ANDOVER NEWS

A PROGRESSIVE FAMILY NEWSPAPER FOR ALLEGANY COUNTY PEOPLE — IN POLITICS INDEPENDENT BUT NEVER NEUTRAL.

VOL. 65, NO. 15. For the Week Ending Thursday, April 13, 1950. $3.00 year; 7c copy

Of Interest to Village Residents

Departmental segregation of salaries for the village officials appears to be confusing to many people. In order that this may be clarified, I am listing the salaries for the various officials as set up in the tentative budget for 1950-51, as compared with 1949-50.

	1950	1949
Mayor	$ 270.00	$ 270.00
Trustees (each)	180.00	180.00
Attorney	175.00	175.00
Clerk and Treasurer	1,800.00	1,200.00
Assessor (copying assessment roll)	30.00	30.00
Supt. Electric Dept.	2,700.00	2,700.00
Supt. Water and Highway Depts.	2,600.00	2,600.00
Police Patrolman	3,000.00	3,000.00

Mrs. Rogers feels there is need for the village office to be open for a longer period each day than the three and on-half hours, which has been the custom for some time. Full time employment on the part of the clerk will naturally mean an increase in the cost of operating this office. For this consideration an additional $600.00 disbursement, in the electric department has been set up in the 1950-51 tentative budget and if adopted will establish new office hours as follows:

9:00 A. M. to 12:00 Noon - 1:00 P. M. to 4:00 P. M.
Monday, Tuesday, Thursday and Friday

9:00 A. M. to 12:00 Noon, Wednesday and Saturday

9:00 A. M. to 12:00 Noon - 1:00 P. M. to 6:00 P. M.
on 20th only.

In another column of this edition you will find the hours from 7:00 P. M. to 9:00 P. M., April 25th, 1950 have been designated for a Public Hearing on the tentative budget. At this time the general public has the opportunity of expression regarding any item in the tentative budget.

I would like to emphasize at this time that your interest in the operation of the village affairs will be appreciated and your presence at our meetings will be welcomed.

Signed:
CHARLES B. CAPLE, Mayor

Miss Irene Ruber of Rochester was bridesmaid and Clyde Yorton of Andover acted as best man.

The bride, given in marriage by her father, wore a deep rose suit with tan accessories and a corsage of white sweet peas tied with gold ribbon. Her attendant chose a navy blue suit, dove grey accessories and a corsage of sweet peas tied with a silver ribbon.

The bride's mother wore a grey pin stripe suit with black accessories and a corsage of sweet peas tied with pastel ribbon. The groom's mother was dressed in a light grey suit with black accessories and a corsage similar to the bride's mother.

Following the ceremony a reception for the immediate families was held at the home of the bride's parents.

"Paddy" Releases More News on Minstrel Show

Dear "Willie":

Before I forget it, Willie, the next minstrel show practice will be at 7 p. m. Friday. We are having it early as there is a dance at the school that night. So pass the word along and tell the members of the cast to be prompt.

Let's see, Willie; the last time I saw you we were trying to think of something nice to say about that mysterious man of Main street, alias, "The Man With a Shovel." You will remember that after much deliberation we gave up, because finding something nice to say about him would be as simple as removing an ant's appendix.

I read in the paper last week where he was trying to sell the public on his talent for hard work.—That makes me want to laugh up the sleeve of my vest. Among other things, a good day's work would kill him. You know how he rates mentally. Well, physically it's the same — his muscles stand up like knots in black thread.

I button-holed K. D. (Klearly Demented) Bostwick about the working ability of our second-story pal. K. D. put on his $1.98 sneer and said: Quote: "He should be a centipede with ingrow toenails. The only exercise he ever gets is pushing away from Greene's Soda Bar." Unquote.

Enough of that unpleasant subject, Willie; let's got on to business.

The show has progressed to a point where I can say with pride that it will be the best minstrel show to hit town this year. Check on the number, Willie.

Dr. Robert Ennis has joined our parade of stars, and his act is something for the books. You didn't know he was a doctor? He's a head specialist. He examines cocoanuts, heads of cabbage, lettuce, etc. I had him check the "Man With a Shovel" and he claims his head has all the characteristics of a marshmallow.

And, Willie, the demand for tickets is getting out of hand. Our biggest order yet comes from "Freem" Rogers. He wants 150 tickets. "Freem" is an assessor over in Greenwood, and he plans to give his tough cases a ticket. That way he figures they will be still laughing when he comes around in June to tack an extra thousand on their valuation.

Say, Willie, have Claire take that ad out of the lost and found column because "Doc" Common finally showed up at rehearsal. We were worried about him. I think he is on a committee of some sort.

Be good, Willie, and try to think of something nice to say about our friend with the crippled cranium. If you ever saw him eat you would know why they call him the "Man With a Shovel."

And another thing, Willie, I want you to pass the word along that I had an exclusive personal interview with Art Genung back of his warehouse the other day and he said: Quote, "I want it known to every resident of Andover that I will be at the minstrel show, and I think it is a subversive and a highly un-Andoverite movement on the part of parties in charge of the minstrel show to create a spirit of unrest and uncertainty as to my whereabouts on the night of the coming show. Again I say I will be at the minstrel show if something does not turn up to keep me away, or if I happen to change my mind." Unquote.

Your friend, "Paddy"

Appreciation

I wish to express my appreciation to my many friends for the cards and gifts sent me at Easter.
