Dairymen's League Meets Here

A meeting of Sub-District 19-A of the Dairymen's League was held in Andover Grange hall Monday, March 27. Dinner was served at noon to 64 members.

Director Herbert Seeley of Knoxville, Pa., was the guest speaker. He gave a short resume of league work to stabilize a price for milk, and take care of surplus milk and creating more markets for milk.

Mr. Talbott reported the program on "Milk for Health" was progressing nicely.

The associate delegates met for a short meeting with Mrs. Pearl Wixon as chairman.

An afghan which the women had made was displayed and then sent to the county home for the use of inmates as needed.

Legion Ends Home Season With Loss To Elkland

The Andover Legion basketball team played their last home game of the season on the Central school court last Thursday evening losing to Elkland 65-58.

The proceeds of the game which was around $15 was contributed to the Red Cross. A small crowd attended because of numerous other local activities that evening.

Andover took a 20-4 first quarter lead but couldn't hold. The half ended with a 28-26 score in Andover's favor.

The last half was close all the way with Andover leading by seven points in the last quarter, but the locals ran out of gas and Marzo and Jenkins, Elkland's two flashy forwards got hot. They scored 25 points in last quarter and even though Andover made a last two minute bid for victory they could not catch the Elco's.

Marzo and Jenkins led in the scoring with 23 and 21 points respectively. Witzel and Gorsuch led the locals with 12 and 11 points.

For the preliminary the Legion edged out the Grange 38-34 in a hard fought contest.

The Grange took an early lead and were ahead 25-19 at halftime. In the last quarter the Legion boys came to life; led by "Duff" Joyce who not only controlled the backboard the last half but threw in 13 points to take scoring honors for the evening.

Joyce and Karcanes were high for the Legion with 13 and 12 points and McGuirl was high for the Grange with 18 points.

This closed the home season for the Legion. Manager George Karcanes received an invitation for the Andover Legion to play in Wellsville this week meeting the strong Cuba Vikings. This is the last game of the season. The game is played as the preliminary to the Moose-Elks Community League play off.

The preliminary team ended up the season with nine wins against two defeats.

Hospital Drive is Different—Here's Why!

When Andover's four teams of volunteer workers swing into action tomorrow and the following two weeks, they are emphasizing that this campaign is different and telling why this is true.

First, it is a once in a generation proposition, not an annual drive. This is the one time you will be called upon to help build your hospital.

Secondly, it is not a chairitable donation to others. It is an investment in the hospital protection every householder owes his own family.

Thirdly, it is many times larger. In 1948, about every 15th patient admitted to Jones Memorial hospital was from Andover, meaning that Andover's quota if calculated on the basis of use, would be $30,000. However, in the general campaign now getting underway, Andover has subscribed to memorials totalling a minimum of $15,600.

Volunteer workers are seeking pledges, not cash in one sum, since the amount needed can not readily be obtained out of pocket. Just about everyone is for the new hospital. The question is not whether a person will contribute, but how much? To raise the large capital fund necessary as Andover's part, many subscriptions of $300, $150 and $60 are necessary, spread over six payments in three income tax years, thereby enabling all to give more generously than if paid in one sum at once.
