Grange News

The next meeting of the Andover Grange will be held Wednesday evening, July 5th when the 3rd and 4th degrees will be conferred.

Thirty members and seven candiates are expected to attend the meeting from Yorks Corners Grange.

Each family is asked to bring buttered rolls for refreshments.

Scouts Leave for National Jamboree

Charles Loescher, Robert Sherman, and James Yannie of Troop 42, Andover, have been at the Wolf Creek Scout Camp this week undergoing training before going to the National Scout Jamboree at Valley Forge.

The scouts from this area left this morning for Valley Forge.

It can be said of modern business leaders that some die, but few retire.

Rhythm Band in Vacation Bible School

Just another ten days and Bible School time will be here. This will be an opportunity for boys and girls to spend a profitable two weeks learning more about the Bible and fair play.

There will also be place given to developing the child's talents along the musical line. If there are any, these talents should be discovered early. The rhythm band helps to teach group cooperation.

Well qualified teachers have spent many weeks of preparation to make the school a success. Our aim is to bring to the child a Bible-centered, pupil-centered, complete and timely course which will help to make him a better man or woman. We also want to reach those who do not go to Sunday School. We need the cooperation of mothers and dads to insure that success.

Home Bureau

West Greenwood

A meeting of the West Greenwood Home Bureau was held last Friday at the home of Harriet Redmond. Rayon blouses were completed and work done on next year's calendar.

Plans were also completed for a picnic at Island Park, Wellsville on July 14 for the women and children.

Officers elected for the coming year include: Jeanne Phillips, chairman; Clara York, vice chairman and Mrs. Howard Brewster, secretary-treasurer.

Fishing Restrictions Apply to Farm Ponds

Farmers in Allegany County who have farm ponds stocked with bass, bluegills or trout come under the same regulations as any other body of water, reports Robert A. Reed, District Conservationist.

Mr. Reed reports that even though the farmers may purchase the fish and manage the pond for good fishing, that the restrictions at the present time as to the taking of fish apply to all individuals.

If you have any question concerning the legal requirements for fishing or managing your pond, it is suggested that you get in touch with Mr. Reed's office or your local game protector.

A grant of $3,000 has been made to the University of Buffalo Medical school to continue the heart research study started last year at the school.
