

THE ANDOVER ADVERTISER

Local Intelligence.

Maple sugar received on subscription. Academies of Deacons... Several of our townsmen started for a pigpen hunt yesterday morning... We will exchange the Andover Advertiser for a few pounds of Maple Sugar...

FIRE AT FORESTVILLE.

The principal portion of the village of Forestville, Erie Co., N. Y., was destroyed by fire on Tuesday night last. The fire was caused by the explosion of a lamp in Straight & Beck's store.

Notice

A Sabbath Discussion was commenced at Nile, in this county, on Tuesday last, between Rev. Wm. Armstrong, of Wellsville, and Rev. A. H. Lewis of Africa, who are in honor able able to give a synopsis of the debate next week.

Notice

Mr. John H. Higginson, of Forestville, has just returned from Mississippi, where he has been residing for some months. He reports a business brisk, and Mr. H. has the pleasure of having received good treatment while there, and we are informed that he has done well in pecuniary affairs also.

Notice

Mr. George Rastropkin, of Andover, is about to move his family to East Northport, where he has made arrangements to run a Tannery for the term of one year. Mr. Rastropkin will greatly miss from amongst us, but we are glad to hear that he is doing well in his new home.

Notice

There will be an annual sugar festival at Forestville on Tuesday evening, April 14th, at the house of Mr. J. C. Smith. A good and well attended festival, and a general turnout is expected, and a general turnout is expected, and a general turnout is expected.

Notice

Our school will commence on Monday next, and we are glad to hear that the scholars are all well and ready to begin their studies.

Notice

We are glad to hear that the wheat crop is a very good one, and that the harvest is well advanced.

Notice

The Andover Lyceum Association have made arrangements with Prof. W. C. Richards to deliver a series of illustrated lectures on the history and progress of the physical sciences.

Notice

The new bell of the Presbyterian Church is in its place, and on Sunday next our citizens had the pleasure of listening to a good sounding bell. We would suggest, however, that the bell-ringers of our village churches practice ringing after a more harmonious manner. Please, gentlemen, don't make such a noise!

Notice

Mutual Association.—There will be a meeting at the Presbyterian Church on Saturday evening, April 14th, for the purpose of organizing a Mutual Association. All lovers of mutual aid are invited to attend.

FIRE AT FORESTVILLE.

The principal portion of the village of Forestville, Erie Co., N. Y., was destroyed by fire on Tuesday night last. The fire was caused by the explosion of a lamp in Straight & Beck's store.

Notice

The fire and passenger traffic of the Erie Railway is now larger than ever before, and constantly increasing. The Port Jervis Cattle Station says: "During twenty-four hours ending at half past nine o'clock this morning, the number of cars passing Port Jervis station for the east was 976 loaded cars, and 402 empty, 1843. During the same time 141 crains arrived and departed from Port Jervis, being one train in every four minutes. This is the largest movement of cars ever made through this station since the road was organized."

Notice

We have found the names of some of the big game that passed the other day at Forestville. It's a funny name, and originated in a joke. Guess you'll be interested in it.

Notice

We were pleased to give credit to Mr. Peter Smith for the amount of \$50.00, which he has advanced to the Andover Advertiser for the purpose of printing a series of articles on the history and progress of the physical sciences.

Notice

We are glad to hear that the wheat crop is a very good one, and that the harvest is well advanced.

Notice

The Andover Lyceum Association have made arrangements with Prof. W. C. Richards to deliver a series of illustrated lectures on the history and progress of the physical sciences.

The Andover Lyceum Association have made arrangements with Prof. W. C. Richards to deliver a series of illustrated lectures on the history and progress of the physical sciences.

Methodist denomination.

It is no longer necessary for the Methodist denomination to be in a hurry to leave their homes and friends, and to go to other religious sects in order to be saved. They can be saved by their own churches.

Notice

We are glad to hear that the wheat crop is a very good one, and that the harvest is well advanced.
