County Farm Equipment Dealers Favor "Milk for Health" Program

The fact that milk prices have dropped approximately 20 per cent in the past year, whereas non-farm prices have declined only five per cent, is not a mere fact to be accepted, but a situation that must be dealt with promptly, was the declaration of the Allegany County Farm Equipment Dealers' Association at a recent meeting.

The decreased consumption of milk and milk products is one big reason for the decline in milk prices, and dealers at this meeting stated that the only way this situation can be corrected is to carry on an intensive campaign of advertising and consumer education. We need to emphasize to consumers that "Milk is the Drink," and the most nutritious drink for the money on the market today, remarked Herald Ford of Ford & Peckham of Andover, spokesman for the group. The dealers agreed that this could be achieved through the "Milk for Health" program.

Mr. Ford stated that through this program the present consumption of less than a pint per person in New Yrok City could be increased to at least a pint and possibly more, so that if Class I sales were increased only five per cent that it would mean a return to New York dairymen of approximately $1,140,000 more per month. The Andover representative said that the association has gone on record as favoring the program and that plans are being completed to actually take part in it. They urge all other business organizations and farmers to support this state program. A one cent investment now may be returned several times over was the feeling of the Allegany County Farm Equipment Dealers Association.

The association is made up of the following:

L. L. Babbitt, Fillmore.
Chiavetta & Hawkins, Wellsville.
Fillmore Farm Supply, Fillmore
Ford & Peckham, Andover.
Howard L. Grastorf, Belfast.
Lucky & Sanford, Fillmore.
McIntosh Garage, Almond.
Charles F. Oliver, Canaseraga.
N. A. Phillippi, Fillmore.
Stekl Bros., Fillmore.
Whipple & Prosser, Cuba.
Stafford & Culbert, Wellsville.
Crowell & VanName, Rushford.

Sportsmanship Award Planned for County Sportsmen's Clubs

The John Bryson trophy will be awarded annually in October to the sportsmen's club in Allegany county making the largest contribution to good sportsmanship. Robert A. Reed, president of the Allegany County Federation of Sportsmens' Clubs announces the federation will make the award at the annual federation dinner.

The trophy, donated by Mr. Bryson, will remain in the possession of the club winner one year or until a new winner is selected. Final details of the contest and entry blanks will be mailed all clubs in the near future.

Some of the items to be considered in the contest will be: Formation of Junior Sportsmens' Clubs; Sending a boy to the Conservation Camp; Conservation projects on club or private holdings such as tree and shrub planting, farm ponds and other similar items.

For further details, Mr. Reed says, members should contact club secretaries or delegates to the federation.

What Counted

Minister's wife: "That was a beautiful sermon of yours about the Lord loving a cheerful giver, and I'm sure the congregation took it to heart."

Minister: "The collection didn't show it."
