Legion Wins Three For Seventh Straight Triumph

The red hot Andover Legionnaires scored three wins in two nights to score their seventh straight victory of the season and racked up their eighth win in nine starts.

Last Wednesday night Player-Manager Karcanes split his men into two teams and won both ends of a double header, defeating Alfred-Almond 45-40 in the first game and trouncing Cuba in the nightcap 68-40.

In the first game both teams started slow, and the locals were behind 20-18 at the half. In the last half Andover came to life behind the sharp shooting of Leo Fulkerson who was high man for the evening with seven field goals and two foul shots for 16 points. Brown was high for Alfred-Almond with 10 points.

The second game was also won by Andover 68-40, and was one of the best played games seen on the local court this year.

Andover was led by Andover Central School's coach, Carl Witzel, whose shooting, passing and great backboard play kept Andover in front the entire game. Although closely guarded, Witzel broke away from his defenders time after time.

John Fisher, who has developed into one of the best centers in the county, and who along with Witzel have controlled both backboards in almost every game. Fisher and Witzel shared the scoring honors for the locals with 15 points each.

Rod Swift was the big gun for Cuba with 16 points.

Andover won their fourth league game in five starts by defeating Wellsville 61-50 on the Wellsville high school court last Saturday night. It was a close game all the way, Wellsville coming within one point 34-33 in the third quarter, but could not keep up with the pace set by the Andover quintet.

"Vaz" Dolan, starting his first game at guard, threw in seven field goals and two fouls for 16 points. Most of his shots were from mid-court and forced the Wellsville team to switch their defense, thus allowing Andover to work in closer to the basket for easy lay-up shots.

Andover now is in second place in the Allegany county Legion league, trailing Cuba by one game.

The locals meet Cuba on the Andover Central School court Wednesday, January 25 for the battle for first place.

Library News

"Richer than I, you can never be; I had a mother who read to me."

Fortunate indeed is the person who can say this.

With a little encouragement children will consider a visit to our library a privilege and pleasure, and the start of a lifetime love of good books.

If you listen to "One Man's Family" on Sunday afternoons you will remember how very interested Jack Barbour was in all the new Christmas books which had been given to his three little daughters. He was very tired of reading Peter Rabbit and Whimsey Mouse, and welcomed a new supply of reading.

If some of you parents have run out of good books for bedtime stories, you will find at your library a fine collection of books suitable for the pre-school child and many fine books for older boys and girls.

Parents can help by seeing that loaned books are treated carefully and returned on time.

Notice to Dog Owners

Dog licenses as well as hunting licenses may be obtained from Mrs. Marion Theetge at the Polsing store during store hours or at her home at other times.

May Organize Band Here

Andover firemen are contemplating the organization of a band in Andover this spring. Anyone interested in playing are asked to contact Oliver Kemp or C. C. Backus in the near future. If enough interest is shown the band will be organized and start rehearsing right away.

Gas Explosion at Elm Valley Pump Station

A midnight explosion and continued roar brought considerable activity to Andover village about midnight Sunday night.

The explosion, which was at the Home Gas Company pump station at Elm Valley was caused when excessive gas pressure blew up a "hog hair scrubber" which is a machine to cleanse the natural gas before it enters the compressors.

The station was not in operation at the time and no one was at the building. The explosion was reported to company officials by Carl Burdick who resides nearby.

The explosion severed electric lines which operate Erie railroad signals in that vicinity.

Evening Unit

A very interesting and profitable lesson was presented at the meeting of the Evening Unit last Wednesday evening, when Miss Anna Newmiller of the extension service presented a lesson on oven meals in the homemaking room of Andover Central School. Miss Mary McCarthy and Miss Ruth M. Baker assisted her earlier in the evening.

Following the actual cooking of a complete meal in an oven, members enjoyed samples and received sheets of menus and recipes.

Miss Ruth M. Baker won the white elephant.

The scheduled date of the next meeting has been changed from Wednesday to Friday and will be held in the Grange hall Friday evening, January 20 at 7:30. It will be the first lesson on "Fabric Gloves" presented by Mrs. Gilbert Barrett and Mrs. C. G. Lynch. Members are asked to bring the following equipment: Pattern from leather glove project if you have one; sharp scissors; thimble; pins; ruler; lead jencil and nail white pencil if possible.

Day Unit

Last year Allegany county had 23 new cases of polio reported with two deaths and also had 13 cases under treatment which were carried over from the previous year. The county chairman, William J. Gallman, reports that the county funds which have provided therapy, training, braces and special shoes in addition to medical treatment have been sufficient to care for these cases, but by January 15th they will be expended and bills will be accrued for the money to be collected in this year's drive.

The total amount expended last year amounts to about $7,000 which was made possible by a balance carried over from 1948 and the one-half of the proceeds of last year's drive. County officials are pleased at being able to handle local cases without having to apply to the National Foundation for aid, as it has had to on several previous epidemic years.

But, as stated above, funds are now exhausted and the need this year for funds is great, so be as generous as possible in giving to the drive this year.

Moneys collected in the March of Dimes campaign fund are divided with one-half remaining in the county for local use and the other half going to the National Foundation to aid localities where an epidemic is too great for local committees to finance, and to finance further research on the disease.

The national picture at this time is bad with over 40,000 cases, an all time high, last year and national funds depleted to such an extent that an emergency drive was instituted during the past year. The emergency drive helped, but was still not enough to meet the requests of local chapters for assistance, so at the present time funds are being borrowed by the National Foundation in anticipation of this year's drive.

Roast beef supper, Presbyterian church, Thursday, January 19 at 5:30 p. m.
