ANDOVER NEWS

A PROGRESSIVE FAMILY NEWSPAPER FOR ALLEGANY COUNTY PEOPLE — IN POLITICS INDEPENDENT BUT NEVER NEUTRAL.

VOL. 65, NO. 10. For the Week Ending Thursday, March 9, 1950. $3.00 year; 7c copy

Clifford Howland Gets Census Appointment

Three Allegany County residents who will have general supervision of the census for 1950 in the county have received their notice of their selection. The appointments were made by Harry Jonson of Jamestown, supervisor for the Allegany, Cattaraugus and Chautauqua area embracing the 45th Congressional District.

The three designated for the Allegany zone offices are:

Wellsville: Mrs. Hubert D. Bliss, Wellsville.

Fillmore: Frank J. Stekyl, Fillmore.

Bolivar: Clifford V. Howland, Andover.

The three supervisory posts carry the title of crew leaders. They will have general oversight of the census enumerators, the zone office management and the duty of checking and certifying records.

The appointees began a week's training at Jamestown Tuesday. After the close of the school, crew leaders will set up the respective offices and arrange for the enumerator personal. After that has been completed, they will be responsible for training the enumerators.

Examinations for candidates for both crew leaders and enumerators were given at the Wellsville High School building under Civil Service Commission supervision. The list of enumerators who passed will provide the names from which from 40 to 50 persons will be chosen for the canvass. This work will be done in April.

Community officials have been known already to sound the call for the value of an accurate and complete census in the county this year. In 1940 Wellsville and Bolivar both raised doubts on the population total in those communities, as less than it actually was. Certain state aid funds coming to the respective towns and vilages are allotted on a population basis.

Hence if a census count runs below the actual figure, it involves a loss in state aid totals over a ten-year period.

Home Bureau

Evening Unit

There will be a business meeting held on Wednesday evening, March 15 at 8 o'clock in the Grange hall. We would like to have as many attend as possible since the program possibilities for next year will be discussed at this time. It is important that we specify the projects in which we are most interested so that our votes may be sent in to Belmont where the final ballots will be prepared.

We had intended to have the lesson on "Refreshments" taught at this meeting, but the training school has been scheduled for March 16 making this event impossible.

If anyone is interested in the leather work again, please call Betty Lynch before the meeting, otherwise the material will not be on hand as we shall assume no one is interested.

Refreshments will be served.

Honored on 75th Birthday

Mrs. Elizabeth Hann was honored on her 75th birthday Sunday, March 5th with a birthday dinner at the home of Mr. and Mrs. Douglas York.

Holy Name Society To Hold Communion Breakfast

This Sunday, March 12, the Holy Name Society will attend Communion in a body at 8:00 o'clock, following which they will hold a Communion Breakfast at the Social Hall.

Village Political Pot Begins To Boil

The village policital pot started boiling this week when a petition was filed under the name and emblem of the Union ticket.

The petition placed the names of Donald DeRemer and Edward L. Kent in the race for the offices of village trustee to be elected at the Village Election Tuesday, March 21.

The Union ticket is opposing the present village trustees Charles M. Holt and Dewey M. Northrup, who were nominated to succeed themselves at the Republican caucus.

Your Help Is Needed

With the disasters of the past year depleting the funds of the American Red Cross and the expanding of the Blood Bank program, the Red Cross quotas are higher this year.

Andover's quota is raised by $100 and Andover people are urged to give all they can in order to meet this increased quota.

In the list of workers published in last week's News the name of Prin. J. H. Kessler, Andover Central School faculty, was inadvertently omitted.

Grandmother Dies

Mrs. Elberta Swartz, grandmother of Mrs. Clara Lang of Andover, died Saturday, March 4, at the home of her daughter, Miss Bethel Swartz in Olean.

Mrs. Swartz was born in Friendship June 1, 1863. She resided the greater part of her life in Franklinville, going to Olean a few years ago to live with her daughter.

She is survived by eight children, Mrs. Harry Wheaton, Alden, N. Y.; Mrs. Clara Bennett, Mrs. Charles Reynolds, Mrs. Ernest Kenyon, Mrs. Carl Kenyon of Franklinville; Orin Swartz, Buffalo; Mrs. Leonard Foster and Miss Bethel Swartz of Olean. Twenty five grandchildren and thirty three great grandchildren also survive.

Services were held at the Spink Funeral Home in Olean Tuesday afternoon with burial at Pleasant Valley, N. Y.

Announce Engagement

Mr. and Mrs. Max Guenell of Rochester announce the engagement of their daughter, Edith, to Charles Gath, son of Mr. and Mrs. Charles Gath of Andover. The wedding date is set for April 8.

Ground Work Laid for Annual Exchange Minstrel

The ground work is now being laid for the Annual Exchange Club minstrel show which is going to be held on Friday and Saturday nights, April 28th and 29th. There has been several committee meetings at which nothing has been accomplished, so that is proof enough that the show is going to be as big a hit as ever.

The first three meetings were taken up with nothing but contract talk between "Old Zip Coon" Cable and the Exchange Club committee. Acting upon the demand of the public it was our aim to "hire" Mr. Cable again this year to act as interlocutor. Following were a few of his demands before he would sign the contract:

1. A guarantee of at least $125 per month when he reaches age 65.
2. A bonus of one dollar for every laugh that he draws during the show.
3. A flat sum of five dollars for each song that he sings.
4. A 10% cut of the popcorn concession.
5. Five paid holidays a year.
6. All of the end men must be members of the black face union.
7. His wife and kids must get free tickets to both nights of the show.
8. A percentage of all of the tickets sold over 8,000.

After many nights of deliberation we finally backed old John L. Cable into the corner and got his signature on the contract by his signature on the contract by 8. So folks, you can see that we are sparing no expense to bring to you this year the best show that we have ever had. Watch this newspapes for future advance notices on the show. We will pass them onto you as fast as we get them.

Rev. George W. Keeling of the First Methodist church of Wellsville officiated at the double ring ceremony in his home. Mr. and Mrs. Raymond Walters of Andover were attendants.

Harland Robinson Transferred to Worland, Wyom.

We are reprinting the following article from the March 2 edition of the Fallon County Times of Baker, Mont.:

R. H. Robinson, superintendent of the Baker gas field operations for the Montana-Dakota Utilities Co., will be transferred from Baker to Worland, Wyoming, it was announced yesterday. The transfer will become effective about May 1 this year. Mr. Robinson will supervise the company's operations in the Worland district. Bob Robinson came to Baker in March, 1931, and was employed by the M. D. U. Co., as assistant superintendent. When Mr. Schroth was transferred to Glendive in 1946, Mr. Robinson took over as field superintendent at Baker.

Mr. Robinson will be succeeded in Baker by Robert Corbitt, who has been assistant field superintendent of the Baker field operations for many years. The position of assistant field superintendent will be filled later when Mr. Robinson goes to Worland.

The R. H. Robinson family has been foremost in the well being in this community and their departure will be a great loss.

Mr. Robinson has served as president of the Commercial club chairman of the school board for numerous years, church trustee, member of the Fallon county fair board and on, too many to mention, committees for the betterment of the community. He has also as a resident owner not only maintained his own modern home but provided two other attractive homes that have greatly improved that section of the city and relieved the housing shortage.

Mrs. Robinson has been instrumental in scattering more cheer and kindnesses in the community than any other half a dozen individuals. It would take many words to express the general regret that will be felt over this estimable family departure.

History In The Making

I would like to express my thanks and appreciation to the response, to my request for material for the history of the town, to Claire Backus, Andrew Fuller, Ethel Kemp and Marguerite Walton. It is very encouraging to find I now have enough for a good start.

This week I am starting with our schools. The little one room country schools as well as our high school. Old record books of school meetings, officers of each school as well as teachers and pupils. Any pictures or anything directly pertaining to these houses of learning, anything and every thing helps to bring up to date these things that have almost been forgotten and over-shadowed in our busy world of to-day.
