ANDOVER NEWS

A PROGRESSIVE FAMILY NEWSPAPER FOR ALLEGANY COUNTY PEOPLE — IN POLITICS INDEPENDENT BUT NEVER NEUTRAL.

VOL. 63, NO. 49. For the Week Ending Thursday, Dec. 2, 1948. $2.50 year; 7c copy

First Week's Seal Sale Returns Are Good

Although the 1948 Christmas Seal Sale was launched only a week ago, residents of Allegany county, by their prompt and generous response during the first five days, have already shown that they want the services of the Allegany Health and Tuberculosis Association to continue, Mrs. Wayne C. Stout, county seal chairman, says.

Returns for the first five days total $2,305. "With this early response of several county residents," she commented, "we feel that the 1948 Seal Sale is off to a good start. We have a long way to go before our quota of $10,000 is reached, of course, but we are confident of the interest and support of people in this county that are necessary to help us realize it.

"The sole financial support of the Allegany Health & Tuberculosis Association comes from the sale of Christmas Seals. The quota represents the minimum needed to carry on such important tuberculosis prevention and control activities of the association as its health teaching service—to educate the public about tuberculosis, to help find the "unknown cases" of tuberculosis thus making it easier to cure them and safeguard their families and friends from contagion, the association urges every adult to get his chest x-rayed regularly.

"Although the sale will continue until Christmas, it is extremely helpful to the association and to the post office if returns are made early before the heavy Christmas mail begins. We are grateful to those who sent in their checks promptly."
