The "UNIVERSAL"
Electric Blanket
WITH THE EXCLUSIVE "SLUMBER-SENTINEL" TEMPERATURE CONTROL
Just one Universal Electric Blanket on your bed is all you need — even on the coldest nights — to secure perfect sleeping comfort. Once you have had a real night's rest under a single modern Universal Blanket you will never again want to sleep under the needless weight of several regular blankets.
Don't confuse the operation of a Universal Electric Blanket with that of a heating pad. The Electric Blanket provides a very mild warmth, scarcely noticeable to the touch, which, with the natural warmth given off by the body, is ample for restful and perfectly comfortable sleep. The ingenious Slumber-Sentinel maintains the temperature at the degree of warmth you choose to set the dial and its thermostatic action makes automatic adjustments in warmth or cold, regardless of changing temperatures in your bedroom, through the night. The wiring is water-proof and is provided with six safety thermostats to bring you comforting warmth SAFELY.
Price $39.95
We will be glad to lay away a Universal Electric Blanket for you, or any other merchandise from now until Christmas.
