"The Child with the SAVINGS ACCOUNT Becomes the Thrifty Man"

A savings account is an ideal birthday gift for boy or girl. It fosters a sense of independence. It provides an incentive for thrift. It enables the child to save for the things he wants—and thus learn, through a small measure of temporary sacrifice, the relative value of possessions and of goals.

Upset Stomach?

Hospital Tests Prove Pepto-Bismol Works Where Soda and Alkalizers Fail

. . . not in stomach alone, but also in the many feet of intestines below the stomach, where trouble often occurs!

News for upset stomach sufferers! Actual hospital tests prove safe, gentle Pepto-Bismol gives deep, thorough medication no soda or alkalizer can hope to equal.

Soda and alkalizers may ADD to the upset. And fail completely to relieve trouble in intestines, where food can ferment and putrefy. But Pepto-Bismol coats and soothes stomach and intestinal walls. Helps protect against biting, burning acids; retard gas formation; calm heartburn, nausea. Controls simple diarrhea, without constipating. Helps you feel GOOD again! And for children's upsets, your doctor can tell you the SAFE way is the BEST way. Use soothing, gentle Pepto-Bismol.

Take soothing PEPTO-BISMOL and feel good again!

Arling R. Baker Dies Unexpectedly At His Home

Arling R. Baker, prominent Andover businessman for the past 43 years and head of the hardware firm bearing his name died suddenly at his home here Friday noon, September 15, 1950 at the age of 72.

Arling Raymond Baker was born in North Bingham, Pa., March 15, 1878, son of Brinton J. and Rillie Lee Baker. He attended high school in Whitesville, graduating in 1896 and following that the Mansfield Normal School, graduating in 1899. For ten years he taught in the district schools of Pennsylvania.

In 1907, he and his brother, the late Erwin D. Baker, established their hardware firm which became well known in this area. Due to the illness of his brother, Mr. Baker took over the control of the business in 1933.

On October 31, 1919 he was married to Mrs. Margaret Bettinger who survives together with one daughter, Mrs. Richard Harder and one grandson, Kent Harder of Andover. Also surviving are two sisters, Mrs. Rose B. Vincent and Miss Helen Baker of Glendale, Calif., and one brother, D. Lee Baker of New Rochelle, N. Y., a niece, Mrs. William Grossman of Houston, Texas, and a nephew, Davis Lee Baker of Darien, Conn.

Mr. Baker was active in civic and community affairs and a member of the congregation of the Andover Presbyterian church of which he was treasurer for some years. As a member of the Andover Lodge, No. 558, F. & A. M., he was Master in 1930. He served on the Andover Village Board in 1920 and 1921. During World War 1 he was local chairman for the Third, Fourth and Fifth Liberty Loan drives, and for ten years he was head of the Andover Red Cross Chapter. He was also a member of the New York State Hardware Dealers Association, the Andover Exchange Club, Anna W. McArthur Chapter, O. E. S., a director of the Andover National Bank and a member of the Andover Fire Department for 28 years.

His advice was continuously sought on personal as well as business matters, and he served as administrator of many estates. Mr. Baker exemplified a splendid type of American manhood and many will remember his private philanthropies.

Funeral services were conducted by the Rev. Albert N. Rogers of Alfred Station at 3 o'clock in the home, following which a Masonic service was held at the grave in Hillside cemetery.

The honorary bearers were: Frank W. Burrows, Samuel B. Crandall, Everett N. Clair, Andrew D. Fuller, John C. Lever and Raymond O. Snyder. The active bearers were Earl J. Allen, Fay E. Boyd, Harry Baker, Hugh Barlow, Leonard Briggs and Dr. J. Robert Common.

Exchange Club Is Sponsoring Scout Lake Drive

David Flammer, District Scout executor and C. Humphrey Stevens, county chairman of the Boy Scout campaign to complete the capital fund drive for the construction of the lake at the Wolf Creek Scout camp, were in attendance at the Andover Exchange Club meeting Thursday evening, in the interest of that campaign.

The local Exchange Club, sponsors of Andover Boy Scout Troop No. 42, will also sponsor the drive in Andover to raise funds for the completion of the lake.

The Scout camp at Wolf Creek which serves as a camp site for scouting in both Allegany and Cattaraugus counties, fills a long sought need for an adequate camp site within available distance to these counties and water facilities are a necessity to the Scout program, for swimming, boating and study of water wild life. Also in this program is included the erection of a Scout lodge of sufficient size to accommodate the necessary functions of the Scout camping program.

There will be no house to house canvass for this drive and anyone wishing to contribute to it that are not called on by the Exchange Club committee are asked to make their contribution at the Clair's Pharmacy.

Members of the Exchange Club having pledge cards are requested to take care of them as soon as possible and make their return so the drive can be finished in the very near future, as work has already started on the lake site.
