ANDOVER NEWS

A PROGRESSIVE FAMILY NEWSPAPER FOR ALLEGANY COUNTY PEOPLE — IN POLITICS INDEPENDENT BUT NEVER NEUTRAL.

VOL. 65, NO. 44. For the Week Ending Thursday, Nov. 2, 1950. $3.00 year; 7c copy

Farm Bureau Membership Drive Now On

The 1951 Allegany County Farm Bureau Membership campaign is now in full swing, according to Wallace Wingert, chairman of the Allegany county Farm Bureau.

The present membership of 2200 is the highest in the history of the county, and Mr. Wingert appealed to community committeemen, at a recent meeting to go out and solicit an even greater membership this year. If we ever needed a strong farm organization, it is today, he said.

The chairman points to a number of accomplishments of the American, State and County Farm Bureau, of which a few are listed.

1. The American Farm Bureau Federation with Allen Kline as its president has done more to halt the trend to socialism and help stabilize our economy than any other organization.

2. This year in the legislature a 10 year program was adopted, also a law providing for the movement of farm machinery up to 13 feet in width without a permit. This Mr. Wingert said meant thousands of dollars in the pockets of the New York State farmers.

3. Coming down to the county level the chairman reminded members of the many meetings, tours, farm visits, radio work, etc., which has introduced new practices and methods to Allegany county farmers that is proving very successful.

Mr. Wingert said that he truly feels the Farm Bureau investment is the cheapest tool that he has been able to buy on today's market. Where else, he said, can you get for your dollar, what you do in the Farm Bureau.

The chairman concluded by stating that if everyone will determine their present day agriculture needs and then inventory the many services of the Farm Bureau, that there is no question but what the 1951 Farm Bureau membership will be the highest ever.

Mr. Wingert also reminded all Farm Bureau members and their families, of the "Roundup" which is to be held at the Belmont Central School, Thursday evening, November 9th, beginning at 8:00 p. m. There will be a full evening of entertainment and refreshments.

Dick Harder Leaves Empire Gas to Enter Hardware Business

The following article is taken from the November issue of "The Beacon," Bradley Empire Appliance Company News:

Richard Harder, who has been with the Empire Gas & Fuel Co., Ltd., since June 1, 1928, left the company October 1st to assume charge of Baker's Hardware in Andover. "Dick" has a substantial interest in the business and the recent death of Mr. Baker left him no other alternative.

It has been said that "Dick" was born in the Andover pump station. This arises from the fact that his father, Guy Harder, was in charge when "Dick" arrived on the scene and his early youth was spent around the place. When his father retired September 1, 1948, "Dick" took over as superintendent of the plant and has done an excellent job running it ever since.

Lynn (Bud) Trowbridge, who has worked at the station since May 1, 1938, has assumed charge and will carry on in "Dick's" place.

We all regret having "Dick" leave, but wish him every success in his new business.

Evangelist at Local Methodist Church Next Week

Eight hundred guest preachers from eastern and southern parts of the United States will arrive November 3 to assist the 918 churches of the Syracuse area of the Methodist church in the greatest concerted evangelistic campaign ever attempted by this denomination. One guest pastor will be assigned to each smaller church in the area, and two will assist the pastors of the larger congregations.

The Andover Methodist church is cooperating in this great evangelistic crusade. The evangelistic services will be held in the church each evening of the week November 6-10 beginning at 7:30 p. m. It is not known at the present time who the guest minister will be. However, he will be assigned to the church on Friday, November 3. This we do know, he has been specially chosen for this work by his own district superintendent.

The week of Evangelistic Advance will open Saturday, November 4 with a youth rally in nine of the ten districts presided over by Bishop W. Earl Ledden of Syracuse. In the Olean district the rally will be held Friday evening, November 3 at the Trinity Methodist church, Olean. The preaching mission will continue nightly, Monday through Friday, November 6 to 10. The series will close with a mass meeting held on Sunday afternoon, November 12, in a key city of each district. Outstanding preachers of American Methodism are addressing these closing evangelistic services. The mass meeting in this territory will be held at the Trinity Methodist church of Olean beginning at 3:30 o'clock.
