## GIVING THE DOCTOR X-RAY EYES

What goes on in every part of the human body—the chest, the bones, the brain, the kidneys, the alimentary tract — can be studied with the help of radiant energy, the basic stuff of the material universe. When Jones Memorial Hospital opened a generation ago, it had no x-ray apparatus. Now nearly 1,000 examinations a year are made so the doctor may understand the cause of disease. The new, modern hospital, will have a commodious radiography suite, with up-to-date installations, dressing rooms for patients, a film library and a special mobile x-ray suite that can be wheeled right to the bedside.

## Farm Department Opposes Regional Fairs

The New York State Department of Agriculture and Markets has served notice that it is "for" the present system of town and county fairs.

Proposals to combine some of the agricultural fairs into a much smaller number of regional fairs are meeting no favor in the department which works with the county fairs and audits their expenditures for premiums. That was what Assistant Commissioner Earl C. Foster told the State Association of Agricultural Fair Societies at its meeting in Albany recently.

Commissioner Foster cited many reasons why in his opinion "regional fairs could never replace the more than fifty local fairs." He assured the fair officials "there is no probability that any program will be undertaken which would in any way harm any of our county or town fairs."

## Death Strikes Family Twice in One Week

The following excerpts regarding former Independence residents are taken from a Lackawanna paper:

Death, for the second time with a week, visited the home of Mrs. George Wicks.

A week ago her husband died after a long illness and the funeral was held Saturday. Among the mourners was Mrs. Wick's sister, Mrs. Anna Loring of Jackson Heights, N. Y. On Monday Mrs. Wicks and her sister were visiting when Mrs. Loring suddenly collapsed and died almost instantly

Mrs. Wick was formerly Miss Nora Livermore and Mrs. Loring was formerly Miss Anna Livermore, daughters of Mr. and Mrs. James Livermore, former residents of Independence.

Besides Mrs. Wicks, Mrs. Loring is survived by her husband, Louis Loring, two other sisters, Mrs. Amy Bryars of Elmhurst, L. I., Mrs. Nellie Snyder of Wellsville and a brother Raymond Livermore of Whitesville. The late Miles F. Livermore, who was buried in Andover last year, was also a brother.

## Greene Herd Completes Test

Battleboro, Vt. Feb. 24—During the last test year, the 16-cow herd of registered Holstein-Friensians owned by Earle R. Greene, Andover, New York produced an average of 366 pounds of butterfat and 9911 pounds of milk in the official Herd Improvement Registry program of The Holstein-Friesian Association of America.

One cow was milked 3 times daily, and the remainder 2 times Testing was supervised by Cornell University, in cooperation with the national Holstein headquarters.

## Mr. and Mrs. Donald Lynch Burn Out in Wellsville.

Mr. and Mrs. Donald Lynch and babe escaped with only what clothing they could pick up when the house in which they were living, corner of North Main street and the Bolivar road, in Wellsville was destroyed in an early morning fire Monday morning.

The cause of the fire is listed as a defective oil heater in a chicken brooder in the basement of the house.

Mr. and Mrs. Lynch occupied the lower floor of the house and Mrs. Virginia Potter lived in the upstairs apartment. Both families lost everything in the blaze.

## Savings Bond Drive Starts May 15

"Independence Drive" will be the name of the 1950 U. S. Savings Bonds campaign which gets under way May 15 and runs through July 4, according to Secretary of the Treasury Snyder. In announcing the drive, Secretary Snyder said the Liberty bell is the campaign symbol, and "Save for Your Independence" is the slogan.

"It is singularly appropriate that this campaign should be known as the Independence Drive because the spirit of personal independence has motivated our financial as well as our political thinking since our nation's earliest days," Secretary Snyder said.

"As for the Liberty Bell, it symbolizes not only our political independence but also all those characteristics of Americanism which serve to sustain our independence. Of these characteristics, thrift, of course, is one of the most outstanding. Thus in the Independence Drive, the Liberty Bell will be an especially suitable reminder of the importance of savings and Savings Bonds to our economic life and to the financial independence of the individual," Secretary Snyder added.
