Wellsville Driver Wins Stock Car Trophy Race

Over 2,500 enthusiastic stock car racing fans cheered home Dean Layfield of Wellsville as he won the 40-lap season championship trophy race Sunday at the Wellsville Raceway. His average speed for the 20-mile run was 51.5 miles per hour. Twenty cars out of a field of 33 completed the 40 grueling, dusty laps.

Taking the lead at the starting post, Layfield held it all the way. Never once did second place Curley Hatfield of Elmira seriously threaten Layfield. Hatfield gave the fans a thrill when he spun out on the fourth turn of the 36th lap. However, with third place George Egbert of Scio a full half lap behind, Curley was able to re-enter the race and hold his position despite his misfortune.

"Whitey" Gorsuch, "The Flying Dutchman" of Andover moved into fourth place on the tenth lap, but couldn't push his car to finish better than position.

"Lucky" Cornish of Elmira furnished an anti-climax to the race when, after completing the 40 laps, he stumbled from his car to succumb from carbon monoxide gas. He was revived by medical personnel at the track.

In the 20-lap feature event, which was run as a side feature to the trophy race, "Curly" Hatfield of Elmira and "Walt" Babbitt of Wellsville fought it out for first place for seven and a half laps. On the eighth lap Babbitt spun out to avoid being in a collision between Bill Cook of Lindley and Everett Fenton of Genesee, both of whom crashed through the fence. Babbitt bounced right back to push his car into fourth place at the finish.

Dean Layfield, winner of the trophy race, involved in one of the qualifying races in an accident with Otto Goodwin of Almond, worked against time to install a new front end in his car to enter the 20-lap feature. With the help of his pit crew and other drivers, Layfield made the start and fought his way up to finish third.

Ira Blixt, County Agent

Wallace Wingert, chairman of the Allegany County Farm Bureau announces a state wide "Talk Meet" that any Allegany county boy or girl 18-30 years of age is eligible to take part in.

The subject of the "Talk Meet" is "The Importance of Better Forage on New York Farms." Sub topics of this general topic that contestants should be prepared to speak on extemporaneously are as follows:

1.—How important are forages as a source of feed?

2—What do forages cost in relation to other feeds?

3—What improvements are most needed in our pasture programs?

4—How can we get better quality winter feed from our hay crops?

5—Will better forages have a place in an all-out defense program?

Each contestant will have five minutes to deliver his talk on one of these topics.

The winner of Allegany county will compete with other county winners in a state contest at the annual New York State Farm Bureau Federation meeting at Syracuse November 13.

Anyone interested in entering this contest should contact the Farm Bureau office not later than October 27, Mr. Wingert said.

County Agencies Sponsor Fox Trapping Contest

The County Farm Bureau Livestock Health Committee, the Soil Conservation District, the Federation of Sportsmen's Clubs, the 4-H and other county groups are again sponsoring a fox trapping contest in Allegany county.

The contest opened Monday with some 100 county youths participating and District Conservationist Robert A. Reed has set a goal of "about 500 foxes," although the fox population is down in the county this year as a result of over 400 trapped in the 1949 contest by 47 boys.

Any boy or girl between the ages of 14 and 18 years is eligible to compete for the 80 prizes which includes a $25 top prize.

The contest closes December 15th.
