Corporal Richard W. Wheaton, USN, son of Mrs. Fay Wheaton of Andover, who is now aboard the giant aircraft carrier USS Midway, is becoming well acquainted with the peoples and customs of countries which border the Mediterranean Sea. During the month of September the Midway visited the ports of Palermo, Sicily; Algiers, Algeria; Cagliani, Sardinia; and Augusta, Sicily.

Other ports in which the carrier has dropped anchor since it began its present cruise include Gibraltar; Athens, Greece; Famagusta, on the Island of Cyprus; Beirut, Lebanon; the Island of Crete; and the French Riviera. While the ship was anchored near Cannes on the French Riviera, some of the Midway's personnel took guided tours of Paris, France and Switzerland.

Clifford L. Burdick, son of Mrs. Sarah Burdick MacBride of Elm Valley, has been promoted to the grade of Sergeant First Class, according to an announcement today by Headquarters Georgia Military District. A graduate of Andover Central School, Sgt. First Class Burdick also attended the Atlanta division of the University of Georgia.

Andover Car Wins Special Feature At Wellsville

Prefacing his victory by making the fastest speed in the time trials, 57.3 mph, veteran driver Jack Thomas of Bolivar, took the 10-lap special match race in 6:15 Sunday to decide the fastest driver and hottest stock car at the Wellsville Raceway. Thomas was driving No. 57 owned by Messrs. Rogers, Honegger and Allen of Andover.

Running in third place at the beginning of the fourth lap, Thomas passed first place Foster Meyers of Elmira and second place Dean Layfield of Wellsville in the backstretch. Meyers was forced back to third position, giving Layfield the opportunity to make a strong bid for victory during the last lap. Layfield, however, swung wide coming out of the fourth and last turn and Thomas came flying home to annex the title.

"Whitey" Gorsuch, the "Flying Dutchman" from Andover, managed to nose out Meyers for third place at the finish line. "Jim" Hennessey of Scio, the fifth driver who qualified in the same trials, brought up the rear due mostly to a bad spinout in the sixth lap.

George Egbert of Scio added another win to his column for the current season of the weekly stock car races at the raceway when he won the hotly contested 20-lap feature race in a 12:10.2 performance for an average speed of 49.3 miles per hour on a wet and treacherous track.

ALLEGANY COUNTY VOTERS

Republicans, Democrats and Independents:

Did you know that your present District Attorney, who is a candidate for election for a SIXTH TERM, has stated that there is almost 300% more crime in our little county than in 12 counties of comparable size? Our candidate unequivocally denies this. As you know by now, this was one of the reasons used by the District Attorney in seeking a raise in pay before the Board of Supervisors. ASK YOUR SUPERVISOR ABOUT IT! This committee, consisting of Republicans and Democrats, has no axe to grind. We are enthusiastically sponsoring the candidacy of Robert L. Fleischer for District Attorney and feel certain that thousands of Allegany Couny voters, IRRESPECTIVE OF PARTY AFFILIATION, will support him actively and vote for him. His trial ability is a by-word in our county. Why should we not have Bob Fleischer on OUR side instead of on the side of the criminal? IF YOU HAVE TO SPLIT YOUR TICKET TO VOTE FOR BOB FLEISCHER, DON'T HESITATE TO DO SO. You will learn quickly after January 1st, that you have been repaid a hundred-fold. "Bob" is pledged to zealously prosecute the guilty and with equal vigor to protect and preserve the innocent, and to conduct the office of District Attorney efficiently and ECONOMICALLY.

Christmas Seals Received at Belmont

Three "angel children" one singing and the others playing musical accompaniment, are featured on the green-and-red Christmas Seals which are being prepared for mailing to Allegany county residents at headquarters of the Allegany Health and Tuberculosis Association, Belmont, Mrs. Wayne C. Stout, county seal sale chairman announced this week.

County residents will receive the 1950 Seals in their mail November 20. Proceeds from the seal sale, which will be continued through Christmas, will finance the 1950 program of the Allegany Health and Tuberculosis Association.

Designer of this year's seal is Andre Dugo, internationally known artist who also designed the 1943 Christmas Seal, Mrs. Stout said. Artist Dugo's simple explanation of his selection of motif for the seal, she added, is that he loves children. His three "angel children" are characteristic of his work, and could represent a trio of "small citizens" in any American community.

"Mr. Dugo's love for children has also led to his success as a writer and illustrator of children's books," said Mrs. Stout. "His first book, 'Pete the Crow,' was chosen by the Literary Guild for its juvenile selection in October 1949. His next book, entitled 'Cinnamon', the story of a cocker spaniel, went on sale recently.

The seals were produced, as in previous years, by the National Association, with which the Allegany Health and Tuberculosis Association, and 3,000 other voluntary tuberculosis associations are affiliated. Seals are supplied each year to associations in the 48 states and the District of Columbia, and to Alaska, Hawaii, Puerto Rico and the Canal Zone and to a number of foreign nations.

In addition to the children, the 1950 seal features the red double-barred cross, insignia of the National Tuberculosis Association with which the county tuberculosis association is affiliated.
