Apple Crop Good; Peaches Light; Grapes Average

Albany, Aug. 21—Apple production in New York in 1950 is expected to be about 17,625,000 bushels, according to the August federal-state crop report issued from the New York State Department of Agriculture and Markets. Although 12 per cent under the 1949 crop, the 1950 production is 22 per cent more than the 1939-48 average.

New York peach orchards were hit hard by cold weather in winter and early spring, and the light production of 990,000 bushels is largely concentrated in the western Lake Ontario area and a few scattering sections in the southern Hudson Valley. Last year's crop was 1,428,000 bushels and the 10-year average was 1,330,000 bushels. Earliest varieties are appearing in market.

In contrast, the prospective pear crop of 1,033,000 bushels, though slightly less than last year, greatly exceeds the 1948 crop and is 23 per cent above average.

The expected 64,700 tons of grapes compares with 48,400 tons last year, 65,200 tons in 1948 and the 10-year average of 54,990 tons.

August Milk Price Forecast At $3.95

New York, Aug. 23—Dairy farmers will be paid a uniform price of $3.95 per hundred for their August deliveries to pool-approved plants in the New York milkshed, according to a forecast released today by Dr. A. J. Pollard, acting market administrator of the New York Metropolitan milk marketing area.

He estimated at the same time that the producer butterfat differential for August would be 5.8 cents for each tenth of a pound of fat above or below the 3.5 standard.

Dr. Pollard said the forecast is based on a production estimate of 556 million pounds of milk for the month.

Pond at Alfred Largest In 13-State District

The largest artificial lake or farm pond being built by the Soil Conservation Service in the 13-state northeast district of the United States is now being constructed on the Foster property near Alfred, according to Robert A. Reed, district conservationist.

The pond will cover about 25 acres with an acre island in the center to serve as a nesting place for ducks and other game birds. Water depth will be from 8 to 22 feet.

Lightning Burns Barn Near Alfred

Lightning struck and set fire to the barn on the Earl Brown farm on the Vandermark road about 11 o'clock last Thursday night. The 36x40 foot barn with between 35 and 40 tons of hay and other nearby buildings were burned in a blaze that could be seen for a distance of ten miles.

All stock was saved but a quantity of farm machinery was lost.

Scout Camp Drive To Be Held Next Month

Plans to finish the campaign of the Seneca Council, Inc., Boy Scouts of America, to raise $150,000 for the construction of new Scout Camp on Wolf Creek near Portville, New York are about complete. A Scout week for the campaign has been set for September 11 to 18, 1950.

Under the leadership of the late Norman Chapman, Genesee, Pa., a start was made on the fund raising. The work so ably begun by Mr. Chapman has been carried forward by his friend and associate James E. Randall, Wellsville. Under their direction about $50,000 has been raised to enable the Scout officials to make a start at the camp.

Mr. Randall is continuing as chairman of the capital fund effort. Helping him complete the organization are William N. Davis, Olean, who will serve as the Cattaraugus County Chairman. The Allegany County Chairman will be C. Humphrey Stevens Wellsville. Victor D. Fregeborn, Olean, will assist Mr. Davis in Cattaraugus County.

The two largest projects contemplated at the camp are the construction of a dam to make a five-acre lake, and the erection of a central lodge. Once the funds are available, the construction will go forward under the direction of Council President William H. Reeder, Olean.

Our president, Jessie Whiting, has been chosen as assistant inspector. Pearl Joyce and Gertrude Lynch have been appointed aides for 1950-51.

Florence Bines is reported ill at the Oxford home.

The value of Hearst newspapers was estimated at $90,000,000 in 1935.

The first commercial factories to make plywood were erected in Russia in the 1880's.

Crandalls Entertain Canisteo Grangers

Blue skies, fleecy clouds, and sunshine over Crandallvale meadows made a pleasant rural setting for the Canisteo Grange No. 460 annual outing and picnic held Sunday, August 20 when over 75 members of Grange families met with Mr. and Mrs. Wayne Crandall of Independence.

Farm views and a ball game and pony rides preceded the picnic dinner with its bountiful array of good. After the picnic, Clair Dennis as master of ceremonies, opened a program of games with the following Grangers as chairmen of the various events in which young and old participated: Mr. and Mrs. Walter Emo, Roy Greenfield, Lee Carter and Walter Wheaton.

Prizes were in charge of Mr. and Mrs. Irving Caward and Mr. and Mrs. Roy Greenfield.

Winners in the events were: Measuring a minute, Mrs. Lee Carter; strength (bursting huge balloon), Harlo Atherton; pacing off 100 feet, Leon Dennis; high jump, tie between Kenneth Crandall and Edward Bailey; biggest balloon, boys, David Greenfield; girls, Suzanne Wheaton; Sheldon Atherton won the boys' sack race, Wayne Crandall the men's and in the sack race for women Mrs. Walter Emo first and Mrs. James Cornwall second.

Leon Dennis and Kathleen O'Brian won the adult three legged race; Curtis Crandall and Richard O'Brian, Jr., children's three legged race; discus throwing by the women, Mrs. James Cornwall, by the men, Leon Dennis, with Mrs. Cornwall winning first for the ladies over the men in final competition with Mr. Dennis. Hat throwing was won by Mrs. Mary Cornish; pony race by Roy Greenfield and son Jimmy with James Cornwall and son Steve coming in second. The heel and toe race for women was won by Mrs. James Cornwall; thread the needle by Wayne Crandall.

The barnyard noises winners were: Mrs. F. E. Williams and Jack Myers, tieing with Mary Cornish and Robert McKibben for first and Mr. and Mrs. Harold Ordway in second place. The inner tube relay was won by the men's team captained by Walter Emo assisted by Harold Ordway, Jack Myers, Wayne Crandall and Richard O'Brian, Sr. The women's team deserved honorable mention, nearly tieing for first place, with Mrs. Roy Greenfield as captain, assisted by Mrs. Jas. Cornwall, Mrs. Jack Myers, Mrs. Richard O'Brian and Kathleen O'Brian.

Concluding minutes were marked by the expressions of appreciation by the group for the gracious hospitality shown them by the Crandall family.

AVOID BACK-BREAKING DRUDGERY

and add to the

BEAUTY OF YOUR HOME

You will save scrubbing and hours of polishing by using Beacon Quik-Gloss non-rubbing Wax on all surfaces you wish to keep clean and shining. "Beacon" is made to give a higher, more lasting gloss than do ordinary waxes. It is easier to apply—faster to dry—is long wearing and waterproof.

Make the "Floor Wax Comparison Test"—Divide your floor into two parts—apply Beacon Floor Wax on one of the parts—wash wax applicator thoroughly so waxes will not be mixed—apply any other brand of wax to the other part. Wait 20 minutes to dry, then convince yourself on Beacon's amazingly long-wearing gleam, and resistance to water and hard wear.

Priced at 65c pt., $1.10 qt., $1.75 ½ gal., $3.50 gal., 75c paste
