondering who was sitting with Norma Perry in the show Sunday night? Watch out Norma, he's spoken for!

Gee, what a cut pair. A new romance is blooming between Bob Baker and Teresa Joyce. How did the weiner roast turn out?

Fran Baker and Marlin Mather seem to have a nice time Sunday nights at the movies.

We don't see Mary Ellen Connor around much any more. Is it because she has been studying for Latin II test?

If we don't get these final exams over soon, Eadie Dunham is going to have white hair worrying about B.A. Regents.

What's this we hear about a weiner roast, Lois Honegger?—Some people have all the luck. Are we invited?

Who was wearing Nedra Burrows' identification bracelet Monday? It was thoughtful of Phil Mascho to find it and wear it for her.

Who is LeRoy Caple's chief interest at the skating rink? Ask Matt Lynch for further information.

GIVE IMPROVEMENT HINTS TO THE OPPOSITE SEX

We have asked several boys and girls what they think members of the opposite sex could do to help improve themselves. The following suggestions were given by the boys to the girls:

"Get rid of 'peekaboo' dresses"; "They cry too easily;" They should be far less silly;" "They should be more considerate of boys at the drinking fountain;" "They should stop gossiping so much about boys;" "They spend too much time on their appearance"; "They're all right as they are;" "They don't have enough money;" and "They tell too many lies."

The following are hints given by the girls for the boys to improve themselves:

'They should be more considerate of the girls;" "They expect too much from the girls;" "They don't care enough about their appearances;" "They're too conceited;" "They should be more chivalrous;" "They shouldn't be so rough with the girls;" "They don't behave properly on dates"; and "They should ask the girls for dates instead of meeting them afterwards."

These are suggestions which could be very easily put into operation if each and every boy and girl would try just a little harder to improve himself, the world would be a much happier place in which to live. BS-BW

ARE YOU A LOAFER?

By Rosemarie Baker

As the school year draws to a close, Andover Central students are confronted with the problem of how their summer vacation is to be spent. Several of the boys and girls, too, have obtained jobs, others will be going to camp, or staying at home to help around the house, while others are planning to spend two months loafing and sleeping. These are the people who think that a summer vacation is a time for doing nothing. They think that because they are free from school for a few weeks, they should go on a sit-down strike and refuse to do any work.

Undoubtedly, Andover High School has a number of these loafers. They have loafed all through the school year and see no reason why they shouldn't do the same during the summer.

Are you a loafer? If you are, why not resolve to do something about it? If we follow these few simple rules, our summer vacation would be much more worthwhile.

1- Plan to obtain a job if possible. If this cannot be done, at least help out around the house

2- Allow a few minutes each day for reading something besides comic books.

3- Resolve to form better health habits that you have not previously found time for.

4- Develop some hobby. If you are sports-minded, make badminton or some other outdoor game your hobby.

5- Keep busy at something. Don't just sit around wishing for something to do.

If we all try to make our summer vacation a constructive one, I'm sure all of us will be coming back to ACS in September full of spirit and ready to face another year.
