Grange Newsletter

by E. PAYSON SMITH

FINAL SERIES of Grange Regional Conferences are scheduled as follows: April 11—Watertown area, in Watertown Y. M. C. A.; April 12—Canton area, Agricultural and Technical Institute; April 13—Malone area, Malone Grange Hall. These will be the last of this year's conferences covering work of the Master, Lecturer and Juveniles. Each of the daily meetings will begin at 10:00 in the morning and continue on into the afternoon, with luncheons arranged at each place.

Latter part of April and early May there will be four Lecturer's Schools held under Mrs. Florence Pickett's direction in as many convenient sections of the state. We will give you exact places and dates in a later column.

RURAL YOUTH of U. S. A. is one of those national organizations that anyone 18-26 years of age can join without being subject to a Congressional investigation. Wib Justi, director of National Grange Youth department, and one of the advisory committee, tells us that in some sections there have sprung up some questionable groups of this nature, so we suggest that you stick to this national conference, and give a thought to attending next fall's gathering at Jackson's Mill, West Virginia. Chance to travel, have fun, and by all means come home with a greater appreciation of your rural heritage. We thought you would like to know that two New Yorkers are officers: Wilbur Pope, Rte 2, Ithaca, is a national vice-president; and Adelaide Kennedy, of Cortland is on the advisory committee. They will be glad to give you any information you need.
