

**Best Tooth Powder**—Mix together equal parts of pulverized Orris Root and prepared chalk. Use upon the teeth with a tooth brush each morning.

**FOR WEAK OR IRRITABLE EYES**—Wash the eyes twice a day in a weak solution of common salt and warm water.

**EAR ACNE**—Poultices or hot onions applied to the external ear do very little good. To relieve pain or subside inflammation in the ears, fill the ears with warm water and resin by lying upon the side.—Change the water every ten minutes until the pain is relieved.

**GRAHAM BREAD**—Take of unbleached wheat flour, without sifting, one quart, warm water sufficient to mix, one-half cup of yeast, one table-spoonful of sugar, one teaspoonful of salt. Stir with a spoon and let it in a warm place to rise. When light again, add more flour if necessary, make it rise a second time, and then bake it in the ordinary loaf in a quick oven.

Be contented with your lot—regretfully if it is on a rooster.

How to fire and fill tank—get a gun that kills.

Sydney Smith once said: "I think the only really good thing about the human hand is when it is used to hold a pen."

A good deal of the world's population is suffering from the effects of the influenza epidemic which has been raging since the autumn of 1918. It has been especially fatal in the case of the young and the old. The disease is characterized by a sudden onset, with a high fever, aching muscles, and a dry, hacking cough. In some cases, it leads to pneumonia and death.

**Ayer's Cherry Pectoral**, For Croup, Whooping Cough, Sore Throat, and all Affections of the Throat and Lungs.

Probable cause of the influenza epidemic is the influenza virus, which is a small, spherical particle. It is transmitted from person to person by direct contact or through the air. The virus enters the body through the nose or mouth and attacks the respiratory tract.

**Ayer's Cherry Pectoral**, For Croup, Whooping Cough, Sore Throat, and all Affections of the Throat and Lungs.

It is a powerful expectorant and soothes the inflamed mucous membrane of the throat. It also acts as a mild sedative, helping to reduce the fever and relieve the pain.

**Ayer's Cherry Pectoral**, For Croup, Whooping Cough, Sore Throat, and all Affections of the Throat and Lungs.

It is a powerful expectorant and soothes the inflamed mucous membrane of the throat. It also acts as a mild sedative, helping to reduce the fever and relieve the pain.

**WHY BECAUSE**

Why? Because the Trade at the Regulators increases every year?

Why? Because Simmons sells the best Goods, keeps the largest stock and buys all his goods cheap, Cash.

Why? Because Do customers after buying once at Simmons continue as steady customers?

Why? Because They always get good goods, have a large assortment to select from, and save a cent per cent.

Why? Because Can Simmons afford to undersell, as it is universally acknowledged that he always has one thing more?

Why? Because First, because he has to buy Goods, he buys in large quantities, he pays no more for work than he can get, and lives at home.

Why? Because If Simmons' Goods are sold at a profit, he has the right to sell them at a profit in the West Michigan and Ohio States, and he has all the facilities for manufacturing the best Goods.

Why? Because If Simmons' Goods are sold at a profit, he has the right to sell them at a profit in the West Michigan and Ohio States, and he has all the facilities for manufacturing the best Goods.

Why? Because Simmons has the largest wholesale Stock, and does not have to make profits, to pay rents and other expenses, as his other business pays his way.
