9Y MATY E. CONSTOCK.

Don't you wish you knew? The words were uploane by a long ripple of musical, stury longher. Don't, you wish you knew, Seth Howe!

The spacker atold with her lambs behind her. Her shaher had dropped off, and hung by the strings below her matted, curing hair, which the host of the sunest vays were taging with gold. The sauciness and give of the bright, dark eyes were example afting in the extreme, and Seth Howe tarned resolutely away, and addressed binself to milking in a most energetic, business-like manner.

So you which pack the first interest of the company and in the company

And the same of th
